Hello. My name is Elio Giuliani.

I was born in Yonkers, NY, am a proud graduate of the Yonkers Public Schools, 1971, and Manhattan College, class of 1975 in Accounting.

I have been an owner and have lived at my apartment in West Harrison, NY for over 30 years. I am married and my smart wife and I live in the traditional section of West Harrison near the Mintzer Community Center, Passidomo Park and pool center, the West Harrison Public Library, St Anthony's church and the Preston elementary school.

I am now retired for nearly 3 years but I have over 40 years experience of managing contracts, analyzing expenses and bills, paying monthly billings for contracts and dealing with issues from my work in 6 major departments in Westchester County government as an accountant and fiscal manager in various titles as I advanced. My degree is in Accounting but I have performed a variety of important duties besides the fiscal and budgetary responsibilities of accounting. Some are discussed below.

I have experience in creating both Operating and Capital Project budgets, initiating and specifying contracts for services, working with in-house and consultant programmers, describing departmental needs to IT programmers, and testing IT applications prior to implementation. In such tasks I advocated for the needs of the departmental staff. I personally instructed several hundred employees, from all departments of Westchester County government, on the use of a new on-line financial, purchasing, grant, and capital project system in 1994. I was chosen to be web master for the Finance Department public website and internal intranet when the use of web browsers was newly invented in 1998.

In 2008, I was elected Treasurer of my Park Knoll Co-op apartment property in West Harrison, and, after my retirement in 2020, I was recently appointed to be a director and to again serve as a fiduciary and advocate for the interests of our 228 owners.

During my work career with Westchester County government I was also elected to the Executive Board, as Treasurer, of the CSEA 9200 union which represents the largest group of workers in Westchester government. I was active on the Newsletter, Website, Grievance, and Orientation Committees and was also on the Negotiation Team. In advocating for our members during my tenure on the CSEA Executive Board we both surveyed their concerns and issues via submitted surveys and by conducting many site visits to hear directly what issues and work problems were of concern. With the

Negotiation Team we obtained contract settlements for 4,000 families which were overwhelmingly approved by the voting membership in the union and ratified by the County Board of Legislators.

As a senior at this time, but still very active, I would greatly enjoy being part of the Westchester County government activities in being an advocate for our worthy senior citizens and would be honored to be part of the Council for Seniors if so chosen. Being active after retirement is one aspect of my life that is most rewarding.

Thank you

Elio Giuliani
