

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive requesting that this Honorable Board authorize the County of Westchester (the "County") amend an agreement with the Westchester County Health Care Corporation ("WCHCC") entered into on or about October 2, 2019, pursuant to which the County, through its Department of Laboratories and Research ("Department"), provides WCHCC with donor milk bank testing ("Agreement") in order to extend the term of the Agreement for a five (5) year period to a new expiration date of October 1, 2029, unless terminated by mutual consent or by either party on sixty (60) days prior written notice ("First Amendment").

Your Committee is advised that pursuant to the terms of the Agreement, the County, through the Department's microbiology lab, provides WCHCC with quantitative analysis of bacteria in mother's milk so that WCHCC can ensure that safe, pasteurized human donor milk is available for infant consumption. In consideration for services to be rendered, WCHCC shall pay the County the sum of ten (\$10.00) dollars per sample analyzed. The fee may be changed at the beginning of each calendar year by the Department with at least 60 days' advance written notice to WCHCC.

As this Honorable Board is aware, Section 3307(4) of the New York Public Authorities Law requires the approval of both this Honorable Board and the Board of Acquisition and Contract for this Agreement. Said approval of the Board of Legislators must be by an affirmative vote of not less than a majority of the voting strength of the Board.

The Planning Department has advised that agreements for medical services, including testing, do not meet the definition of an action under the New York State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 14, 2025, which is on file with the Clerk of your Honorable Board. Therefore, no further environmental review is required.

Your Committee has carefully considered and recommends approval of the proposed Act by your Honorable Board's majority vote.
