This will confirm my request that the Board of Legislators allow submission of the referenced communication to be submitted to the Board of Legislators May 20, 2024 Agenda.

Transmitted herewith for your consideration and approval is an Act which, if adopted, would authorize the County of Westchester (the “County”), acting by and through both its Department of Health (“DOH”) and its Department of Laboratories and Research (“DLR”), to enter into an agreement with the Westchester County Health Care Corporation (“WCHCC”) whereby WCHCC would provide post-exposure evaluation and follow-up medical services to employees of both the DOH and DLR for potential exposure to bloodborne pathogens (the “Agreement”).

Therefore, since this communication is of the utmost importance, it is respectfully submitted that the County Board of Legislators accepts this submission for May 20, 2024 “blue sheet” calendar.

Thank you for your prompt attention to this matter.

Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Honorable Members of the Board of Legislators:

Transmitted herewith for your consideration and approval is an Act which, if adopted, would authorize the County of Westchester (the "County"), acting by and through both its Department of Health ("DOH") and its Department of Laboratories and Research ("DLR"), to enter into an agreement with the Westchester County Health Care Corporation ("WCHCC") whereby WCHCC would provide post-exposure evaluation and follow-up medical services to employees of both the DOH and DLR for potential exposure to bloodborne pathogens (the "Agreement").

The Agreement with the WCHCC would be for the term June 1, 2024 through May 31, 2029. The County would pay a fee not to exceed Twenty-two Thousand Five Hundred (\$22,500.00) Dollars for the five-year term of the Agreement, pursuant to an approved rate schedule. It should be noted that WCHCC has been providing these services to the County since 1999 and the current Agreement will expire on May 31, 2024.

As you know, Section 3307(4) of the New York Public Authorities Law requires the approval of your Honorable Board and the Board of Acquisition and Contract for this agreement.

Both the Commissioner of Health and the Pathologist/Deputy Medical Examiner have approved the material terms of the proposed Agreement and determined that the amount specified is fair and reasonable. Based upon the foregoing, I recommend approval of the attached legislation.

Sincerely,

George Latimer
Westchester County Executive

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive requesting that your Honorable Board authorize the County of Westchester (the “County”), acting by and through both its Department of Health (“DOH”) and its Department of Laboratories and Research (“DLR”), to enter into an agreement with the Westchester County Health Care Corporation (“WCHCC”) whereby WCHCC would provide post exposure evaluation and follow-up medical services to employees of both DOH and DLR for potential exposure to bloodborne pathogens for the term June 1, 2024 through May 31, 2029. The County would pay a fee not to exceed Twenty-two Thousand Five Hundred (\$22,500.00) Dollars for the five-year term of the agreement, pursuant to an approved rate schedule. Your Committee notes that WCHCC has been providing these services to the County since 1999 and the current agreement will expire on May 31, 2024.

The Planning Department has advised that the proposed agreement does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. As such, no environmental review is required. Please refer to the memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators.

Your Committee has been advised that Section 3307(4) of the New York Public Authorities Law requires the approval of your Honorable Board and the Board of Acquisition and Contract for this agreement. Pursuant to that section, said approval of the Board of Legislators must be by an affirmative vote of not less than a majority of the voting strength of the Board.

Your Committee has carefully considered and recommends approval of the proposed Act.

Section 1. The County of Westchester is hereby authorized to enter into an agreement with the Westchester County Health Care Corporation (“WCHCC”) for a term commencing June 1, 2024 through May 31, 2029 whereby the WCHCC shall provide post exposure evaluation and follow-up medical services to employees of both the Department of Health and the Department of Laboratories and Research for potential exposure to bloodborne pathogens. §2. The County Executive or his authorized designee is hereby authorized and empowered to execute all instruments and to take all action necessary and appropriate to effectuate the purposes hereof.

§3. This Act shall take effect immediately.

