Re: Petition for Amendment to the Saw Mill Sewer District to Include Property Located at 154 South State Road, Briarcliff Manor, NY 10510

Dear Ms. Borgia,

On behalf of the Village of Briarcliff Manor, and as contained in the attached Resolution of the Village of Briarcliff Board of Trustees (the "Village Board") adopted on November 17, 2022, I have been directed and authorized by the Village Board to request that your honorable Board amend the Saw Mill Sewer District (the "Sewer District") to include the property located at 154 South State Road, Briarcliff Manor, also known on the tax assessment map of the Village as Section 98.19, Block 1, Lot 29 (the "Property") within the Sewer District.

As described in detail in the petition to the Village Board by the owner of the Property, a copy of which is attached hereto, the Property was once located within the Sewer District, but was removed by an act of your Board on or about May, 2001. The owner desires the opportunity to connect to the existing sanitary sewer main within the Saw Mill Sewer District located in the street adjacent to the property as the on-site septic system is currently non-functional. However, in order to permit this connection to that extension, the Property must be located within the Sewer District.

Accordingly, on behalf of the Village and pursuant to Chapter 237.131 of the County Administrative Code, I am writing to request that the Board of Legislators amend the Sewer District to include the Property.

Thank you for your consideration. Please feel free to contact me if you have any questions or if you need additional information.

Very truly yours,

JEFFREY M. GASPAR, P.E.
Village Engineer

WHEREAS, the property at 154 South State Road, identified on the Village Tax Maps as Section 98, Plate 19, Block 2, Lot 19 ("Property"), was removed from the Saw Mill Sanitary Sewer District; and

WHEREAS, the owner of the Property asked the Board of Trustees to request the Westchester County Board of Legislations to extend the Saw Mill Sanitary Sewer District to add the Property, but not adjacent property, to that sewer district; and
