Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith is an Act which, if adopted by your Honorable Board, would authorize the County of Westchester ("County") to enter into inter-municipal agreements ("IMAs") with one or more Westchester County municipal corporations as defined in Article 5-G of the New York State General Municipal Law ("Municipalities"), pursuant to which the Municipalities will assist the County in enforcing the Westchester County For-Hire Vehicle Law, Chapter 270 of the Westchester County Administrative Code, and its implementing regulations (the "For-Hire Vehicle Law"). The term of the IMAs will be five (5) years from the date of execution thereof.

The Municipalities will assist the County by having their police officers, or other public servants of the Municipalities authorized by state or local law to issue and serve summonses and notices of hearing (referred to herein as "Appearance Tickets"), issue Appearance Tickets to any person, partnership, corporation, or other entity violating the For-Hire Vehicle Law. The County will prosecute, hear and determine the Appearance Tickets issued by the Municipalities in accordance with the terms of the IMA and the For-Hire Vehicle Law.

For the services rendered by the Municipalities under the IMAs, the Municipalities will be paid a fee equal to sixty percent (60%) of the total penalties collected by the County from the enforcement of Appearance Tickets issued by the Municipality pursuant to the terms of the IMA.

It should be noted that since 2011, your Honorable Board has approved a series of acts authorizing the County to enter into IMAs with local Municipalities to assist the County in enforcing the For-Hire Vehicle Law. Until now, these acts have authorized the County to pay the Municipalities a fee equal to only twenty-five percent (25%) of the total penalties collected by the County from the enforcement of Appearance Tickets issued by the Municipalities. I have been advised that the current 75/25 revenue split in favor of the County has deterred municipalities from participating in this program, thus resulting in reduced enforcement of the law, as well as lost revenue to the County. I have been further advised that after a thorough review of this issue by my office, in consultation with the Department of Public Safety Services, a determination has been made to change the revenue sharing split from the current 75/25 in favor of the County, to 60/40 in favor of the municipalities. It is believed that this change will incentivize more municipalities to participate in the program, thus increasing enforcement coverage, as well as bringing more revenue into the County.

The Planning Department has advised that the proposed IMAs do not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. As such, no environmental review is required. Please refer to the memorandum from the Department of Planning dated January 14, 2022, which is on file with the Clerk of the Board of Legislators.

I strongly urge your adoption of the attached legislation because it will expand the scope of the County's enforcement of the For-Hire Vehicle Law and its rules and regulations.

Sincerely,

A handwritten signature in blue ink, appearing to read "George Latimer", written over the word "Sincerely,".

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the enactment of an Act by which your Honorable Board would authorize the County of Westchester (the "County") to enter into inter-municipal agreements (the "IMAs") with one or more Westchester County municipal corporations as defined in Article 5-G of the New York State General Municipal Law ("Municipalities"), pursuant to which the Municipalities will assist the County in enforcing the Westchester County For-Hire Vehicle Law, Chapter 270 of the Westchester County Administrative Code, and its implementing regulations (the "For-Hire Vehicle Law"). The term of the IMA will be five (5) years from the date of execution thereof.

Your Committee is advised that the Municipalities will assist the County by having their police officers, or other public servants of the Municipalities authorized by state or local law to issue and serve summonses and notices of hearing (referred to herein as "Appearance Tickets"), issue Appearance Tickets to any person, partnership, corporation, or other entity violating the For-Hire Vehicle Law. The County will prosecute, hear and determine the Appearance Tickets issued by the Municipalities in accordance with the terms of the IMA and the For-Hire Vehicle Law.

For the services rendered by the Municipalities under the IMAs, the Municipalities will be paid a fee equal to sixty percent (60%) of the total penalties collected by the County from the enforcement of Appearance Tickets issued by the Municipalities pursuant to the terms of the IMAs.

Your Committee notes that since 2011, your Honorable Board has approved a series of acts authorizing the County to enter into IMAs with local Municipalities to assist the County in enforcing the For-Hire Vehicle Law. Until now, these acts have authorized the County to pay the Municipalities a fee equal to only twenty-five percent (25%) of the total penalties collected by the County from the enforcement of Appearance Tickets issued by the Municipalities. Your Committee is advised that the current 75/25 revenue split in favor of the County has deterred

municipalities from participating in this program, thus resulting in reduced enforcement of the law, as well as lost revenue to the County.

