

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive recommending approval of an act ("Act") which, if adopted, would authorize the County of Westchester ("County"), to apply for and enter into a grant agreement for funding from the United States of America acting through the Federal Aviation Administration ("FAA") for capital project A0118 – Runway 16/34 Rehabilitation ("A0118").

The Act would authorize the County to apply for and enter into a grant agreement with the FAA for funds to design replacement of runway edge and end lighting; runway centerline and touchdown zone fixtures; elevated signage; and runway end blast pads; and new runway shoulders on each side, including associated drainage improvements, at the Westchester County Airport ("Airport"). The Airport has advised that the FAA has indicated it will fund up to 90% of the estimated cost of \$636,196 for A0118, resulting in an FAA grant in the amount of approximately \$572,576. In addition, the New York State Department of Transportation will contribute \$31,810 and the County's share for A0118 will be \$31,810. The County's 5% share will be paid from the Airport Special Revenue Fund.

This project is part of the FAA's Airport Capital Improvement Program which is an annual entitlement-based funding source directly linked to commercial passenger volume. The FAA authorizes funding to assure life safety compliance in aircraft movement throughout the airfield. As such, it is critical to have the most modern equipment possible to maintain compliance with FAA regulations for the safety of the traveling public.

Design of the project is anticipated to be completed by March 31, 2025 and will be performed by a consultant.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part

617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

Your Committee has carefully considered this matter and has concluded that it is in the best interest of the County to adopt the Act to authorize the County to apply for and enter into a grant agreement with the FAA.

Your Committee is advised that an affirmative vote of a majority of your Honorable Board is required to adopt the Act.

**ACT NO. 2024 - 150**

AN ACT to authorize the County of Westchester to apply for and enter into a grant agreement with the United States of America, acting through the Federal Aviation Administration for capital project A0118 -- Runway 16/34 Rehabilitation.

**BE IT ENACTED** by the Board of Legislators of the County of Westchester as follows:

**Section 1.** The County of Westchester is hereby authorized to apply for and enter into a grant agreement with the United States of America acting through the Federal Aviation Administration ("FAA") for capital project A0118 -- Runway 16/34 Rehabilitation ("A-0118"), in the amount of approximately \$572,576, equivalent to approximately 90% of the total estimated cost of \$636,196 for A0118. The New York State Department of Transportation ("NYSDOT") has indicated that it will fund a portion of the costs of A-0118, resulting in a NYSDOT grant amount of approximately \$31,810. The County's share for A0118 will be approximately \$31,810 and will be paid from the Airport Special Revenue Fund.

**§ 2.** The County Executive, or his duly authorized designee, is hereby authorized and empowered to take such actions and to execute and deliver such instruments as may be necessary and appropriate to accomplish the purposes hereof.

**§ 3.** This Act shall take effect immediately.
