ACT 253 - 2023
(BOND) ACT 254 - 2023 Reference RB151

HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmission from the County Executive recommending approval by the County of Westchester ("County") of an act amending the County's current-year capital budget ("Capital Budget Amendment"), as well as adoption of a related amended bond act ("Amended Bond Act") which, if adopted, will authorize the County to issue up to $1,200,000 in additional bonds of the County to finance capital project RB151 Commerce Street, C.R. 29, Mount Pleasant ("RB151").

Your Committee is advised that the Capital Budget Amendment will amend the County's capital budget to increase the County share for RB151 by $1,200,000. The Department of Public Works and Transportation ("Department") has advised your Committee that additional funding is required due to discovery of a previously unknown gas line adjacent to the proposed drainage system, requiring additional rock excavation, drainage system modifications, relocation of existing utilities, modifications to the maintenance and protection of traffic plan, additional design, and construction inspection.

The related Amended Bond Act in the total amount of $5,900,000 was prepared by the law firm Hawkins, Delafield & Wood, and includes $4,700,000 in previously authorized bonds of the County. The Bond Act would finance the cost of rehabilitation of approximately 1.23 miles of Commerce Street (C.R. 29) in Mount Pleasant from Stevens Avenue to Liberty Street. The rehabilitation work will include milling, joint and crack renovation, resurfacing, concrete curb replacement, drainage improvements, installation of ADA sidewalk ramps, new traffic loops, new pavement markings and related work, as well as work to address the reconfiguration of intersection of Commerce Street and Elwood Avenue. In addition, work will include rock excavation, drainage system modifications, relocation of existing utilities, modifications to the maintenance and protection of traffic plan, additional design, and construction inspection.

The Department has advised that this road, which has an average annual daily traffic count ("AADT") of 1,726, is in need of rehabilitation to maintain a safe roadway for the traveling public. The associated pavement condition index ("PCI") in 2019 was 62 and the roadway has continued to deteriorate. The PCI rating is a pavement condition rating with a range of 0 to 100, with 0 signifying that the road requires reconstruction and 100 signifying that the road is new. Based on this rating this road requires corrective rehabilitation to extend the life of the roadway.

The design was completed by a consultant and the project is currently in construction. Following bonding authorization, it is estimated that construction will take an additional three months to complete.

It should be noted that your Honorable Board has authorized the County to issue bonds for RB151 as indicated in the annexed fact sheet as follows: Bond Act No. 77-2020 in the amount of $4,700,000 to finance the rehabilitation of approximately 1.23 miles of Commerce Street in Mount Pleasant from Stevens Avenue to Liberty Street. These bonds have been partially sold. Accordingly, it is now requested that the unissued portion of Bond Act No. 77-2020 be amended to increase the amount authorized by $1,200,000, for a total authorized amount, as amended, of $5,900,000, and to revise the scope of Bond Act No. 77-2020 to include the aforementioned rehabilitation work.

The Planning Department has advised your Committee that based on its review, RB151 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

The Planning Department has advised your Committee that the Planning Board has previously reviewed RB151 and issued a report, and that since there is no change in the scope of the work and this is simply a change in the financing plan, no further action by the Planning Board is necessary at this time.

Your Committee has carefully considered the proposed Capital Budget Amendment, as well as the related Amended Bond Act, and recommends approval of both of the proposed Acts, noting that the Bond Act can only be enacted following adoption of the Capital Budget Amendment. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to amend the County's Capital Budget and to adopt the Amended Bond Act.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR CAPITAL PROJECT RB151 COMMERCE STREET, C.R. 29, MOUNT PLEASANT**

The Planning Department has reviewed the above referenced capital project (Fact Sheet Unique ID: 2307) in accordance with the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

This project was previously reviewed by the Westchester County Board of Legislators, which classified the project as an Unlisted action under SEQR. In accordance with SEQR, a Short Environmental Assessment Form was prepared and, on May 18, 2020, a Negative Declaration was issued by the Board of Legislators (Resolution 44-2020). The current request is for an increase in funding in order to undertake minor project modifications needed to address unforeseen existing field conditions. All additional work will be within or below the roadway; the overall scope remains the same. As such, the original Negative Declaration remains valid and no further environmental review is required.

Please do not hesitate to contact me if you have any questions regarding this matter.

RE: **Capital Budget Amendment – RB151 Commerce Street, CR 29, Mount Pleasant (2023 CBA)**

The County Executive is requesting an amendment to the 2023 Capital Budget to modify the funding of the above project. Capital project **RB151 Commerce Street, CR 29, Mount Pleasant** will fund the rehabilitation 1.23 miles of roadway from Stevens Avenue to Liberty Street and the reconfiguration of the Commerce Street and Elmwood Avenue intersection. The capital budget amendment will fund increased costs in construction.

A Capital Budget Amendment (CBA) in the amount of $1,200,000 is being requested to provide additional construction funding to address increased costs. This project was classified as a PL2, a project with physical planning by the Planning Board in the 2020 Report on the Capital Project Requests adopted January 4, 2020.

There are no changes to the physical planning aspects of this project as reviewed by the Board; therefore, no further action by your Board is necessary.
