

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of an amended bond act (“Consolidated Bond Act for SNY95”) in the total amount of \$20,800,000 which includes \$3,800,000 in previously authorized bonds of the County of Westchester (“County”) to finance Capital Project SNY95 – Pumping Station Rehabilitation Program – North Yonkers SSD (“SNY95”). The Consolidated Bond Act, which was prepared by the law firm Norton Rose Fulbright, is required to finance the costs of design, construction management, and construction for the rehabilitation of the Hastings, Dobbs Ferry, Alexander Street, and Irvington Pumping Stations, and the lining and rehabilitation of the influent sewer to the Hastings Pumping Station, in the North Yonkers Sanitary Sewer District. The Consolidated Bond Act for SN95 represents a \$17,000,000 increase to the financing amount previously authorized for SNY95.

The Department of Environmental Facilities (“Department”) has advised that with respect to SNY95, equipment in the above-referenced pumping stations has reached the end of its useful life. In 2020, during the County’s Capacity, Management, Operations and Maintenance (“CMOM”) inspection program which involves closed-circuit television inspection, the influent sewer into the Hastings Pumping Station was found to be in poor condition and subject to extensive inflow and infiltration. SNY95 will rehabilitate the County trunk sewer to eliminate the inflow and infiltration and to prepare the sewer to accept flow.

Design for SNY95 is currently being undertaken by consultants and is expected to be completed by the end of the second quarter of this year. It is estimated that construction will take 24 months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance SNY95 as indicated in the annexed fact sheet and as follows:

Bond Act No. 125-2017 in the amount of \$900,000 to finance design and construction management costs for the rehabilitation, including flood hazard mitigation measures of the Hastings Pumping Station in connection with SNY95; Bond Act No. 221-2019 in the amount of \$800,000 to finance design and construction management costs for the rehabilitation of the Dobbs Ferry Pumping Station in connection with SNY95; Consolidated Bond Act No. 211-2021 which authorized bonding in an aggregate amount of \$5,900,000 for design and construction management costs for various projects (SNY95, SOS07, SPC11, SPK23, SPK26, SY044, SY045 and SY053) in various districts. Of the aggregate amount authorized by Bond Act No. 211-2021, \$600,000 was allocated to finance design and construction management costs for the lining and rehabilitation of the influent sewer to the Hastings Pumping Station in the North Yonkers Sanitary Sewer District for SNY95; and Consolidated Bond Act No. 134-2022 which authorized bonding in an aggregate amount of \$4,300,000 for design and construction management costs for various projects (SNY95, SM095, SNR95 and SPK95) in various districts. Of the aggregate amount authorized by Bond Act No. 134-2022, \$1,500,000 was allocated to finance design and construction management costs for the rehabilitation of the Alexander Street and Irvington Pumping Station, in the North Yonkers Sanitary Sewer District for SNY95. These bonds have not been sold. Accordingly, it is now requested that the above-mentioned Bond Acts be amended and consolidated to include work associated with the construction phase of SNY95, to increase the total amount authorized by \$17,000,000, for a new total aggregate amount of \$20,800,000, and to increase the period of probable usefulness of said bonds.

The Planning Department has advised your Committee that based on its review, SNY95 has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Consolidated Bond Act. Your Committee recommends the adoption of the proposed Consolidated Bond Act.

ACT NO. 82 - 2023

BOND ACT DATED May 15, 2023.

BOND ACT AUTHORIZING THE ISSUANCE OF \$20,800,000 BONDS OF THE COUNTY OF WESTCHESTER, NEW YORK, TO PAY THE DESIGN, CONSTRUCTION MANAGEMENT AND CONSTRUCTION COSTS FOR THE REHABILITATION OF THE HASTINGS, THE DOBBS FERRY, ALEXANDER STREET AND IRVINGTON PUMPING STATIONS AND THE REHABILITATION OF THE NORTH YONKERS LOW LEVEL TRUNK SEWER, FOR THE BENEFIT OF THE NORTH YONKERS SANITARY SEWER DISTRICT, SUPERSEDING BOND ACT NOS. 125-2017 AND 221-2019 AND CONSOLIDATING CERTAIN PORTIONS OF BOND ACT NOS. 211-2021 and 134-2022 HEREIN.

WHEREAS, the Board previously authorized the issuance of \$900,000 bonds to finance design and construction management costs for the rehabilitation, including flood hazard mitigation measures, of the Hastings Pumping Station for the benefit of the North Yonkers Sanitary Sewer District (the "District") pursuant to Act No. 125-2017, adopted July 17, 2017; and

WHEREAS, the Board previously authorized the issuance of \$800,000 bonds to finance design and construction management costs for the rehabilitation of the Dobbs Ferry Pumping Station for the benefit of the District pursuant to Act No. 221-2019, adopted October 21, 2019; and

WHEREAS, the Board previously authorized the issuance of \$600,000 bonds to finance design and construction management costs for the lining and rehabilitation of the influent sewer to the Hastings Pumping Station in the North Yonkers Sanitary Sewer District pursuant to a consolidated bond act (Act No. 211-2021, adopted November 22, 2021), which provided for an aggregate \$5,900,000 for design and construction management costs for various projects (SNY95, SOS07, SPC11, SPK23, SPK26, SY044, SY045 and SY053) in various districts; and

WHEREAS, the Board previously authorized the issuance of \$1,500,000 bonds to finance design and construction management costs for the rehabilitation of the Alexander Street and Irvington Pumping Station, in the North Yonkers Sanitary Sewer District pursuant to a consolidated bond act (Act No. 134-2022, adopted October 3, 2022), which provided for an aggregate \$4,300,000

for design and construction management costs for various projects (SNY95, SM095, SNR95 and SPK95) in various districts; and

