Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval please find the following:

Land Purchase and Conveyance. An Act (the "Land Acquisition Act") to authorize the purchase and subsequent conveyance of approximately +/- 0.96 acres of real property located at 76 Locust Hill Avenue (the "Property") in the City of Yonkers (the "City") to 76 Locust Hill, L.P., its successors or assigns, (the "Developer") as part of the County's program to support the construction of affordable housing units that affirmatively further fair housing (the "Affordable AFFH Units"). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof.

Acquisition Financing. A New Homes Land Acquisition Bond Act (the "NHLA Bond Act"), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed One Million Four Hundred Thousand (\$1,400,000) Dollars as a part of Capital Project BPL30 New Homes Land Acquisition II. The Department of Planning ("Planning") has advised that subject to the receipt of approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed One Million Four Hundred Thousand (\$1,400,000) Dollars to purchase the Property from the current owner of record to create one hundred thirteen (113) Affordable AFFH Units for rent including one superintendent's unit (the "Development"). The Developer will also provide eighty-four (84) parking spaces for use by the residents.

Upon acquisition, the County will file a Declaration of Restrictive Covenants against the Property, to require that the proposed Affordable AFFH Units be marketed and leased in accordance with an approved affordable fair housing marketing plan to eligible households earning at or below 40% and up to 60% of the Westchester County area median income. The units will remain affordable for a period of not less than fifty (50) years noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer, its successors or assigns, for One (\$1.00) Dollar to construct a six-story building to create the Affordable AFFH Units with a total of one hundred thirteen (113) rental units including one superintendent's unit.

Planning has further advised that additional funds for the Development are anticipated to be provided from Tax Exempt Bonds issued by New York State Housing Finance Agency, Low Income Housing Tax Credits allocated by New York State Homes and Community Renewal (“HCR”), HCR Subsidy, NYSERDA funding and City of Yonkers HOME funding for an estimated total Development cost of approximately \$53.76 Million.

As your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the State Environmental Quality Review (“SEQR”) Act have been met. Planning has advised that the City of Yonkers Zoning Board (“Yonkers ZBA”) classified the proposed Development as an Unlisted action. On July 23, 2020, the Yonkers ZBA issued a notice of intent to serve as lead agency and circulated Part I of a Full Environmental Assessment Form. On October 20, 2020, the Yonkers ZBA issued a Negative Declaration for the proposed Development. Since the City undertook coordinated review and the County was included in the coordinated review process, then, in accordance with 6 NYCRR 617.6(b)(3), no further environmental review is required by the County. As you know, your Honorable Board may use such expert advice to reach its own conclusion. A copy of Planning’s analysis is attached.

On March 2, 2021, the Westchester County Planning Board (the “Planning Board”) adopted Resolution No. 21-05 that recommends funding for the purchase and conveyance of the Property. Planning has further advised that Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Planning Board with respect to the physical planning aspects of the project. Accordingly, the necessary Planning Board report for BPL30 has been annexed. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the Westchester County Charter.

Based on the importance of creating more affordable housing units that affirmatively further fair housing in the County, your favorable action on the annexed Acts is respectfully requested.

Sincerely,

George Latimer
County Executive

THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the enactment of the following:

Land Purchase and Conveyance. An Act (the “Land Acquisition Act”) to authorize the purchase and subsequent conveyance of approximately +/- 0.96 acres of real property located at 76 Locust Hill Avenue (the “Property”) in the City of Yonkers (the “City”) to 76 Locust Hill, L.P., its successors or assigns, (the “Developer”) as part of the County’s program to support the creation of affordable housing units that affirmatively further fair housing (the “Affordable AFFH Units”). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof.

The Department of Planning (“Planning”) has advised that subject to the receipt of approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed One Million Four Hundred Thousand (\$1,400,000) Dollars to purchase the Property from the current owner of record to create one hundred thirteen (113) Affordable AFFH Units for rent including one superintendent’s unit (the “Development”) The Developer will also provide eighty-four (84) parking spaces for use by the residents.

occupancies, as established by the U.S. Department of Housing and Urban Development.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer, its successors or assigns, for One (\$1.00) Dollar to construct a six-story building to create the Affordable AFFH Units including one superintendent's unit.

