

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$500,000 to finance capital project RGP21 – General Infrastructure-Pool Facility-Play Equipment Systems (“RGP21”). The Bond Act, which was prepared by the law firm Hawkins, Delafield & Wood, LLP, will finance the purchase, replacement and installation of swimming pool and playground equipment at various locations through the County Park System.

The Department of Parks, Recreation and Conservation (“Department”) has advised that RGP21 is necessary to repair, replace and enhance critical infrastructure components within County swimming, aquatic play and playground facilities. This capital project will address aging and deteriorating structural elements and surfaces, upgrading mechanical and filtration systems to ensure compliance within current safety and operational standards, replacing worn or outdated playground equipment to enhance accessibility, safety, and user experience and other related associated infrastructure and site work.

Your Committee is advised that, following bonding authorization, the Department will initiate repairs and replacement of aging, dilapidated, and obsolete equipment that has reached the end of its useful life.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed capital project may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617

("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
