

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the amendment of an inter-municipal agreement with the City of Yonkers (“Yonkers”) pursuant to which Yonkers agreed to provide a Sexual Risk Avoidance for a term commencing on July 1, 2021 and continuing through June 30, 2022 (“IMA”) by increasing the previously approved not-to-exceed amount of \$30,334, by \$30,334, bringing the total aggregate not to exceed amount to \$60,668.

By way of background, by Act 182-2021 your Honorable Board authorized the County, acting by and through its Youth Bureau (the “Youth Bureau”), to: 1) enter into a grant agreement with the New York State Office of Children and Family Services to accept grant funds to continue a Sexual Risk Avoidance Education Program (the “Program”) to address the need for teen pregnancy prevention and youth engagement in the seven highest need municipalities in Westchester, which includes Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, White Plains and Yonkers, and related administrative activities in the total aggregate amount of \$260,000, for a term commencing on July 1, 2021 and continuing through June 30, 2022 (the “Grant Agreement”); and 2) enter into inter-municipal agreements with the Cities and/or Villages of Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, White Plains and Yonkers (the “Municipalities”), for services to be funded with the grant funds, in the total aggregate not-to-exceed amount of \$212,338, comprised of an amount not to exceed \$30,334 per Municipality, for a term commencing on July 1, 2021 and continuing through June 30, 2022, The remainder of the grant funds were to be used to enter into an agreement with Nepperhan Community Center, Inc. (“Nepperhan”).

Now, Nepperhan has advised the Youth Bureau that Nepperhan will not be providing the services. Approval of the Board of Acquisition and Contract was not sought nor was an agreement with Nepperhan executed.

Accordingly, authority is requested for the County to amend its executed IMA with Yonkers in order for Yonkers to provide additional services. Pursuant to the proposed IMA amendment,

Yonkers will provide the Program to at least 15 additional youths, for a total aggregate number of at least 30 youths. The Program will continue to operate during after school hours in person or via virtual meetings as necessary. In addition, authority is requested to increase the previously approved amount payable by the County to Yonkers pursuant to the IMA by \$30,334, bringing the total aggregate amount not-to-exceed to \$60,668.

The Planning Department has advised that neither the IMA amendment does not meet the definition of an “action” under the State Environmental Quality Review Act (“SEQRA”), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 14, 2022, which is on file with the clerk of your Honorable Board. Therefore, no further environmental review is required. Your Committee concurs with this conclusion.

Your Committee has been advised that the passage of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board.

Your Committee has been advised that adoption of the proposed legislation is necessary to effectively carry out this worthwhile program. Accordingly, after due consideration, your Committee recommends adoption of the annexed legislation.
