

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of an amended bond act (the “Consolidated Bond Act”) of the County of Westchester (“County”), authorizing the issuance of bonds in the total amount of \$2,900,000 to finance Capital Project RB04C – Lincoln Avenue Bridge Over Blind Brook, Rye Brook (“RB04C”).

The Consolidated Bond Act, which was prepared by the law firm of Hawkins, Delafield and Wood, LLP, would finance the cost of design, construction management and construction associated with the rehabilitation of the Lincoln Avenue Bridge in Rye Brook, including the replacement of the concrete deck, painting of all existing steel members and associated work. The proposed Consolidated Bond Act, in the amount of \$2,900,000, represents an increase of \$2,475,000 for construction and construction management costs and includes \$425,000 previously authorized for RB04C under Bond Act No. 23-2021.

The Department of Public Works and Transportation (the “Department”) has advised that this bridge, which has an annual daily traffic count (“AADT”) of 4,240, is in need of rehabilitation to maintain a safe roadway for the traveling public. In 2023 the New York State Department of Transportation gave the bridge a condition rating of 4.56 and the bridge has continued to deteriorate. This rating system, using a scale of 1 (“hazardous”) through 7 (“new”), is a weighted average of the condition of an evaluated bridge. A rating below 5 indicates that a bridge requires work and delay of this work could result in the continued deterioration of the bridge.

Design is currently being undertaken by consultants and is expected to be completed by the end of the third quarter of 2024. It is estimated that construction will take twelve (12) months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance RB04C as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, RB04C may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Consolidated Bond Act. Your Committee recommends the adoption of the proposed Consolidated Bond Act.

(b) the provisions of law which should be complied with at the date of the publication of this Act or a summary hereof, are not substantially complied with,

and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or
