

(BOND) ACT 32 - 2025

Reference BPS42

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$325,000 to finance capital project BPS42 – Firing Range Rehabilitation ("BPS42"). The Bond Act, which was prepared by the law firm Harris Beach, will finance the cost of improvements to the Police Academy firing range, including gunshot backstop structure and deflector plate system.

The Department of Public Safety ("Department") has advised that over time, the deflector plate system which guides fired rounds into a deceleration chamber at the back of the range to be stopped and collected becomes misshapen from the pounding of shots fired at it. The effect of this is that the opening through which the fire rounds pass to narrow in various locations which will eventually this will cause these rounds to be deflected back toward the firing line from which people are shooting. There is significant narrowing present now and the work should be done as soon as is reasonably possible to maintain safe conditions.

Design has been completed as the project is a refurbishing of an existing structure. It is estimated that construction will take less than one month to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, BPS42 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
