

HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER

Your Committee is in receipt of a proposed Act which, if adopted, would 1) authorize the filing of the application to the U.S. Department of Housing and Urban Development ("HUD") for approximately \$5,600,000 from three (3) federal sources: Community Development Block Grant ("CDBG") funds, the HOME Investment Partnership Program ("HOME") and the Emergency Solutions Grant ("ESG") Program; and 2) authorize the County to submit to HUD an amendment to the FY 2019-2023 Consolidated Plan including an Action Plan for Fiscal Year 2022 (the "Plan"). Your Honorable Board, by Act No. 2018-86 and Act No. 2021-376, authorized the County to enter into Cooperation Agreements with non-entitlement municipalities to participate in the programs, as the first step in qualifying these municipalities to receive these funds during Fiscal Year 2021 (May 1, 2021, to April 30, 2022).

The Plan has been developed in consultation with members of the County Planning Board, Westchester Urban County Council and the Community Development Advisory Group, and has been subject to public comment on a local level before project application submissions, and on a County level as a whole Plan. The Federal award will provide approximately \$4,300,000 from CDBG, \$1,000,000 from HOME and \$300,000 from ESG, subject to the approval of a 2022 appropriations bill by Congress. One original and two (2) copies of the FY 2022 Plan's project Listings have been submitted with the proposed Act.

Please note, your Committee has been advised that the Planning Department has determined that under the State Environmental Quality Review Act Regulations, your Board is not required to make any determination because this legislation is a "Type II" action. Your Committee concurs with this conclusion.

In past years, the County has received over \$240 million of non-repayable federal funding to undertake activities such as housing rehabilitation, public improvements in

designated target areas, and a complete array of community development activities on behalf of the municipalities participating in the program.

After thorough consideration, your Committee concurs in the County Executive's recommendation to adopt the annexed Act.

**COMMENTS:** The submission of a Consolidated Plan every five years and an Action Plan every year are prerequisite routine administrative procedures that are required by HUD in order for the County to administer HUD funds for housing and community development programs. Environmental reviews are conducted for the specific projects in the annual Action Plan at the time that they are to be funded. Funds will not be released by HUD until all environmental review requirements pursuant to the National Environmental Policy Act have been met. Additionally, environmental reviews pursuant to the State Environmental Quality Review Act will also be undertaken prior to state or local approvals for each individual project where applicable.
