Mr. John Woolley, Jr., P.E.
21 Deerfield Lane S
Pleasantville, NY 10570

Dear Mr. Woolley,

It is my pleasure to appoint you to serve as a member of the Westchester County Airport Advisory Board effective today, Friday, March 31, 2023. This appointment is for a term to expire on December 31, 2023.

Your appointment is subject to confirmation by the Westchester County Board of Legislators, but your service begins immediately. You must complete the attached Oath of Office within 30 days, either by appearing at the County Clerk's office or mailing the signed and notarized form to our office.

When you have filed your Oath of Office, a Resolution to confirm your appointment will be submitted to the County Board of Legislators. As part of the confirmation process, you may be called before the Board to be interviewed. Please contact the Department of Public Works & Transportation at (914) 995-2548 for the date, place, and time of the board's upcoming meeting for your participation.

Pursuant to Local Law, as a member of a Westchester County Board and/or Commission, you are responsible for adhering to the requirements of our Code of Ethics.

Warmest wishes for a successful tenure.

Very Truly Yours,

George Latimer
Westchester County Executive

Bio

JJ Woolley is a licensed professional engineer and ADCI-certified diver with over 12 years of underwater inspection and design experience consisting of bridges, bulkheads, platforms, barges, floating docks, fender systems and wastewater treatment plants consisting of steel, timber and concrete construction. He has managed and participated in commercial diving and construction operations for clients such as the NYSDOT, CTDOT, NYCEDC, PANYNJ, BPCA and NYCDOT. JJ's project experience consists of a wide array of assignments that have included hydrographic survey and dredge plan development, waterfront inspections, bulkhead construction, grading and site projects, roadway reconstruction, marine fender construction, and structural and protective pile encasements. Specialties include marine / waterfront construction, analysis, and design of waterfront structures, routine inspections, underwater construction inspections, and resident engineering.

JJ grew up on the Jersey Shore and moved to Manhattan in 2017 when he was working as a project manager in and around New York City. JJ moved to Pleasantville/ Mount Pleasant with his wife, Hannah in May 2020, and they have loved the town since then. Since, they have welcomed two daughters to their home, and they look forward to being involved members of the community, and preserving the peace and quiet that they loved, moving here when travel was substantially decreased due to the pandemic.

PROFESSIONAL WORK HISTORY SUMMARY:

Senior Engineer/ Professional-Engineer Diver/ Team Leader, McLaren Engineering Group, Woodcliff Lake, NJ; September 2018 to Present; Manage projects involving inspection, maintenance repairs, and marine construction throughout the United States. I lead a team of 6 divers and engineers to execute projects, maintain commercial diving equipment, commercial vessels, and survey equipment. Additional responsibilities include regular coordination of staff First Aid certification, serving as bridge inspection team leader for infrastructure inspections, and licensed vessel operator.

Project Manager; Walker Diving Underwater Construction, LLC, Hammonton, NJ/ New York, NY; July 2016 to September 2018; Communicate and collaborate with one other project manager to

directly oversee operations on diving projects and bidding for the northern New Jersey and New York City vicinity. Responsibilities include daily project direction, material procurement and inventory, contractor- client communication, reports, and estimation of underwater inspections, pile encasement projects, among others.

Assistant Project Manager; Walker Diving Underwater Construction, LLC, Hammonton, NJ/ New York, NY; June 2013 to June 2016; Assisted senior project management in bidding, management, and execution of long-term lump sum projects, and direct project management of smaller single-day to single-week diving projects. Project types included call-out diving projects at wastewater treatment plants, routine inspections and cleanings, and buoy removal and replacement.

Design Engineer/Diver, Birdsall Services Group, Inc., Eatontown, NJ; June 2010 to June 2013; Worked as part of a dynamic team to complete a wide array of projects to include hydrographic survey and dredge plan development, waterfront inspections, bulkhead construction, grading and site projects, roadway reconstruction, and marina reconfiguration. Performed underwater investigations and structural inspections of bridges, bulkheads, platforms and barges.

