Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is an amended bond act ("Amended Bond Act"), which, if adopted by your Honorable Board, would authorize the County of Westchester ("County") to issue additional bonds to finance the following capital project:

RBR07 – Bronx River Pathway Reconstruction ("RBR07").

The Amended Bond Act, in the total amount of \$11,130,000, which includes \$9,430,000 in previously authorized bonds of the County, would finance the cost of design, construction and construction management of improvements to the Bronx River Reservation pathway and related infrastructure from the Kensico Dam Plaza to Green Acres Avenue, including rehabilitation and improvements to all pathway infrastructure including pathway pavement, footbridges, railings, stone walls, site furnishings, signage, pavement markings, grading, drainage, planting and other associated site work.

The Department of Parks, Recreation and Conservation ("Department") has advised that recent market volatility in construction material supplies, combined with the site's remote location have led to significant construction cost increases. Additional funds are required to award the project to a contractor and to accommodate cost increases.

Design work was completed by in-house staff and consultants. It is estimated that construction will take eighteen months to complete and will begin after award and execution of construction contracts.

It should be noted that your Honorable Board has authorized the County to issue bonds for RBR07 as indicated in the annexed fact sheet and as follows: Bond Act No. 109-2025 in the amount of \$9,430,000 was authorized to finance the above-referenced scope of work. These bonds have not been sold. Accordingly, it is now requested that Bond Act No. 109-2025 be amended to increase the amount authorized by \$1,700,000, for a total authorized amount, as amended, of \$11,130,000.

Based on the importance of this project to the County, favorable action on the proposed Amended Bond Act is respectfully requested.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Jenkins', with a long, sweeping horizontal line extending to the right.

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmission from the County Executive recommending approval by the County of Westchester (“County”) of an amended bond act (“Amended Bond Act”) which, if adopted, will authorize the County to issue up to \$1,700,000 in additional bonds of the County to finance capital project RBR07 – Bronx River Pathway Reconstruction (“RBR07”).

The Amended Bond Act in the total amount of \$11,130,000 was prepared by the law firm Hawkins, Delafield & Wood, and includes \$9,430,000 in previously authorized bonds of the County. The Amended Bond Act would finance the cost of design, construction and construction management of improvements to the Bronx River Reservation pathway and related infrastructure from the Kensico Dam Plaza to Green Acres Avenue, including rehabilitation and improvements to all pathway infrastructure including pathway pavement, footbridges, railings, stone walls, site furnishings, signage, pavement markings, grading, drainage, planting and other associated site work.

The Department of Parks, Recreation and Conservation (“Department”) has advised that recent market volatility in construction material supplies, combined with the site’s remote location have led to significant construction cost increases. Additional funds are required to award the project to a contractor and to accommodate cost increases.

Design work was completed by in-house staff and consultants. It is estimated that construction will take eighteen months to complete and will begin after award and execution of construction contracts.

It should be noted that your Honorable Board has authorized the County to issue bonds for RBR07 as indicated in the annexed fact sheet and as follows: Bond Act No. 109-2025 in the amount of \$9,430,000 was authorized to finance the above-referenced scope of work. These bonds have not been sold. Accordingly, it is now requested that Bond Act No. 109-2025 be amended to increase the amount authorized by \$1,700,000, for a total authorized amount, as amended, of \$11,130,000.

The Planning Department has advised your Committee that based on its review, RBR07 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has carefully considered the Amended Bond Act, and recommends approval of the Amended Bond Act. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act.