On October 20, 2020, the Yonkers ZBA issued a Negative Declaration for the proposed Development. Since the City undertook coordinated review and the County was included in the coordinated review process, then, in accordance with 6 NYCRR 617.6(b)(3), no further environmental review is required by the County. Your Committee has reviewed the attached analysis prepared by Planning and concurs with this conclusion

Your Committee has been further advised that on March 2, 2021, the Westchester County Planning Board (the "Planning Board") adopted Resolution No. 21-05 that recommends funding for the purchase and conveyance of the Property. In addition, Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Planning Board with respect to the physical planning aspects of the project. Commissioner of Planning is annexed pursuant to Section 191.41 of the Westchester County Charter.

Based on the importance of creating more affordable housing units that affirmatively further fair housing in the County, your favorable action on the annexed Acts is respectfully requested, noting that the Land Acquisition Act and the NHLA Bond Act require the affirmative vote of two-thirds of the members of your Honorable Board.

SUBJECT: Acquisition of Real Property-76 Locust Hill Avenue-City of Yonkers

Pursuant to Section 191.41 of the County Charter, submitted herewith is the required report of the Commissioner of Planning on the proposed acquisition and subsequent conveyance of +/- 0.96 acres of real property located at 76 Locust Hill Avenue in the City of Yonkers, identified on the City tax maps as Section 2, Block 2027, Lot 101 (the "Property") for the purpose of creating 113 affordable housing units (the "Affordable AFFH Units"), including one superintendent's unit that will affirmatively further fair housing ("AFFH"). The development will also provide approximately 84 parking spaces for residents.

The County of Westchester ("the County") intends to finance the purchase of the Property from the current owner in an amount not to exceed \$1,400,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. Upon acquisition of the Property, the County will file a Declaration of Restrictive Covenants to require that the Affordable AFFH Units are marketed and leased in accordance with an approved affirmative fair housing marketing plan and will remain available to eligible households for a period of not less than 50 years. The County will then convey ownership of the Property to 76 Locust Hill, L.P. (the "Developer"), its successors or assigns, for One (\$1.00) Dollar.

The Developer proposes to construct a new six-story building on the Property that will include a mix of affordable studio, one and two bedroom rental apartments that will be leased to households who earn at or below 40% and up to 60% of the area median income (collectively the "Development").

I recommend funding for acquisition and conveyance of the Property for the following reasons:

1. The acquisition of this Property will advance the County's efforts to provide fair and affordable housing;
2. The acquisition and subsequent conveyance of the Property to develop fair and affordable housing is consistent with development policies adopted by the County Planning Board as set forth in *Westchester 2025 - Context for County and Municipal Planning*

in Westchester County and Policies to Guide County Planning, adopted May 6, 2008, and amended January 5, 2010, and the recommended strategies set forth in *Patterns for Westchester: The Land and the People*, adopted December 5, 1995;

3. The Development is proposed to include green technology, such as triple pane windows, airtight envelope, energy efficient appliances, lighting and heating systems and water-conserving fixtures. A solar array will both help to reduce electric consumption. The Development is designed to meet the green building standards of both Energy Star Multifamily New Construction and NYSERDA Multifamily New Construction, Tier III.;
4. The Development is consistent with the land use policies and regulations of the City of Yonkers; and
5. On March 2, 2021, the County Planning Board adopted a resolution to recommend County financing towards the purchase the Property to support the Development.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR
BPL30 NEW HOMES LAND ACQUISITION II
76 LOCUST HILL AVENUE, YONKERS**

Pursuant to your request, Environmental Planning staff has reviewed the above referenced project with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The action involves the provision of County funding under capital project BPL30 - New Homes Land Acquisition II (ID: 1666) - to facilitate the acquisition and transfer of an approximately 0.96-acre property, located at 76 Locust Hill Avenue in the City of Yonkers, to a developer to support the creation of affordable rental housing that affirmatively furthers fair housing. The project includes demolition of an existing vacant church and the construction of a new 6-story building with 113 dwelling units and approximately 84 parking spaces.

Pursuant to SEQR, the City of Yonkers Zoning Board of Appeals (Yonkers ZBA) classified this project as an Unlisted action. On July 23, 2020, the Yonkers ZBA issued a notice of intent to serve as lead agency and circulated Part 1 of a Full Environmental Assessment Form. On October 20, 2020, the Yonkers ZBA issued a Negative Declaration for the project. Since the City undertook coordinated review and the County of Westchester was included in the coordinated review process, then, in accordance with section 617.6(b)(3), no further environmental review is required by the County.

Overall Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.

Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.
