

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the Chair of the Board of Legislators recommending the adoption of an Act which, if approved by your Honorable Board, would authorize the County of Westchester (the “County”) to enter into an inter-municipal agreement (“IMA”) with the City of Mount Vernon (the “City”), for a summer basketball program (the “Program”). The Program operated five (5) days per week during the period July 13, 2023 through August 14, 2023. The Program was held in Mount Vernon at the Mount Vernon High School gymnasium Mondays-Fridays from 10:00 a.m.–5:00 p.m. The Program had availability of a maximum of ninety (90) registered participants, ages 8 - 17 for each week of the Program. The head basketball coach at Mount Vernon High School and his staff directed basketball skills and drills. In addition to helping participants develop basketball skills, the Program taught participants “life skills”. Each week a speaker presented and discussed a different life skill topic to the participants. All participants received lunch and a tee shirt. The County will pay the City a total amount not to exceed Twenty-Seven Thousand, Eight Hundred and Seven (\$27,807.00) Dollars, payable within thirty (30) days after submission by the Municipality of an invoice, pursuant to an approved budget.

The purpose of the Program is to enhance the athletic and social skills of participants while providing a safe environment with quality basketball instruction. All participants were given a skill evaluation test at the beginning of each session and another one at the end of the session to test each participant’s ability in shot-making, agility and basic knowledge of the game of basketball. Participants who showed the most improvement are encouraged to participate in the City’s Saturday youth summer basketball league.

It was advised that in previous years of the Program that eighty-five (85%) percent of the participants learned the game of basketball, including shot making, movement and overall comprehension; fifty (50%) percent were motivated to continue in additional basketball programs, and

seventy-five (75%) percent increased their motor skills and agility, as well as their ability to work in a team setting. The City's Director of Athletics and Program Services and assigned administrative staff were tasked with monitoring the program and site visits.

The City will submit a written report to the County including statistics of the results of the Program. Evaluations will be based on the extent to which objectives of the Program were accomplished. The Program supervisors were required to prepare an "evaluation report" including an assessment of strengths, weaknesses and/or comments, including the number of children registered, average attendance per session, speakers, topics, and other pertinent information.

The goal of the Program is to provide constructive activities while providing quality basketball instruction for youth who desire to become better basketball players. The Program is a healthy alternative to delinquent behavior and discourages possible gang involvement and drug abuse. It also keeps the participants physically fit in an effort to combat the effects of obesity.

Your Committee has determined that there is a clear and overwhelming need for youth services within the City. Accordingly, there is an increased need to sustain and expand programming that will provide affordable, safe, and constructive activities for youth. Your Committee has determined that the Program helps achieve these objectives.

The Department of Planning has advised that the proposed IMA does not meet the definition of an "action" under the State Environmental Quality Review Act ("SEQRA"), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 12, 2023, which is on file with the clerk of your Honorable Board. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that approval of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board. Your Committee has carefully considered

this proposed Act authorizing the IMA and recommends its approval.

§3. The Chair of the Board of Legislators or his/her duly authorized designee (“Chair”) is hereby authorized to execute and deliver all documents and take such actions as the Chair deems necessary or desirable to accomplish the purposes hereof.

§4. This Act shall take effect immediately.

THIS AGREEMENT made the day of , 2023 by and between

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601, (hereafter the "County"),

and

THE CITY OF MOUNT VERNON, a New York municipal corporation of the State of New York, having an office and principal place of business at City Hall, 1 Roosevelt Plaza, Mount Vernon, New York, 10550, (hereafter the "Municipality").

FIRST: The Municipality, acting by and through its Recreation Department, shall provide a summer basketball program (the "Program") for a maximum of ninety (90) registered participants ages 8-17, for each week of the Program, which operated five (5) days per week Monday through Friday from 10:00 a.m.-5:00 p.m. for the period July 13, 2023 through August 14, 2023, as more particularly described in Schedule "A" attached hereto and made a part hereof (the "Work").

SECOND: The term of this Agreement shall commence retroactively on January 1, 2023, and shall terminate on December 31, 2023 unless terminated earlier pursuant to the provisions of this Agreement.

THIRD: For the Work to be performed pursuant to Paragraph "FIRST," the County will pay the Municipality a total amount not to exceed Twenty-Seven Thousand, Eight Hundred and Seven (\$27,807.00) Dollars, in accordance with an approved budget which is attached hereto and made a part hereof as Schedule "B". Payment shall be made in full within thirty (30) days after submission by the Municipality of an invoice. Municipality agrees that, if requested to do so by the Chair, it shall promptly submit supporting documentation to substantiate the basis for payment. The Chair will submit any requests for supporting documentation within two (2) weeks of receiving an invoice. The County shall pay said invoice within thirty (30) days of receipt of the invoice, or if supporting documentation is requested then within thirty (30) days of submission of supporting documentation. No additional payment shall be made by the County to the Municipality for out-of-pocket expenses or disbursements made in connection with the Work rendered under this Agreement, as all costs and expenses for said services are deemed to be included in the fee set forth above.

