

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$435,000 to finance a component of capital project BSS14 – Infrastructure Improvements to Shelter Facilities – Coachman Family Center (2015 – 2019) (“BSS14”). The Bond Act, which was prepared by the law firm of Hawkins Delafield & Wood LLP, will finance the cost of mechanical and electrical building systems replacement and upgrades at the Coachman Family Center in White Plains.

The Department of Social Services (“Department”) has advised that the work for this component of BSS14 will include replacing the domestic water valves and the fire suppression system as well as the air exchange system in the hair salon.

The Department has advised that following bonding authorization, design will be scheduled and is anticipated to take three (3) months to complete and will be performed by consultants. It is estimated that construction will take six (6) months to complete and will begin after award and execution of the construction contracts.

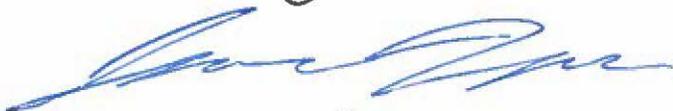

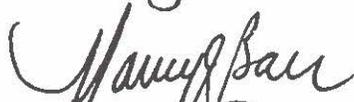

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance separable components of BSS14 as described in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, this component of BSS14 has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR

Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

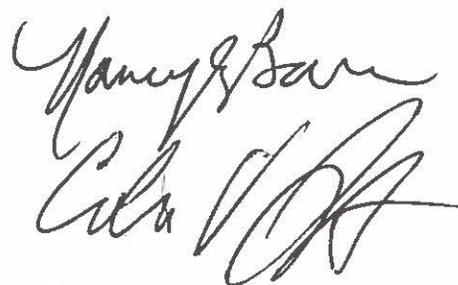

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

BSS14 INFRASTRUCTURE IMPROVEMENTS TO SHELTER FACILITIES
– COACHMAN FAMILY CENTER (2015-2019)**

PROJECT/ACTION: Per Capital Project Fact Sheet as approved by the Planning Department on 05-15-2022 (Unique ID: 1956)

With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no further environmental review is required for the proposed action, because the project or component of the project for which funding is requested may be classified as a **TYPE II action** pursuant to section(s):

- **617.5(c)(2):** replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part;
- **617.5(c)(9):** construction or expansion of a primary or accessory/appurtenant, nonresidential structure or facility involving less than 4,000 square feet of gross floor area and not involving a change in zoning or a use variance and consistent with local land use controls, but not radio communication or microwave transmission facilities.

COMMENTS: A separate request is being made under the same capital project to fund additional work at the same facility (Fact Sheet ID#1955). The combined actions would not exceed any of the thresholds that would disqualify them from the Type II classification.
