**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act (the "Bond Act") in the total amount of \$4,050,000 to authorize the County of Westchester (the "County") to finance the following three (3) capital projects:

A0134 – HVAC Upgrades, Terminal Building
A0138 – Ramp Service Equipment
A0140 – Electrical, Data and Security Systems Upgrades

Your Committee is advised that the Bond Act, prepared by the law firm of Harris Beach, PLLC, would authorize the County to issue bonds in the total amount of \$4,050,000 to finance various capital projects at the Westchester County Airport, including:

- (i) Design and construction associated with the first phase of the HVAC unit replacement project at the terminal building.
- (ii) The purchase of three (3) new push-backs, which will replace units that were originally purchased in 2003, 2010, 2011. Additionally, one (1) new air start will also be purchased.
- (iii) Design and construction associated with upgrades to the electrical infrastructure at the Airport parking garage and the upper rental car service area. The project will also include the installation of electrical vehicle chargers in the parking structure. Additionally, the project will fund upgrades to the Airport's access control, emergency alert system, video and badging system.

Your Committee is advised that the anticipated cost, anticipated project timeline, and whether the design is anticipated to be undertaken in-house staff or by consultants for each capital project is set forth below:

BOND ACT – AIRPORT CAPITAL PROJECTS

Cap ID	Project	Anticipated Amount	Design Assignment	Time Frame (Months)	
				Design	Const/Delivery
A0134	HVAC Upgrades, Terminal Building	\$750,000	Consultant	4	6
A0138	Ramp Service Equipment	\$800,000	N/A	N/A	12
A0140	Electrical, Data and Security Systems Upgrades	2,500,000	Consultant	12	12
Total:		\$4,050,000			

Your Committee is advised that the proposed Bond Act authorizes financing for like objects or purposes in connection with three (3) capital projects. It is hoped that by combining projects that have the same objects and purposes into a single bond act, the County can reduce the amount of bond legislation that your Honorable Board would be required to review, thereby expediting the approval process and avoiding backlogs.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
