RE: Item 2024-560 PH-Prohibiting the Unlawful Use of Digitally Deceptive Material and  
Item 2024-562 LL-Prohibiting the Unlawful Use of Digitally Deceptive Material

---

As Chairman of the Board of Legislators, I am placing the below items directly into the Committee on Public Safety.

Please note that due to a ministerial oversight, Item #'s 2024-560 and 2024-562, PH and A LOCAL LAW amending the Laws of Westchester County by adding a new Chapter 610 in relation to prohibiting the unlawful use of digitally deceptive material, were not referred to the Committee on Public Safety.

Per the Board's typical practice, items involving the District Attorney's Office are typically referred to the Public Safety Committee.

I am therefore placing Item #'s 2024-560 and 2024-562 directly into the Committee on Public Safety.

Thank you.
