HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act ("Bond Act") in the amount of \$5,300,000, to authorize the County of Westchester ("County") to finance capital project A0147 – Terminal Systems Infrastructure ("A0147") for 2024.

Your Committee is advised that the Bond Act, prepared by the law firm of Hawkins Delafield & Wood, LLP, would fund the replacement of end of life/obsolete software and computer components for the Baggage Handling system; and the purchase and installation of a dedicated emergency generator to support business continuity at the terminal.

The Department of Public Works and Transportation has advised that this project addresses terminal infrastructure that requires replacement or rehabilitation due to end of useful life, evolving security requirements and technology needs, and/or environmental enhancements.

Following bonding authorization, design will be scheduled and is anticipated to take eight (8) months to complete for both projects. The baggage handling system design will be performed by BNP Associates, Inc., the proprietary design and operator. The emergency generator design will be performed by a consultant. Construction for both projects is estimated to take twelve (12) months and will begin after award and execution of the construction contracts.

Your Committee is advised that that the County Budget Department is submitting this Bond Act to your Honorable Board simultaneously with the proposed 2024 Capital Budget. It is the County's goal to submit this Bond Act now so that the referenced project will be ready to proceed without delay in early 2024.

The Planning Department has advised your Committee that based on its review, the above referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of this Honorable Board is required in order to adopt the Bond Act.

Your Committee has carefully considered the proposed Bond Act, and recommends approval of same.
