

## (BOND) ACT 74 - 2026

Reference RB04G (Unique ID# 3104)

### **HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the Westchester County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$865,000.00 to finance capital project RB04G (3104) – Park Avenue Bridge Over Beaver Swamp Brook, Harrison (BIN 3348010) ("RB04G"). The Bond Act, which was prepared by the law firm Hawkins, Delafield & Wood LLP, will finance the design of the replacement of the existing structure at Park Avenue Bridge over Beaver Swamp Brook in Harrison (BIN 3348010) with a precast box structure and related work in connection with RB04G. A hydraulic study will also be performed during design.

The Department of Public Works and Transportation ("Department") has advised that this bridge, which was built in 1927 and has an annual daily traffic count of 2,632, is in need of rehabilitation to maintain a safe roadway for the traveling public. In 2025, the New York State Department of Transportation gave the bridge a condition rating of 5.96, and the bridge has continued to deteriorate. This rating system, using a scale of 1 ("hazardous") through 7 ("new"), is a weighted average of the condition of an evaluated bridge. A rating below 5 indicates that a bridge requires work and delay of this work could result in the continued deterioration of the bridge.

Following bonding authorization, design will be scheduled and is anticipated to take eighteen months. It is anticipated that the design work will be completed using consultants. It is anticipated that construction will take approximately eighteen months and will begin after award and execution of the construction contracts, subject to construction bonding authorization by your Honorable Board.

The Department of Planning has advised your Committee that based on its review, RB04G may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
