

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$3,000,000 to finance capital project SBB07 – Blind Brook Waste Water Treatment Plant – Process Equipment Improvements (“SBB07”). The Bond Act, which was prepared by the law firm Norton Rose Fulbright, will finance the cost of design and construction management for Phase II of SBB07, including rehabilitation, upgrading and/or replacement of various items of equipment and systems of the Blind Brook Wastewater Treatment Plant in the County’s Blind Brook Sanitary Sewer District, including but not limited to, rehabilitation and upgrades to the plant influent, primary clarifiers, aeration, odor control, and disinfection systems, including incidental expenses.

The Department of Environmental Facilities (“Department”) has advised that this request will provide the design and construction management funding for Phase II of SBB07

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is estimated that construction will take twenty-four months to complete and will begin after award and execution of the construction contracts. The design work is being undertaken by consultants.

It should be noted that your Honorable Board has previously authorized the County to issue bonds in connection with SBB07 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, SBB07 has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