THIS AGREEMENT, made the ____ day of _____, 2024 by
and between

THE COUNTY OF WESTCHESTER, , a municipal corporation of the State
of New York, having an office and place of business in the Michaelian Office
Building, 148 Martine Avenue, White Plains, New York 10601,

(hereinafter referred to as the "County")

acting by and through its Department of Health ("DOH") and Department of
Labs and Research ("DLR")

and

WESTCHESTER COUNTY HEALTH CARE CORPORATION, a public
benefit corporation of the State of New York, having an office and principal
place of business at 100 Woods Road, Valhalla, New York 10595,

(hereinafter referred to as the "Corporation")

WITNESSETH:

WHEREAS, the County desires to obtain services from the Corporation whereby
the County, acting by and through its DOH and its DLR will refer DOH and DLR employees for
post exposure evaluation and follow-up medical services for potential exposure to bloodborne
pathogens; and

WHEREAS, the Corporation desires to provide such services for the compensation
and on the terms herein provided.

NOW, THEREFORE, in consideration of the terms and conditions herein
contained, the parties agree as follows:

FIRST: The Corporation shall furnish services to DOH and DLR employees
referred by the County for post exposure evaluation and follow-up medical services for potential
exposure to bloodborne pathogens in accordance with Schedule "A", which is attached hereto
and made a part hereof.

SECOND: For the services rendered pursuant to Paragraph "FIRST", the Corporation shall be paid on a per patient basis at no more than the then current Worker's Compensation rates. If, for any reason, Worker's Compensation does not cover any or all of the services, the Corporation shall be paid on a per patient basis according to the rates listed in Schedule "B" (Occupational Health Center encounter form). The total amount payable pursuant to this Agreement shall not exceed Twenty-two Thousand Five Hundred (\$22,500.00) Dollars. The Corporation may refuse to provide services in the event the County of Westchester does not pay for services rendered within 60 days of receipt of an invoice.

Any and all requests for payment made by the Corporation, including any request for partial payment made in proportion to the work completed, shall be submitted by the Corporation on properly executed payment vouchers of the County and shall be submitted on a monthly basis not later than the 15th day of the month following the month in which the work was performed by Corporation and paid only after approval by the Commissioner of Health of the County of Westchester ("DOH Commissioner") and/or approval by the Pathologist/Deputy Medical Examiner of the Department of Labs and Research of the County of Westchester ("Medical Examiner"), which approvals shall not be unreasonably withheld. In no event shall final payment be made to the Corporation prior to completion of all professional services, the submission of reports, if any, and the approval of same by the DOH Commissioner and/or the Medical Examiner.

All payment vouchers must be accompanied by a numbered invoice and must contain the invoice number where indicated. All invoices submitted during each calendar year shall utilize sequential numbering and be non-repeating. The Corporation shall attach to each payment voucher an Occupational Health Center encounter form, a sample form of which is attached hereto as Schedule "B".

Except as otherwise expressly stated in this Agreement, no payment shall be made by the County to the Corporation for out of pocket expenses or disbursements made in connection with the services rendered or the work to be performed hereunder.

Prior to the making of any payments hereunder, the County may, at its option, audit such books and records of the Corporation as are reasonably pertinent to this Agreement to substantiate the basis for payment. The County will not withhold payment pursuant to this paragraph for more than thirty (30) days after payment would otherwise be due pursuant to the provisions of this paragraph "SECOND", but the County shall not be restricted from withholding payment for cause found in the course of such audit or because of failure of the Corporation to cooperate with such audit. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one year following termination of this Agreement.

The Corporation shall use the monies paid by the County under this Agreement to pay the Corporation's costs for providing the health care services required under paragraph 1 of this Agreement (including staff salaries), before such funds are used for any other purpose. The Corporation shall provide the DOH Commissioner and/or the Acting Medical Examiner with a semi-annual accounting to verify that the money has been spent in this manner, unless services are being denied, in which case the County may cease payment until an accounting is provided. In addition, the County, if it desires an accounting on a more frequent basis, may have access to the relevant books and records of the Corporation upon reasonable notice in order to conduct its own audit of such payment and expenses, provided that the same is done at the County's sole cost and expense.

