

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$2,000,000.00 to finance capital project SPK22 (3144) – Peekskill WRRF Highland Avenue Pumping Station Upgrades (“SPK22”). The Bond Act, which was prepared by the law firm Norton Rose Fulbright, will finance the costs of design and construction management for the rehabilitation and improvement of the Highland Avenue Pump Station (“Pump Station”), in and for said County, including incidental expenses in connection with such project.

The Department of Environmental Facilities (“Department”) has advised that the Pump Station is part of the headworks of the Peekskill Water Resource Recovery Facility (WRRF). The Pump Station is in need of rehabilitation and upgrades as the components of this Pump Station are approaching the end of their useful life. Pump Station components will need replacement to ensure that the station will operate in a safe and environmentally sound manner.

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take twenty-four months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, SPK22 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental

review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
