Westchester County Board of Legislators  
800 Michaelian Office Building  
148 Martine Avenue  
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is an Act which, if adopted, would authorize the County of Westchester (the "County"), acting by and through its Youth Bureau (the "Youth Bureau"), to:

1) enter into a grant agreement with the New York State Office of Children and Family Services to accept grant funds to continue a Sexual Risk Avoidance Education Program (the "Program") to address the need for teen pregnancy prevention and youth engagement in the seven highest need cities in Westchester, which includes Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, White Plains and Yonkers, and related administrative activities in the total aggregate amount of \$260,000, for a term commencing on July 1, 2021 and continuing through June 30, 2022 (the "Grant Agreement"); and

2) enter into inter-municipal agreements ("IMAs") with the Cities and/or Villages of Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, White Plains and Yonkers (the "Municipalities"), for services to be funded with the grant funds, in the total aggregate not-to-exceed amount of \$212,338, comprised of an amount not to exceed \$30,334 per Municipality, for a term commencing on July 1, 2021 and continuing through June 30, 2022.

Pursuant to the IMAs, the Municipalities will each deliver, to at least 15 youth, sexual risk avoidance education services and youth engagement work readiness skills. The Programs will operate during after school hours in person or via virtual meetings as necessary.

The remainder of the grant funds will be used to enter into an agreement with Nepperhan Community Center, Inc. for related services, which agreement shall be subject to the approval of the Board of Acquisition and Contract.

The Planning Department has advised that neither the Grant Agreement nor the IMAs meet the definition of an "action" under the State Environmental Quality Review Act ("SEQRA"), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated May 14, 2021, which is on file with the clerk of your Honorable Board. Therefore, no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

The proposed Grant Agreement and the proposed IMAs are intended to benefit the County by assisting in the provision of grant-funded services to its residents. Accordingly, I believe the proposed Grant Agreement and the proposed IMAs are in the best interest of the County and, therefore, recommend your favorable action on the annexed proposed Act.

Sincerely,

George Latimer  
County Executive

SUBJECT: **ACTIVITIES NOT SUBJECT TO STATE ENVIRONMENTAL QUALITY  
REVIEW**

---

As required by the New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617 (“SEQR”), the Board of Legislators (“BOL”) is the body that must assess the environmental significance of all actions that the BOL has discretion to approve, fund or directly undertake. The Planning Department has historically conducted the necessary environmental review for the BOL to undertake its responsibility under SEQR. Additionally, contracts going before the Board of Acquisition and Contracts (“BAC”) must be reviewed for conformance with SEQR.

Pursuant to Section 617.2(b) of SEQR, “Actions” are defined as:

- (1) projects or physical activities, such as construction or other activities that may affect the environment by changing the use, appearance or condition of any natural resource or structure, that:
  - (i) are directly undertaken by an agency; or
  - (ii) involve funding by an agency; or
  - (iii) require one or more new or modified approvals from an agency or agencies;
- (2) agency planning and policy making activities that may affect the environment and commit the agency to a definite course of future decisions;
- (3) adoption of agency rules, regulations and procedures, including local laws, codes, ordinances, executive orders and resolutions that may affect the environment; and
- (4) any combinations of the above.

As part of the Planning Department’s ongoing review of its processes, we are streamlining the process for SEQR review and related document preparation for the BOL and BAC. The most effective method to achieve a more timely SEQR review is to create a list of categories of activities **that do not meet the definition of an “action”** as defined in SEQR. This list will reference activities that are routine and which do not change the use, appearance or condition of any natural resource or structure, nor do they involve policies or regulations that may affect the environment. The creation of this list in no way eliminates the BOL’s or BAC’s responsibilities

under SEQR. Rather, it establishes a workflow for items that are routine and do not, under the law, require environmental review.

Accordingly, the Planning Department advises that no environmental review is required and no SEQR documentation is necessary for submission with BOL legislation or with resolutions or contracts requiring BAC approval regarding activities on the attached list.

County departments and agencies may reference this memorandum in the legislation in order to document compliance with SEQR for actions listed herein. As such, this memorandum should be kept on file with the Clerk of the Board of Legislators. Legislation should include a statement similar to the following: "The proposed project does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated May 14, 2021, which is on file with the Clerk of the Board of Legislators."

This memorandum will be distributed to all Commissioners as part of County operations.

Please contact me if you have any questions.

**ACTIVITIES THAT DO NOT MEET THE DEFINITION OF AN “ACTION”  
PURSUANT TO SEQR AND ARE, CONSEQUENTLY, NOT SUBJECT TO SEQR**

**1. BUDGETS AND AMENDMENTS**

- Municipal budgets and amendments to them – The budgeting process merely sets aside funds without a commitment to their expenditure. Operating expenditures are typically for government-related activities that would also not meet the definition of an action. Even the establishment of the Capital Budget is not subject to SEQR because many of the capital projects are usually not definitive enough with respect to potential impacts to be reviewable at the time the budget is adopted. However, any subsequent authorization, such as bonding, to undertake a particular capital project is an action that requires SEQR compliance before it may be approved.
- The transfer of funds within the County operating and capital budgets for the purpose of balancing accounts – It is understood that these actions are purely budgetary, where accounts with excess funds are moved to accounts with existing or anticipated deficits. It is further understood that the activities covered by these accounts have either already occurred or been reviewed in accordance with SEQR, are Type II actions or actions that are not subject to SEQR, or are actions that will require future approval prior to being undertaken, at which time further SEQR review may be appropriate.
- Rescissions or reduction of bond acts to cancel unspent funds.