Your Committee is further advised that after a thorough review of this issue by the County Executive's Office, in consultation with the Department of Public Safety Services, a determination has been made to change the revenue sharing split from the current 75/25 in favor of the County, to 60/40 in favor of the municipalities. It is believed that this change will incentivize more municipalities to participate in the program, thus increasing enforcement coverage as well as bringing more revenue into the County.

The Planning Department has advised that the proposed IMAs do not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. As such, no environmental review is required. Please refer to the memorandum from the Department of Planning dated January 14, 2022, which is on file with the Clerk of the Board of Legislators.

An affirmative vote of a majority of the voting strength of your Honorable Board is required for approval of the attached Act.

Your Committee strongly urges your adoption of the attached legislation because it will expand the scope of the County's enforcement of the For-Hire Vehicle Law and its rules and regulations.

and

_____ a
municipal corporation of the State of New York, having an office and principal place of business at _____

(hereinafter referred to as the “Municipality”)

WITNESSETH:

WHEREAS, the County by Local Law No. 9-1998 added Chapter 270 to the Laws of Westchester County, and

WHEREAS, Local Law No. 9-1998 regulates the business of transporting passengers in for-hire vehicles in Westchester County, including the licensing of for-hire vehicles, drivers and base stations by the Westchester County Taxi and Limousine Commission (the “Commission”), and

WHEREAS, Local Law No. 9-1998 provides for the enforcement of the Local Law through an administrative hearing process (Local Law No. 9-1998 §§ 270.117 – 270.124) whereby the Commission issues a summons and complaint; an Administrative Law Judge hears the proceeding, conducts a hearing, and issues Findings and Recommendations to the Commission; and the Commission renders a decision, and

WHEREAS, section 270.117 of Local Law No. 9-1998 authorizes the Commission or its designee to issue summonses and notices to any one alleged to have violated the Local Law, and

WHEREAS, the Commission has established rules and regulations implementing Local Law No. 9-1998 with respect to “For-Hire” vehicles, and

WHEREAS, in accordance with section 800.02 of the rules and regulations implementing Local Law No. 9-1998, as amended, the Commission designated officers of any local police jurisdiction within Westchester County, or other public servants of a municipality authorized by state or local law to issue and serve summonses and notices of hearing, to enforce the Local Law through the issuance of a “Summons and Notice of Hearing” (referred to herein as “Appearance Tickets”) thereunder, and

WHEREAS, it is the desire of the parties to enter into this Agreement to set forth the terms by which the Municipality will assist the County in enforcing Local Law No. 9-1998 and the rules and regulations promulgated thereto within the Municipality’s jurisdiction.

NOW, THEREFORE, in consideration of the terms and conditions herein contained, the parties agree as follows:

Section 1. **Enforcement.**

a. Whenever the Municipality has reason to believe that a person, partnership, corporation or other entity as provided for in the Local Law is in violation of

any provision of the Local Law, the Municipality may commence an appropriate enforcement action by issuing an Appearance Ticket to the alleged violator in accordance with the terms of this Agreement and the terms of the Local Law. A copy of the Local Law is attached hereto and made a part hereof as Schedule "A". A copy of the rules and regulations promulgated pursuant to the Local Law are incorporated herein by reference. The Local Law and rules and regulations promulgated thereto may be duly amended by the County from time to time. The Commission shall give the Municipality written notice of any amendments to the Local Law and the regulations promulgated pursuant to the Local Law. The Municipality shall enforce the Local Law and rules and regulations promulgated thereto as duly amended by the County. Any reference herein to the "Local Law" includes the rules and regulations promulgated thereto.

b. The terms of this Agreement shall only apply to the Municipality's issuance of Appearance Tickets within its jurisdiction as provided for herein.