The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. County shall not request services if County has not appropriated funds for such services. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The

County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Corporation, then the Corporation shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Consultant, then the Consultant shall have the right to terminate this Agreement upon reasonable prior written notice.

THIRD: The term of this Agreement shall commence on June 1, 2024 and shall expire on May 31, 2029.

The Corporation shall properly maintain medical records relative to the services rendered for which compensation is to be paid by the County pursuant to the terms of this Agreement, which shall include, but not be limited to, the following:

1. Date
2. Names of employees rendering service
3. Nature of service rendered
4. Required time expended.

FOURTH: The Corporation shall immediately inform the DOH Commissioner and/or Medical Examiner in writing of any cause for delay in the performance of its obligations under this Agreement.

FIFTH: This Agreement shall terminate in the event that either party is in default in the performance of or compliance with any of the material covenants, terms or conditions of this Agreement, and if the breaching party shall fail to cure such default within thirty (30) days after written notice is served by the non-breaching party specifying such default and the non-breaching party's intent to terminate this Agreement or shall, in the case of a default not susceptible of being cured within such thirty (30) day period, fail to commence to cure the default within such thirty (30) day period and diligently and continuously pursue same to completion. It is the intention of the parties, in connection with a default not susceptible of being cured with due diligence within such thirty (30) day period (subject to Unavoidable Delays as defined in the Cooperation Agreement between the parties dated December 15, 2008), that the time within which the breaching party must cure the same shall be extended for such period as may be necessary to complete the same with all due diligence, provided that the breaching party, within such thirty (30) day period, shall give the non-breaching party notice describing the proposed cure along with an explanation as to why such cure cannot be completed within thirty (30) days, and that the breaching party intends to proceed with due diligence to cure such default, has commenced taking steps to effect such cure, and has provided an anticipated date for completion of the cure.

SIXTH: The County shall be entitled to copies of all records compiled by the Corporation in completing the work described in this Agreement, including but not limited to written reports, studies, drawings, blueprints, negatives of photographs, computer printouts, graphs, charts, plans, specifications and all other similar recorded data, unless otherwise prohibited by law.

SEVENTH: Any purported delegation of duties or assignment of rights under this Agreement without the prior express written consent of the County is void. All work performed by a sub-contractor shall be deemed work performed by the Corporation.

EIGHTH: The Corporation shall comply with all rules, regulations and licensing requirements pertaining to the services that it will provide under this Agreement.

NINTH: The Corporation expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Corporation acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

TENTH: The parties shall comply with all applicable laws, rules and regulations pertaining to confidential information. All referrals will be sent with a release of records request, completed by the patient, to the Corporation to report back to the County following evaluation.

The Corporation expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Corporation acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

ELEVENTH: The Corporation shall defend, indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorneys' fees or loss arising directly out of the acts or omissions hereunder by the Corporation or third parties under the direction or control of the Corporation. There are several advantages to having your payments automatically deposited into your designated bank account via EFT:

Payments are secure – Paper checks can be lost in the mail or stolen, but money deposited directly into your bank account is more secure.

You save time – Money deposited into your bank account is automatic. You save the time of preparing and delivering the deposit to the bank. Additionally, the funds are immediately available to you.

2. ARE MY PAYMENTS GOING TO BE PROCESSED ON THE SAME SCHEDULE AS THEY WERE BEFORE VENDOR DIRECT?

Yes.

3. HOW QUICKLY WILL A PAYMENT BE DEPOSITED INTO MY ACCOUNT?

Payments are deposited two business days after the voucher/invoice is processed. Saturdays, Sundays, and legal holidays are not considered business days.

4. HOW WILL I KNOW WHEN THE PAYMENT IS IN MY BANK ACCOUNT AND WHAT IT IS FOR?

Under the Vendor Direct program you will receive an e-mail notification two days prior to the day the payment will be credited to your designated account. The e-mail notification will come in the form of a remittance advice with the same information that currently appears on your check stub, and will contain the date that the funds will be credited to your account.
