TO: BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER

Your Committee has reviewed “A LOCAL LAW amending Local Law No. 11-2018 relating to applications for prospective purchasers of stock in Cooperative Housing Corporations.”

Westchester County’s Fair Housing Law, Article II of Chapter 700 of the Laws of Westchester County, is aimed at preventing and addressing discrimination in relation to housing practices. Among the housing practices regulated by the Fair Housing Law is the sale and transfer of shares of stock in cooperative housing corporations. Under the Fair Housing Law, it is an unlawful discriminatory practice for the governing board of a cooperative housing corporation to refuse to permit the sale or transfer of stock to a person on the basis of the group identity of the prospective purchaser(s) as defined in Section 700.21(H) of the Fair Housing Law.

In 2018, this Honorable Board enacted Local Law No. 11-2018, which added a new Section 700.21-a to the Fair Housing Law, which set forth time limits for cooperative housing corporations to inform prospective purchasers of any deficiencies in an application and act on completed applications. This law also requires the cooperative housing corporation to provide notice of the rejection to the Human Rights Commission.

However, in reviewing the law with the Human Rights Commission, your Committee has learned that the Commission does not always receive sufficient information upon which

it can properly investigate potential discriminatory practices. Further, while failing to report to the Human Rights Commission is an independent violation of the Fair Housing Law, failing to comply with the time frames for dealing with applicants is not. This undercuts the effectiveness of the law, as cooperative housing corporations can still sit on applications for an extended period of time.

In order to remedy these deficiencies, your Committee recommends adoption of the attached Local Law, which would amend Section 700.21-a to require that the notice of rejection sent to the Commission contain certain information necessary to allow for a proper review and investigation of any potentially discriminatory acts. Included among this information is the reason why the application was rejected. Requiring a cooperative housing corporation to identify the reason why an application was rejected will allow the Commission to determine whether or not the reason was pretextual, thus making way for enforcement of the Fair Housing Law where appropriate and applicable.

The amendments would also make a failure to comply with the deadlines to act on an application an independent violation of the Fair Housing Law, punishable by fines. The proposed amendment also makes the statute of limitations for these violations clear, and removes the sunset provision from this law.

Your Committee is aware that this Honorable Board must comply with the requirements of the State Environmental Quality Review Act (“SEQRA”) and its implementing regulations. *See* Title 6, Part 617 of the New York Code Rules and Regulations (N.Y.C.R.R.). The Department of Planning has reviewed the applicable SEQRA regulations,

and has concluded that this proposed Local Law is not an action which requires any environmental review. Your Committee concurs in this conclusion.

In light of all of the foregoing, your Committee recommends the adoption of this Local Law in order to deter discriminatory housing practices.

PURPOSE OR GENERAL IDEA OF BILL: Amend A Local Law to require cooperative housing corporation board of directors to provide a reason for a denial of a potential buyer of a unit in the denial letter.

INTENT: To provide prevent the discrimination of a seller or potential buyer of a cooperative unit for unlawful reasons.
