

HOME RULE REQUEST RESOLUTION NO. ___ - 2022

RESOLVED, that the Westchester County Board of Legislators approves the making of a Home Rule Request in the following format:

To the Legislature:

Pursuant to Article IX of the Constitution, the County of Westchester requests the enactment of Assembly Bill No. 9670/Senate Bill No. 8448 entitled "AN ACT to amend the retirement and social security law, in relation to providing certain death benefits to correction officers, correction officer-sergeants, correction officer-captains, assistant wardens, associate wardens or wardens employed by Westchester county."

A necessity exists for the enactment of this legislation because the local government does not have the power to enact such legislation by local law.

1 shall be equal to the pension reserve that would have been established

10 requirement of section 25 of the retirement and social security law.

11 § 5. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for tiers 2 through 6 Westchester County correction officers. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death.

If this bill is enacted during the 2022 legislative session, we anticipate that there will be an increase of approximately \$93,000 in the annual contributions of Westchester County for the fiscal year ending March 31, 2023. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$681,000 which will be borne by Westchester County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2023. If Westchester County elects to amortize this cost over a 10-year period, the cost for the first year including interest would be \$87,000.

These estimated costs are based on 776 affected members employed by the State of New York, with annual salary of approximately \$88.3 million as of March 31, 2021.

**NEW YORK STATE ASSEMBLY
MEMORANDUM IN SUPPORT OF LEGISLATION
submitted in accordance with Assembly Rule III, Sec 1(f)**

BILL NUMBER: A9670

SPONSOR: Abbate

TITLE OF BILL:

An act to amend the retirement and social security law, in relation to providing certain death benefits to correction officers, correction officer-sergeants, correction officer-captains, assistant wardens, associate wardens or wardens employed by Westchester county

PURPOSE::

The purpose of this bill is to provide a death gamble amortization for correctional officers employed by Westchester County.

SUMMARY OF PROVISIONS::

Section 1 adds a new subdivision k to Section 89-E of the Retirement and Social Security Law that allows correction officer beneficiaries to elect to receive, in a lump sum, an amount payable equal to the pension reserve that would have been established had the correction officer retired on the date of their death, or the value of the death benefit and the reserve-for-increased-takehome-pay, if any, whichever is greater.

Section 2 adds a new Section 606-C to the Retirement and Social

Security Law that defines death benefits for corrections officers employed by Westchester County.

Section 3 states that all past service costs associated with implementing this bill shall be borne by Westchester County and may be amortized over a period of 10 years.

Section 4 states that none of the provisions of this bill shall be subject to the appropriation requirement of Section 25 of the Retirement and Social Security Law.

Section 5 is the effective date.

JUSTIFICATION:

This bill provides Westchester County correction officers with death gamble benefits. The death gamble was enacted for New York law enforcement officers, firefighters and teachers in 2000 (Chapter 554 of the Laws of 2000) to incentivize public employees who wish to work past retirement age by providing that, should the employee pass away before taking retirement, his or her family shall be able to receive the full value of his or her pension benefit. In extending this benefit to Westchester County correction officers, this bill helps both officers and local governments as the County is then able to retain correction officers who may have retired instead of working past normal retirement age.
