

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$50,000, prepared by the law firm of Hawkins Delafield and Wood, LLP, to finance a component of capital project WCC90 – Technology Upgrade Off Campus 2017/18 – 2021/22 (“WCC90”).

The Bond Act, in the amount of \$50,000, would finance the County’s 50% share of Phase II of this project. Westchester Community College (the “College”) has advised that the total cost of Phase II is \$100,000, of which 50% will be funded by New York State and 50% by the County. This project will provide replacement and installation of servers, switches, tape drive replacements, and wireless points. The servers will be used to implement server clustering on critical college applications. The additional switches would keep up with the growing needs of applications and would also be used to support web casting and video conferencing. Also, the wireless access points are on a 5 year replacement cycle as newer equipment requires faster access. In addition, this phase will address the need to replace PC’s, laptops, printers and scanners on a 5 year replacement cycle with faster computers and the ongoing need to continue to update classrooms at our extension sites, as well as phone replacements.

Following bonding authorization, the project is anticipated to be completed within approximately 24 months. The project will be performed in-house and will not require outside consultants.

Your Committee is advised that your Honorable Board has previously authorized bonding in connection with Phase I of this project as indicated on the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