c. The Municipality shall enforce the Local Law only with police officers as defined herein, or with public servants other than police officers, as defined herein, who are authorized by the state or local law to issue Appearance Tickets. A "police officer" shall mean a police officer as defined by New York State Criminal Procedure Law section 1.20(34) who is employed by that Municipality as a police officer capable of and not restricted from performing any of his or her duties; not suspended, under charges of misconduct, injured or not otherwise restricted from issuing appearance tickets for the Municipality; and has received the training provided for in section 5 of this Agreement. A "public servant" shall mean any employee of the Municipality who is authorized by state or local law to issue and serve Appearance Tickets, capable of and not

restricted from performing any of his or her duties; not suspended, under charges of misconduct, injured or not otherwise restricted from issuing appearance tickets for the Municipality; and has received the training provided for in section 5 of this Agreement.

d. The County shall provide the Municipality with Appearance Ticket forms to be used by the Municipality in enforcing the Local Law. The Municipality shall have each police officer or other public servant issue the Appearance Tickets in sequential order.

e. The County will provide the Municipality with a list of the hearing dates that may be written on the Appearance Tickets. At the time of issuance, the Municipality shall write on the Appearance Ticket a hearing date that is on the County's list and at least three weeks in advance of the date the Appearance Ticket is being issued by the Municipality.

f. Notwithstanding section 273.51 of the Laws of Westchester County, but rather in accordance with the Local Law, the County shall enforce, prosecute, hear and determine all Appearance Tickets issued hereunder pursuant to the terms of the Local Law and shall handle such tickets as in its discretion it deems appropriate. The collection of unpaid penalties and the resolution of such tickets also shall be handled by the County as in its discretion it deems appropriate.

g. Nothing in this Agreement is intended to restrict or diminish the authority of the County to initiate or cause to be initiated actions for violations of the Local Law through the issuance of Appearance Tickets or otherwise anywhere within the County, including, without limitation, within the jurisdiction of the Municipality.

h. Pursuant to the terms of this Agreement, the Municipality's obligation to enforce the Local Law is discretionary.

i. Either party may notify the other party when they have reason to believe a person, partnership, corporation or other entity is in violation of the Local Law. Such notice, however, shall not prohibit the notifying party from taking appropriate enforcement action with respect to such violation within the terms of this Agreement.

j. Whenever the Municipality initiates an enforcement action hereunder, the Municipality shall provide reasonable assistance to the County in enforcing and prosecuting the action, including, without limitation, the following:

(i) at the request of the County, providing access to and copies of all evidence of any form and all records, data and recordings of any nature compiled by the Municipality concerning the Appearance Ticket, including without limitation, notes, reports, drawings, negatives of photographs, computer printouts, video or audio recordings, computer data or diskettes, any digitized information, electronic records or readings and any other kind of records, data, recordings or form of evidence.

(ii) at the request of the County, appearing as a witness in the County's enforcement action and hearing.

Section 2. **Maintenance of Data.**

All records created or compiled by the Municipality in performing the services described in this Agreement shall be retained (i) as provided for in section 57.25 the Local Governments Records Law (Article 57-A of the Arts and Cultural Affairs Law) and the applicable New York State Department of Education Records Retention and

Disposition Schedule for the Municipality or (ii) for at least two (2) years after termination of this Agreement, which ever is longer.

Section 3. **Reporting.**

a. Upon the issuance of an Appearance Ticket, the Municipality shall give the top, original copy to the alleged violator and the second copy to the County as provided for in subdivision (b). The last or third carbon copy shall be retained by the Municipality as provided for in section 2 of this Agreement.

b. The County and the Municipality agree to establish a mechanism for the delivery of copies of Appearance Tickets to the County on a weekly basis. The particulars of such delivery system shall be reduced to writing by the parties prior to the Effective Date

c. The County shall provide the Municipality with quarterly progress reports, which shall include the following:

- (i) a list of all Appearance Tickets issued by the Municipality under this Agreement for the quarter, listed in sequential order,
- (ii) the name of the police officer or other public servant who issued the Appearance Ticket,
- (iii) the section of the Local Law violated, and
- (iv) any other reasonable information requested by the County.

d. Each Appearance Ticket shall continue to be listed on the County's quarterly progress report until it is resolved in accordance with the terms of this Agreement.

e. The quarterly progress reports shall be submitted every three (3) months after the Effective Date and continue every three (3) months thereafter.

f. The County and the Municipality agree to establish a mechanism for the delivery of quarterly reports to the Municipality. The particulars of such delivery system shall be reduced to writing by the parties prior to the Effective Date.