WHEREAS, no obligations have been issued under Act Nos. 125-2017, 221-2019, 211-2021 and 134-2022; and

WHEREAS, it has now been determined that (i) it would be beneficial to combine the objects or purposes described in Act Nos. 125-2017, 221-2019, 211-2021 and 134-2022 relating to project SNY95 and to further expand the scope to include construction costs for the rehabilitation of the Hastings, Dobbs Ferry and Alexander Street and Irvington Pumping Stations and the rehabilitation of the North Yonkers Low Level Trunk Sewer, in and for the District, and (ii) the period of probable usefulness of the combined class of objects or purposes shall be thirty years pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law and (iii) the estimated maximum cost for such combined class of objects or purposes shall be \$20,800,000, an increase of \$17,000,000; and

WHEREAS, \$20,800,000 has been appropriated in the Capital Budget of the County for the aforesaid class of objects or purposes; and

WHEREAS, the plan for the financing of the estimated maximum cost of such capital purpose, as hereinafter set forth in this Bond Act, is in conformity with such capital budget; and

WHEREAS, all other conditions precedent to the financing of the capital project hereinafter described, including compliance with the provisions of the State Environmental Quality Review Act, to the extent required, have been performed; and

BE IT ENACTED by the County Board of Legislators of The County of Westchester, New York (the "County") (by the affirmative vote of not less than two-thirds of the entire voting strength of said Board), as follows:

Section 1. For the class of objects or purposes of financing the cost of the design, construction management and construction costs for the rehabilitation of the Hastings, Dobbs Ferry and Alexander Street and Irvington Pumping Stations and the rehabilitation of the North Yonkers Low Level Trunk Sewer, including incidental expenses in connection therewith, there are hereby

authorized to be issued \$20,800,000 bonds of said County pursuant to the provisions of the Local Finance Law.

To the extent that the details of the aforesaid class of objects or purposes set forth in this Bond Act are inconsistent with any details set forth in the current Capital Budget of the County, such Budget shall be deemed and is hereby amended to the extent inconsistent herewith.

Section 2. It is hereby determined that the estimated maximum cost of the aforesaid class of objects or purposes is \$20,800,000, and that the plan for the financing thereof is by the issuance of the \$20,800,000 bonds of said County authorized to be issued pursuant to this Bond Act.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is thirty years pursuant to subdivision four of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Commissioner of Finance, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance, consistent with the provisions of the Local Finance Law.

Section 5. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. To the extent not paid from the assessment of properties assessable for this purpose in the County's North Yonkers Sanitary Sewer District, or other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations, as the same become due and payable.

Section 6. Such bonds shall be in fully registered form and shall be signed in the name of the County by the manual or facsimile signature of the Commissioner of Finance and a facsimile of the corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the County Clerk.

Section 7. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the Commissioner of Finance, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as said Commissioner of Finance shall deem best for the interests of the County; including, but not limited to, the power to sell said bonds to the New York State Environmental Facilities Corporation; provided, however, that in the exercise of these delegated powers, the Commissioner of Finance shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the Commissioner of Finance shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 8. The Commissioner of Finance is hereby further delegated the power to authorize the sale and issuance of the bonds authorized pursuant to this Bond Act (a) at a discount in the manner authorized by paragraphs e and f of Section 57.00 of the Local Finance Law, (b) at private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, including the private sale of bonds at a premium, (c) as capital appreciation bonds or term bonds at public sale or private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, and (d) at a variable rate of interest in the manner authorized by Section 54.90 of the Local Finance Law, including notes issued in anticipation thereof. The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance

Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. The power to issue and sell notes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to the Commissioner of Finance. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 10. The Commissioner of Finance is hereby further authorized, at the Commissioner of Finance's sole discretion, to execute a project finance agreement, and any other agreements with the New York State Department of Environmental Conservation and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the class of objects or purposes described in Section 1 hereof, or a portion thereof, by a bond, and, or note issue of said County in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said bonds (and if said bonds are to be executed in the name of the County by the facsimile signature of the Commissioner of Finance, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, denominations, maturities and interest payment dates, place or places of payment,

and also including the consolidation with other issues, shall be determined by the Commissioner of Finance. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

Section 13. The validity of such bonds and bond anticipation notes may be contested only if:

(1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or

(2) The provisions of law which should be complied with at the date of publication of this Bond Act are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

(3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. This Bond Act shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150 - 2. Other than as specified in this Bond Act, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 15. This Bond Act, which shall take effect immediately in accordance with the provisions of Section 33.10 of the Local Finance Law and as provided in Section 107.71 of the Westchester County Charter, shall be published in summary form in the official newspaper of said

County for purposes of this Bond Act, together with a notice of the Clerk of the Board of Legislators in substantially the form provided in Section 81.00 of the Local Finance Law.

Expended/Obligated Amount (in thousands) as of : 2,772

Current Bond Description: Construction funding for the rehabilitation of the Hastings Pumping Station, including the influent sewer to the pumping station known as the North Yonkers Low Level Trunk Sewer, and the Dobbs Ferry Pumping Station. The work required in the pumping stations includes the replacement or repair of all mechanical, plumbing, fire protection, HVAC, odor control, electrical, instrumentation, structural, and architectural systems. This includes, but is not limited to, bar screens, pumps, piping and valves, gas and fire detection equipment, odor control equipment, conduit and wire, lighting, electrical distribution equipment, emergency generator, control panels, floors, walls, windows, and roofs. Flood Hazard Mitigation will also be addressed as recommended in a prior Vulnerability Assessment Study, including, but not limited to, the installation of a water tight flood walls, doors and hatches, and the sealing of building penetrations. The rehabilitation of the North Yonkers Low Level Trunk Sewer will consist of lining the existing piping and the structural rehabilitation and waterproofing of the existing manholes.
