

ACT 137 - 2022

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive which, if adopted, would authorize the County of Westchester ("County") to change the name of a portion of Playland Parkway to John Carey Place.

John Carey passed away in October 2019 at the age of 95 after a long and distinguished career as a public servant in Rye, as well as an attorney, legal scholar and New York State Supreme Court Judge from 1988 until 1994. Renaming a portion of Playland Parkway would be an excellent recognition not only for its beautiful location near the water, but also as a way of honoring a man's lifelong commitment to his hometown of Rye that he loved so much

The portion of Playland Parkway that will be named for John Carey is more particularly described as, a section of the roadway known as Playland Parkway from Rye Beach Avenue, running along the beach and pool parking lot north to the intersection with the upper circle at Playland Park in Rye, New York.

The Westchester County Department of Parks, Recreation and Conservation fully believes it would be appropriate to rename a portion of Playland Parkway to John Carey Place and that it is the perfect location to honor such a distinguished person.

As your Committee knows, no action may be taken on the proposed legislation until the requirements of the New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617 ("SEQRA") have been satisfied. According to the Department of Planning, the proposal to change the name of a portion of Playland Parkway does not meet the definition of an action under SEQRA. As such, no environmental review is required. Your Committee concurs with this conclusion.

The proposed renaming is recognition of a person whose efforts have benefited all County residents. Therefore, your Committee recommends adoption of the annexed Act.