The Municipality shall, at no additional charge, furnish all labor, services, materials, tools, equipment and other appliances necessary to complete the services contracted for under this

Agreement. It is recognized and understood that in no event shall total payment to the Municipality exceed the not-to-exceed amount set forth above.

FOURTH: The Municipality shall report to the County on its progress toward completing the Work, as the Chair of the Westchester County Board of Legislators or his/her duly authorized designee (the "Chair") may request, and shall immediately inform the Chair in writing of any cause for delay in the performance of its obligations under this Agreement. At the conclusion of the Work, the Municipality will submit to the Chair a written program evaluation report using the criteria set forth in Schedule "A" attached hereto and made a part hereof. Evaluations will be based on the extent to which objectives of the program were accomplished. At the end of the term of this Agreement, the Program supervisors will write an "evaluation report" including an assessment of strengths, weaknesses and/or comments, including the number of children registered, average attendance per session, speakers and topics, and other pertinent information. In addition, the supervisors will administer pre and post tests to measure participants' progress and to determine the number of children in each category.

In addition to any general audit rights to which the County may be entitled hereunder, the County also reserves the right to audit the Municipality's performance under this Agreement. Such audit may include requests for documentation, reports or other information which the Chair may, in his/her discretion, deem necessary and appropriate. The County may also make site visits to the location/s where the services to be provided under this Agreement are performed in order to review Municipality's records, observe the performance of services and/or to conduct interviews of staff and patrons, where appropriate and not otherwise prohibited by law.

FIFTH: The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall

retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

SIXTH: (a) The County, upon ten (10) days' notice to the Municipality, may terminate this Agreement in whole or in part when the County deems it to be in its best interest. In such event, the Municipality shall be compensated and the County shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination, and Municipality shall reimburse to the County the amount of the lump-sum payment, pro-rated to the time remaining in the term of this Agreement. Upon receipt of notice that the County is terminating this Agreement in its best interests, the Municipality shall stop Work immediately and incur no further costs in furtherance of this Agreement without the express approval of the Chair, and the Municipality shall direct any approved subcontractors to do the same.

In the event of a dispute as to the value of the Work rendered by the Municipality prior to the date of termination, it is understood and agreed that the Chair shall determine the value of such Work rendered by the Municipality. The Municipality shall accept such reasonable and good faith determination as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for forty-eight (48) hours after service on the Municipality of written notice thereof, the County, in addition to any

other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the Work provided for in this Agreement, or contract for its completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Without limiting the foregoing, upon written notice to the Municipality, repeated breaches by the Municipality of duties or obligations under this Agreement shall be deemed a material breach of this Agreement justifying termination for cause hereunder without requirement for further opportunity to cure.

SEVENTH: INSURANCE AND INDEMNIFICATION: All personnel and vehicles engaged in the Work shall at all times remain and be deemed the employees and property of the Municipality. The Municipality shall provide proof of insurance as set forth in the insurance requirements of Schedule "C" of this Agreement. Notwithstanding the foregoing, if the Municipality is self-insured for all or a portion of the insurance required by Schedule "C" it may provide proof of such self-insurance in a form acceptable to the County's Director of Risk Management. However, to the extent the Municipality is self-insured and carries excess liability, the County shall be named as an additional insured to that policy.

In addition to, and not in limitation of the insurance requirements set forth in this Agreement, the Municipality agrees to procure and maintain insurance naming the County as additional insured, as provided and described in Schedule "C" entitled "Standard Insurance Provisions", which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "C" the Municipality agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees, agents, and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto; and

(c) in the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and

indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

EIGHTH: The Municipality expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Municipality acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

NINTH: The Municipality shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations, including, but not limited to, those applicable to the Municipality as an employer of labor. The Municipality shall further comply, at its own expense, with all applicable rules, regulations and licensing requirements pertaining to its professional status and that of its employees, partners, associates, subcontractors and others employed to render the Work hereunder.

TENTH: The Municipality shall not delegate any duties or assign any of its rights under this Agreement without the prior express written consent of the County. The Municipality shall not subcontract any part of the Work without the written consent of the County, subject to any necessary legal approvals. Any purported delegation of duties, assignment of rights or subcontracting of Work under this Agreement without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontractors are subject to all terms and conditions set forth in this Agreement. It is recognized and understood by the Municipality that for the purposes of this Agreement, all Work performed by a County-approved subcontractor shall be deemed Work performed by the Municipality and the Municipality shall insure that such subcontracted work is subject to the material terms and conditions of this Agreement. All subcontracts for the Work shall expressly reference the subcontractor's duty to comply with the material terms and conditions of this Agreement and shall attach a copy of the County's contract with

the Municipality. The Municipality shall obtain a written acknowledgement from the owner and/or chief executive of subcontractor or his/her duly authorized representative that the subcontractor has received a copy of the County's contract, read it and is familiar with the material terms and conditions thereof. The Municipality shall include provisions in its subcontracts designed to ensure that the Municipality and/or its auditor has the right to examine all relevant books, records, documents or electronic data of the subcontractor necessary to review the subcontractor's compliance with the material terms and conditions of this Agreement. For each and every year for which this Agreement continues, the Municipality shall submit to the Chairman a letter signed by the mayor of the Municipality or his/her duly authorized representative certifying that each and every approved subcontractor is in compliance with the material terms and conditions of the Agreement.

