

ACT 92 - 2023
(BOND) ACT 93 - 2023

Reference BPS35

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of an act, which, if adopted, will amend the County’s current-year capital budget (“Capital Budget Amendment”), as well as adoption of a related bond act (“Bond Act”) in the amount of \$285,000 prepared by the law firm Harris Beach, PLLC, to finance capital project BPS35 – Emergency Services Unit Truck (“BPS35”).

Your Committee is advised that the Capital Budget Amendment will amend the County’s current-year capital budget to increase the County share for BPS35 by \$35,000. The Department of Public Safety (“Department”) has advised that the Capital Budget Amendment is required because the cost of parts and materials has risen sharply since the original early 2021 estimate.

The Bond Act, in the amount of \$285,000, would finance the cost of acquisition of a new emergency services truck for the Department’s Special Operations Division.

The Department has advised that the Department has only one truck remaining for its daily patrol and Emergency Services Unit (“ESU”) deployments. The new truck was planned to replace an eight-year old vehicle, but that vehicle was recently damaged beyond repair in a motor vehicle accident. The ESU provided specialized support and equipment to other DPS units as well as other local municipalities. Members of the ESU are cross-trained in multiple disciplines for police, emergency medical care, HAZMAT and rescue work and the new emergency services truck will ensure continuous service.

Following bonding authorization, it is anticipated that it will take the Department approximately 12-18 months to acquire the new emergency services truck.

The Planning Department has advised your Committee that based on its review, BPS35 has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further

environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

The Planning Department has advised your Committee that the Planning Board has previously reviewed this project and issued a report, and that since there is no change in the scope of the work and this is simply a change in the financing plan, no further action by the Planning Board is necessary at this time.

Your Committee has carefully considered the proposed Capital Budget Amendment, as well as the related Bond Act, and recommends approval of both of the proposed Acts, noting that the Bond Act may only be enacted following adoption of the Capital Budget Amendment. It should also be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to amend the County's Capital Budget and to adopt the Bond Act.

The County Executive is requesting an amendment to the 2023 Capital Budget to modify the funding of the above project. Capital project BPS35 Emergency Services Truck will fund the purchase of an Emergency Services Unit truck that can be used for daily deployments in the Special Operations Division.

A Capital Budget Amendment in the amount of \$35,000 is being requested to provide additional funding to address increased costs for unanticipated items discovered during procurement. This project was classified as a PL1, project without physical planning aspects of concern to the Planning Board in the 2023 Report on the Capital Project Requests adopted July 5, 2022.

There are no changes to the physical planning aspects of this project as reviewed by the Board; therefore, no further action by your Board is necessary.