Cc: Smith, Tracy
Subject: Nancy Barr CV

Nancy E. Barr (Vice Chair)

DISTRICT 6
Harrison, Rye Brook, Port Chester

Nancy Barr is in her third two-year term as County Legislator representing District 6, comprised of Port Chester, Rye Brook and Harrison, and was privileged to be elected by her colleagues in January 2022 to serve as Vice Chair of the Board. This is the first time in the Board's history that both Chair and Vice Chair positions are held by women.

As Vice Chair, Legislator Barr brings an acute awareness of the challenges faced by our County and its residents, a collaborative, forward-looking mind-set with a focus on building relationships, and honed problem-solving skills to meet these challenges with innovative solutions.

Vice Chair Barr is committed to addressing climate change, storm mitigation and infrastructure improvements. She also prioritizes responsible development to benefit Westchester's economy, protect small businesses and provide affordable housing. Quality of life issues such as protecting workers' rights and equal rights for Westchester residents, increasing access to childcare, healthcare and mental health services, and improving Westchester's treasured parks system are equally important.

Vice Chair Barr currently serves on all Board committees, is Vice Chair of the Board's Environment, Energy & Climate Committee, Co-Chair of the Families Task Force, and BOL liaison to the County's Airport Advisory Board. In her prior term, she was Chair of the Committee on Law and Major Contracts and Vice-Chair of Planning, Economic Development and Energy. She is also past Chair of the Committee on Environment and Health.

Legislator Barr has followed through on her commitment to help Westchester families by introducing and voting for legislation designed to protect the health, safety and economic well-being of the County and its residents. This legislation includes the Immigration Protection Act, the Wage History Discrimination Act, and laws banning gun shows on County property, spurring the hiring of service-disabled veteran-owned businesses in County contracts, and raising the age for sales of tobacco and vaping products from 18 to 21. Legislator Barr co-sponsored the County's expanded polystyrene (aka Styrofoam) ban and lobbied strongly for Westchester County to take a role in helping municipalities make food scrap recycling affordable and composting accessible. Legislator Barr was also instrumental in creating the People with Disabilities Advisory Committee. For more on Legislator Barr's role in shaping County policy and helping her constituents, see her annual newsletters below.

As the current Vice President of the Council of Community Services of Rye Town, Port Chester and Rye Brook, a non-profit organization whose mission is to bring together local leaders and stakeholders to assess and meet the needs of the community, Vice Chair Barr has worked hard to find solutions to community challenges via advocacy and mobilization.

Prior to becoming County Legislator, Ms. Barr volunteered in the community for many years. She served on the Blind Brook School Board for six years, including as President and Vice President, on several school district committees, and coordinated meals for Blind Brook/St. Peter's Soup Kitchen in Port Chester for over a decade while her children were growing up. During these years, she joined the Board of the Council of Community Services, which gave her insight into the problems faced by residents in the area.

After earning her Bachelor of Arts from Colgate University, Ms. Barr worked for the American Kennel Club in their Education and Public Affairs department. She later graduated from Yale Law School where she volunteered in the Yale Law Immigration Clinic. She spent a summer at the New York Civil Liberties Union (NYCLU) Children's Rights Project. Before moving to Westchester, Vice Chair Barr was a Trusts and Estates attorney at the Manhattan law firm Milbank Tweed Hadley and McCloy.

Ms. Barr was born in Queens and grew up in Stony Brook, Long Island. She and her husband Tom Kratochvil have lived in Rye Brook since 1996 and have two adult children.

Follow Westchester County

[Facebook](#) - [Twitter](#) - [Youtube](#) - [Instagram](#)

Westchester County, located in the heart of the historic Hudson Valley, covers 500 square miles and has a population of over a million. Originally home to Native Americans, who were members of the Lenape tribe, it is today a rich mix of many cultures and landscapes. The County is a blend of bustling cities, quaint villages and picturesque towns as well as open spaces and a network of beautiful parks. Westchester is made up of 6 cities, 19 towns and 20 villages. Westchester County is known for top-notch public schools, and a high quality of life. The County is also an intellectual capital, boasting a highly educated workforce, competitive colleges and universities, Fortune 500 companies, world changing non-profits, and cutting-edge research centers. Westchester is led by County Executive George Latimer, who took office in January 2018 as the ninth County Executive. Using inclusion and openness as a foreground, Latimer is fighting to make Westchester a destination for all people to live, work and enjoy.
