Westchester County Board of Legislators 800 Michaelian Office Building White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your consideration and approval is an Act which, if adopted, would authorize the County of Westchester ("County"), through its Department of Correction, to enter into an agreement with the Westchester County Health Care Corporation ("WCHCC") whereby WCHCC will provide, through its Occupational Health Center, medical consulting services necessary for satisfactory implementation of the Uniform Attendance Standards of the Department of Correction, including, without limitation, reviewing the medical status of employees to determine fitness for duty. The term of the agreement will be from January 1. 2021 through December 31, 2024. The County will pay WCHCC a not to exceed amount of Thirty Thousand (\$30,000.00) Dollars per year at the rates set forth in Schedules "A" and "B" attached to the Act submitted herewith, for a total aggregate amount not to exceed One Hundred Twenty Thousand (\$120,000.00) Dollars. The rates to be paid by the County will be capped at a 4% increase over what the County paid for the same services in the previous year. Both parties will have the right to terminate the Agreement on thirty (30) days written notice to the other. It should be noted that the prior agreement between the County and WCHCC for these very services expired on December 31, 2020.

The Planning Department has advised that the activity undertaken pursuant to the proposed Agreement constitutes a Type II action under the State Environmental Quality Review Act ("SEQRA"), and it's implementing regulations, 6 NYCRR, Part 617 and no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Office of the County Executive

As you may recall, Section 3307(4) of the New York Public Authorities Law requires the approval of your Honorable Board and the Board of Acquisition and Contract for Agreements with WCHCC.

The Commissioner of Correction has approved the material terms of this Agreement and determined that the amounts specified are fair and reasonable. Based upon the foregoing, I recommend your favorable action on the proposed Act.

Very truly yours,

George Latimer County Executive

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a communication from the County Executive requesting that your Honorable Board authorize the County, through its Department of Correction, to enter into an agreement with the Westchester County Health Care Corporation ("WCHCC") whereby WCHCC will provide, through its Occupational Health Center, medical consulting services necessary for satisfactory implementation of the Uniform Attendance Standards of the Department of Correction, including, without limitation, reviewing the medical status of employees to determine fitness for duty. The term of the agreement will be from January 1, 2021 through December 31, 2024. The County will pay WCHCC a not to exceed amount of Thirty Thousand (\$30,000.00) Dollars per year at the rates set forth in Schedules "A" and "B" attached to the Act submitted herewith, for a total aggregate amount not to exceed One Hundred Twenty Thousand (\$120,000.00) Dollars. The rates to be paid by the County will be capped at a 4% increase over what the County paid for the same services in the previous year. Both parties will have the right to terminate the Agreement on thirty (30) days written notice to the other. It should be noted that the prior agreement between the County and WCHCC for these very services expired on December 31, 2020.

Your Committee has been advised that Section 3307(4) of the New York Public

Authorities Law requires the approval of your Honorable Board and the Board of Acquisition

and Contract for Agreements with WCHCC. Pursuant to that section, said approval of the Board

of Legislators must be by an affirmative vote of not less than a majority of the voting strength of
the Board.

The Planning Department has advised that based on their review the above contract is a

"Type II" action under the State Environmental Quality Review Act, 6 NYCRR Part 617, which is

an action determined not to have a significant effect on the environment and therefore does not

require further environmental review. Your Committee has reviewed the attached SEQRA

documentation and concurs with this conclusion.

The Commissioner of Correction has approved the material terms of this Agreement and

determined that the amounts specified are fair and reasonable. Your Committee has carefully

considered and recommends approval of the proposed Act.
