

(BOND) ACT 260 - 2025

BCR63 (Unique ID# 3044)

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmission from the County Executive recommending approval by the County of Westchester ("County") of an amended bond act ("Amended Bond Act") which, if adopted, will authorize the County to issue up to \$925,000.00 in additional bonds of the County to finance capital project BCR63 (3044) - Post 2 Entrance Gate Booth ("BCR63").

The Amended Bond Act in the total amount of \$1,050,000.00 was prepared by the law firm Hawkins, Delafield & Wood LLP and includes \$125,000.00 in previously authorized bonds of the County. The Bond Act would finance the construction of the replacement of the existing Post 2 entrance booth for the Department of Corrections ("Department"), including the preparation of preliminary plans and specifications and associated work such as plumbing, electrical, and exterior improvements.

Your Committee is advised that the existing booth must be replaced because it has been active for more than three decades and has developed a significant amount of rust in the floor framing and the steel floor plate. The plate floor has numerous patches spanning the rusted sections and these are unstable and failing. The rusting floor is also compromising the wall anchorage and the operation of the sliding doors.

Your Committee is further advised that plumbing, electrical pipes, and conduit(s) require upgrades to ensure continued compliance with health, safety, and electrical codes. The new booth will be enlarged from 12'-0" to 13'-6", to allow room for computers, screens, and the new data/fiber racks for communications.

In addition to the structural concerns and technology upgrades, BCR63 upgrades and improves the safety of the entire booth structure by upgrading it to a ‘Ballistic Level 3’ protection capability. This protection level will allow the entire new booth to resist hand pistols of 9 mm and 0.357 caliber projectiles, and some 9 mm rifles. Currently, ‘Ballistic Level 3’ protection is limited only to the existing booth’s windows.

BCR63 also includes replacement of the existing booth’s two outdated and malfunctioning ‘traffic control’ gates with related ‘induction loops’ in the roadway to provide reliable gate operation and updated control systems for the new booth’s automatic gates.

Your Committee is advised that the design phase for the project is currently being undertaken by in-house Department staff and is expected to be completed by the fourth quarter of 2025. Subsequently, the Department estimates that the construction phase will take six months to complete and will begin after award and execution of the construction contracts.

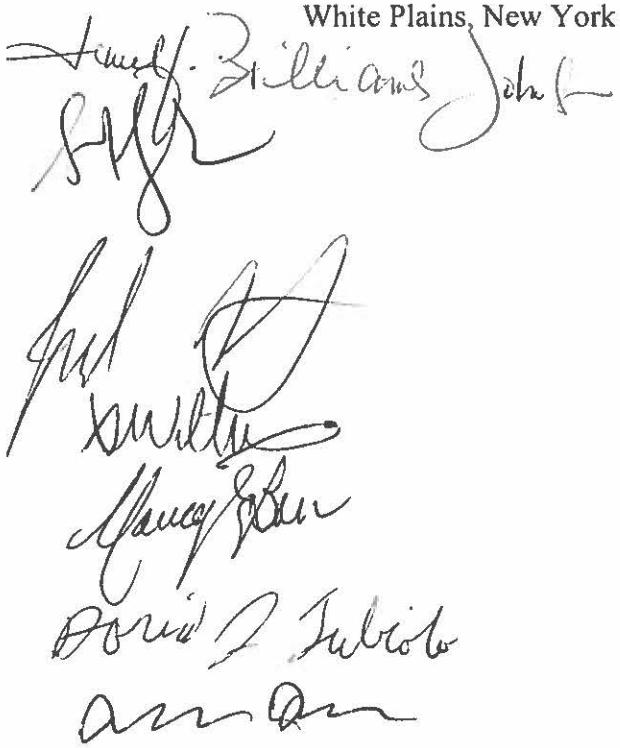

It should be noted that your Honorable Board has authorized the County to issue bonds for prior components of this capital project as follows: Bond Act No. 222 - 2024 in the amount of \$125,000.00, which financed the cost of design for the replacement of the existing Post 2 entrance booth for the Department. These bonds have not been sold. Accordingly, it is now requested that Bond Act No. 222 - 2024 be amended to increase the initial amount authorized by \$925,000.00, for a total authorized amount, as amended, of \$1,050,000.00, to revise the scope of Bond Act No. 222-2024 to include work associated with the construction phase of the project, and to increase the period of probable usefulness of said bonds.

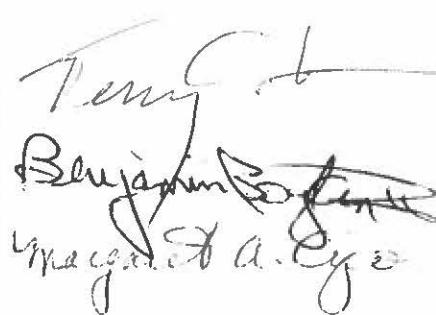

The Planning Department has advised your Committee that based on its review, BCR63 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act

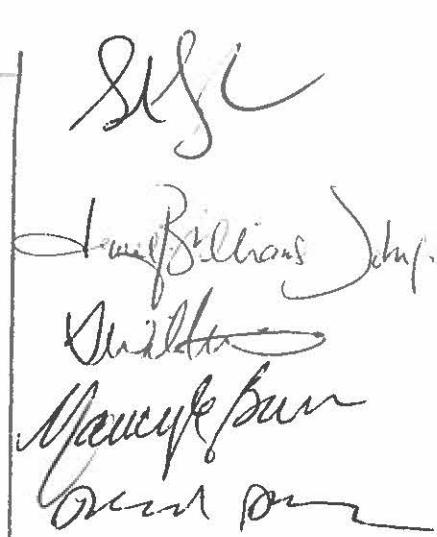

("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has carefully considered the Amended Bond Act, and recommends approval of the Amended Bond Act. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act.