ELEVENTH: The Municipality and the County agree that the Municipality and its officers, employees, agents, contractors and/or subcontractors are independent contractors and not employees of the County or any department, agency or unit thereof. In accordance with their status as independent contractors, the Municipality covenants and agrees that neither the Municipality nor any of its officers, employees, agents, contractors and/or subcontractors will hold themselves out as, or claim to be, officers or employees of the County or any department, agency or unit thereof.

TWELFTH: Failure of the County to insist, in any one or more instances, upon strict performance of any term or condition herein contained shall not be deemed a waiver or relinquishment of such term or condition, but the same shall remain in full force and effect. Acceptance by the County of any Work or the payment of any fee or reimbursement due hereunder with knowledge of a breach of any term or condition hereof, shall not be deemed a waiver of any such breach and no waiver by the County of any provision hereof shall be implied.

THIRTEENTH: All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or delivered by hand or overnight courier, (with acknowledgment received and a copy of the notice sent by registered or certified mail postage pre-paid), as set forth below or to such other addresses as the respective parties hereto may designate in writing. Notice shall be effective on the date of receipt. Notices shall be sent to the following:

To the Municipality: City of Mount Vernon

FOURTEENTH: This Agreement and its attachments constitute the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

In the event of any conflict between the terms of this Agreement and the terms of any schedule or attachment hereto, it is understood that the terms of this Agreement shall be controlling with respect to any interpretation of the meaning and intent of the parties.

FIFTEENTH: Nothing herein is intended or shall be construed to confer upon or give to any third party or its successors and assigns any rights, remedies or basis for reliance upon, under or by reason of this Agreement, except in the event that specific third party rights are expressly granted herein.

SIXTEENTH: The Municipality recognizes that this Agreement does not grant the Municipality the exclusive right to perform the Services for the County and that the County may enter into similar agreements with other Municipalities on an “as needed” basis.

SEVENTEENTH: The Municipality shall use all reasonable means to avoid any conflict of interest with the County and shall immediately notify the County in the event of a conflict of interest. The Municipality shall also use all reasonable means to avoid any appearance of impropriety.

EIGHTEENTH: This Agreement may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

This Agreement shall be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that for any cause of action arising out of this Agreement shall be brought in the County of Westchester.

If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Agreement shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.

NINETEENTH: All payments made by the County to the Municipality will be made by electronic funds transfer pursuant to the County's Vendor Direct program. The Municipality acknowledges that it is already enrolled in the County's Vendor Direct Program and agrees that if there are changes to the information contained in the authorization forms it will notify the Westchester County Finance Department directly.

TWENTIETH: This Agreement shall not be enforceable until signed by both parties and approved by the Office of the County Attorney.

The purpose of the Program is to enhance the athletic and social skills of the participants while providing a safe environment with quality basketball instruction. All participants were given a skill evaluation test at the beginning of each session and another one at the end of the session to test each participant's ability in shot-making, agility and basic knowledge of the game of basketball. STANDARD INSURANCE PROVISIONS
(Municipality)

1. Prior to commencing work, and throughout the term of the Agreement, the Municipality shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Municipality shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Municipality and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Municipality shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Municipality to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Municipality to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Municipality from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Municipality concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Municipality's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Municipality until such time as the Municipality shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Municipality maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Municipality. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

2 The Municipality shall provide proof of the following coverage (if additional coverage is required for a specific agreement, those requirements will be described in the Agreement):

- a) Workers' Compensation and Employer's Liability. Certificate form C-105.2 or State Fund Insurance Company form U-26.3 is required for proof of compliance with the New York State Workers' Compensation Law. State Workers' Compensation Board form DB-120.1 is required for proof of compliance with the New York State Disability Benefits Law. Location of operation shall be "All locations in Westchester County, New York."

Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits Policy, or both, the employer must complete NYS form CE-200, available to download at: <http://www.wcb.ny.gov>.

If the employer is self-insured for Workers' Compensation, he/she should present a certificate from the New York State Worker's Compensation Board evidencing that fact (Either SI-12, Certificate of Workers' Compensation Self-Insurance, or GSI-105.2, Certificate of Participation in Workers' Compensation Group Self-Insurance).

- b) Commercial General Liability Insurance with a combined single limit of \$1,000,000 (c.s.1) per occurrence and a \$2,000,000 aggregate limit naming the "County of Westchester" as an additional insured on a primary and non-contributory basis. This insurance shall include the following coverages:

- i. Premises - Operations.
- ii. Broad Form Contractual.
