Westchester County Board of Legislators 800 Michaelian Office Building White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of \$600,000 to finance the following capital project:

WCC91 – Technology Upgrade On-Campus 2017/18-2021/22 ("WCC91").

The Bond Act, in the amount of \$600,000 would finance the County's approximately 50% share of the cost of Phase III WCC91, including Academic Technology Initiatives, Desktop Virtual Growth, Fiber Cable Enhancements and digital signage replacement laptops, pc, phone, printer, scanner, server, switch, tape drive, ups, wireless which are mostly on a 5-year replacement cycle at Westchester Community College (the "College").

The College has advised that the amount appropriated for Phase III of WCC91 is \$1,200,000. This bond request in the amount \$600,000, represents the County's 50% share; New York State has approved funding for the remaining 50%.

Following receipt by the College of State funds and bonding authorization from the County, the College anticipates that the work will be completed within approximately 24 months. It is anticipated that installation will be accomplished by in-house staff.

It should be noted that your Honorable Board has previously authorized the County to issue bonds in connection with prior phases of WCC91 as indicated in the annexed fact sheet.

The Planning Department has advised that based on its review, WCC91 has been classified as a "Type II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Telephone: (914) 995-2900

Sincerely,

George Latimer County Executive