**2. SERVICES**

- Consultant services – Contracts or agreements that provide for administrative services, training, reports for Boards and Commissions, but not including studies or design of physical improvements, which has been listed under SEQR as Type II.
- Social Services – Actions or agreements that provide services to persons in need, such as employment assistance, family/domestic intervention and respite care.
- Youth services – Actions or agreements that provide for youth services, such as a Resource Allocation Plan, Invest-in-Kids Program, after-school programs, camp programs and head-start programs.
- Senior programs & services – Actions or agreements that provide for services to seniors, such as provision of information/education, home care, nutrition & transportation assistance, caregiver support, and acceptance of federal and state grants providing for such services (e.g., OAA Title III grants and NYSOFA grants, including CSE, CSI, CRC, EISEP, NYSTP, WIN & NSIP).
- Public Safety services – programs that promote public safety, such as STOP-DWI, Police Night Out, and intermunicipal agreements (IMAs) for shared training, equipment and response to emergencies.
- Fire services – Fire district IMAs for shared training, equipment and response to emergencies.
- Legal services – Contracts for outside counsel, litigation or associated monetary settlements.
- Medical Services – Contracts with medical providers for medical examinations, testing or vaccinations of County employees or the public.

### 3. PERSONNEL MATTERS

- Actions related to employment or employees.
- Contracts for temporary staff assistance.
- Legislation pertaining to establishment and membership of boards and commissions.

### 4. FINANCES

- Tax Anticipation Notes.
- Bond acts to finance tax certiorari payments.
- Banking contracts/agreements for money management services.
- Mortgage tax receipts disbursements (County Clerk).
- Refinancing of affordable housing mortgages.
- Payment in Lieu of Taxes (PILOT) agreements.

### 5. LAWS

- New laws or amendments of existing laws that regulate the sale or use of products for the protection of public health.
- New laws or amendments of existing laws that regulate businesses for the protection of consumers.
- Pertaining to consumer protection, not including professional licensing, which have been classified as Type II.
- Pertaining to animal welfare, excluding regulations involving habitat management.
- Pertaining to public safety.
- Pertaining to taxation, such as establishment of new taxes or tax exemptions.
- Pertaining to establishment or modification of fees.
- Pertaining to notices, publications and record keeping.
- Pertaining to hiring or contracting procedures.
- Pertaining to the functioning of County government, such as term limits, board appointments, etc. that do not impact the environment.

### 6. MISCELLANEOUS

- Amendments to existing agreements for changes in name or consultants.
- Prisoner Transport IMAs.
- Tourism Promotion Agency designation.
- Software licenses.
- IMAs for temporary housing in existing facilities (homeless, inmate, troubled youths, domestic violence victims).

**THE COUNTY OF WESTCHESTER**, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601, (hereinafter referred to as the "County"),

Except as otherwise expressly stated in this Agreement, no payment shall be made by the County to the Municipality for out of pocket expenses or disbursements made in connection with the services rendered or the work to be performed hereunder.

The Municipality shall provide the County with a report to be submitted within thirty (30) days of the expiration of this Agreement which shall set forth in detail the services performed under the Agreement, the activities, progress and accomplishments under the Agreement, the amount of funds expended for each task performed and the extent and manner in which the goals, objectives and

standards established for the Agreement have been met by the Municipality. The above report shall be certified by an officer or director of the Municipality.

The County shall have the right, at its option and at its sole cost and expense, to audit such books and records of the Municipality as are reasonably pertinent to this Agreement to substantiate the basis for payment. The County may withhold payment of funds hereunder for cause found in the course of an audit or because of failure of the Municipality to cooperate with an audit. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one (1) year following termination of this Agreement, and to perform random audits during the term of this Agreement. In the event an audit performed by the County reflects overpayment by the County or that monies were not fully expended or that monies were improperly expended, then the Municipality shall reimburse to the County the cost of such audit (if the audit was done by the County or on the County's behalf) and the amount of such overpayment, underpayment or improper payment, within thirty (30) days of notice from the County.

The Municipality further agrees to permit designated employees or agents of the County reasonable on-site inspection of the work being performed by the Municipality under this Agreement, its books, accounts, financial audits and records and agrees to keep records necessary to disclose fully the receipt and disposition of funds received under this agreement. **THIRD:** The term of this Agreement will commence July 1, 2021 and terminate June 30, 2022 unless terminated earlier as provided herein.

**FOURTH:** (a) The County reserves the right to cancel this Agreement on Thirty (30) days' prior written notice to the Municipality when it deems it to be in its best interests to do so. In such event, the Municipality shall be compensated and the County shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination at the rates specified in Schedule "B."

Such reasonable and good faith determination shall be accepted by the Municipality as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for ten (10) days after service on the Municipality of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the services provided for in this Agreement, or contract for their completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Notice hereunder shall be effective on the date of receipt.

**FIFTH:** The Agreement shall not be enforceable unless signed by the parties and approved by the Office of the County Attorney.

**SIXTH:** The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.