Section 4. **Fee.**

a. For the services rendered pursuant to this Agreement, the Municipality shall be paid a quarterly fee equal to sixty percent (60%) of the total penalties collected by the County from the enforcement of the Appearance Tickets issued by the Municipality under the terms of this Agreement for each particular quarter (the “fee”).

b. No payment shall be made by the County to the Municipality for out of pocket expense or disbursements made in connection with the services rendered hereunder.

c. The fee shall be paid quarterly upon the submission by the Municipality of a payment voucher as provided for in section 8 of this Agreement.

Section 5. **Training.**

a. The County shall train the Municipality on how to enforce the Local Law by (i) providing the Municipality with copies of the Local Law and educational materials and (ii) training a police officer or other public servant from the Municipality on how to enforce the Local Law (“local police officer or other public servant”). The local police officer or other local public servant, after being trained by the

County, shall train all other police officers or other public servants from the Municipality on how to enforce the Local Law as instructed by the County. This training may include, but is not limited to, having the local police officer or other local public servant ride with a County police officer for the purpose of training.

b. The Municipality shall distribute the Local Law and the educational materials to all of its police officers and other public servants authorized to enforce the Local Law, including any such person who is hired by the Municipality during the term of this Agreement, prior to the police officer or other public servant enforcing the Local Law under the terms of this Agreement.

c. The Municipality shall ensure that every police officer or other public servant, including those defined in section 5(a) of this Agreement, participates in and receives the training as provided for herein prior to enforcing the Local Law.

Section 6. **Cooperation.**

a. The parties shall cooperate with each other in performing their respective obligations under this Agreement.

c. The Municipality shall designate a liaison to communicate with and meet the Commissioner of Public Safety (the "Commissioner") or his designee on an as needed basis regarding the coordination of police services under this Agreement.

Section 7. **Notices.**

All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or sent by hand or overnight courier, or sent by facsimile (with acknowledgment received and a copy of the notice sent by overnight courier), to the respective addresses set forth below or to such other addresses as the respective parties hereto may designate in writing. (ii) the Municipality shall be compensated and the County shall be liable only for services rendered prior to the effective date of termination pursuant to the terms of this Agreement,

The Municipality shall return all unused Appearance Tickets to the County.

The Municipality shall return all unused Appearance Tickets to the County.

d. Notice hereunder shall be effective on the date of mailing.

The Municipality agrees with and shall be subject to the Insurance Requirements contained in Schedule "B", which is attached hereto and forms a part of this Agreement. In addition to, and not in limitation of the insurance provisions contained in Schedule "B", the Municipality agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees, agents and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

The County represents to the Municipality that it is a self-insured entity and shall provide the Municipality with written proof of same from its risk management office. In addition, the County agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the negligence of the Municipality, the County shall indemnify and hold harmless the Municipality, its officers, employees, agents and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the County or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

The Municipality shall not subcontract any rights or responsibility under this Agreement without the prior express written consent of the County and without the County approving the subcontract agreement to be entered into between the subcontractor and Municipality. Such consent and subcontract shall not create any relationship between the County and the subcontractor. All services performed by an approved subcontractor shall be deemed work performed by the Municipality.

e. This Agreement shall be construed and enforced in accordance with the laws of the State of New York and shall be heard in a court of competent jurisdiction of the State of New York in Westchester County.

Section 18. **Headings.**

The headings are for references purposes only.

Section 19. **No Waiver.**

a. The failure of either party to insist, in any one or more instances, upon strict performance of any term or condition herein contained shall not be deemed a waiver or relinquishment for the future of such term or condition, but the same shall remain in full force and effect.

b. Acceptance by the County of any services hereunder with knowledge of a breach of any term or condition hereof, shall not be deemed a waiver of any such breach and no waiver by the County of any provision hereof shall be implied.
