

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Transmitted herewith for your review and approval is an Act which, if adopted, would authorize the County of Westchester (the “County”), acting by and through its Department of Health (the “Department”), to enter into a tri-party agreement with the Westchester County Health Care Corporation (“WCHCC”) and Westchester Medical Center Advanced Physician Services P.C. (the “PC”) for a five-year term commencing January 1, 2023 and expiring December 31, 2027 (the “Agreement”).

Pursuant to the proposed Agreement, WCHCC and the PC would each provide their respective professional hospital services in connection with x-ray services for: (1) the Department’s Tuberculosis Clinic patients who are referred by the Department to WCHCC; and (2) tuberculosis-related services when inpatient detention is mandated by New York State Law and/or court order.

The proposed Agreement represents a continuation of a prior agreement between the County, WCHCC and the PC which expired on December 31, 2022. The Department has advised that since expiration of the prior agreement, the County and WCHCC have been engaged in negotiations to finalize the terms of the proposed Agreement.

The Department has advised Your Committee that under the proposed Agreement, the County would pay WCHCC and the PC a total amount not to exceed \$164,000 for all services provided under the Agreement as follows: (1) for x-ray services at the rates set by the County, which will be specified in Schedule “A1” of the Agreement, and (2) for tuberculosis-related services, on a per-patient basis at no more than the current Medicaid rate, which will be specified in Schedule “A1” of the Agreement. The PC would provide the reading and interpretation of x-rays and other diagnostic tests. It should be noted that the County will seek to be partially reimbursed by New York State for expenditures incurred by the County for both services under this Agreement. WCHCC would be required to use the funds paid by the County under the Agreement to pay WCHCC’s costs for providing tuberculosis-related services (including but not

limited to staff salaries) and upon the County's written request, WCHCC and the PC would be required to provide a semi-annual accounting to verify that the funds were spent in this manner.

As your Honorable Board is aware, Section 3307(4) of the New York Public Authorities Law requires the approval of your Honorable Board and the Board of Acquisition and Contract for agreements with WCHCC. Said approval of the Board of Legislators must be by an affirmative vote of not less than a majority of the voting strength of the Board.

Your Committee has been advised that the proposed Agreement does not meet the definition of an action under the New York State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 12, 2023, which is on file with the Clerk of your Honorable Board. Your Committee has reviewed this analysis and concurs with this conclusion.

Your Committee has carefully considered and recommends approval of the proposed Act.

WHEREAS, the County, through its Department of Health (the “Department”), desires to obtain professional hospital services in connection with X-ray services for Westchester County Health Department TB clinic patients; and

WHEREAS, the Corporation and the PC desire to provide such services for the compensation and on the terms herein provided.

NOW, THEREFORE, in consideration of the terms and conditions herein contained, the parties agree as follows:

FIRST: In accordance with applicable laws and Corporation and PC policies, and to the extent Corporation's medical staff determines services are medically appropriate and Corporation and PC have available resources, the Corporation and PC shall each provide their respective professional medical services in connection with the County's TB clinic patients referred by the County to the Corporation, as provided and described in Schedule "A1," which is attached hereto and made a part hereof. The County must use the attached Radiology Referral Form for all patients referred.

The total aggregate amount payable under this Agreement for all services shall not exceed One Hundred Sixty Four Thousand (\$164,000.00) Dollars per Term of this Agreement ("Cap"). The County shall immediately cease referring patients to Corporation and/or PC in the event this Cap is obtained and the Corporation will have no obligations to accept referrals from the County once the Cap is obtained.

Prior to the making of any payments hereunder, the County may, at its option, audit such books and records of the Corporation and the PC as are reasonably pertinent to this Agreement to substantiate the basis for payment. The County will not withhold payment pursuant to this paragraph for more than thirty (30) days after payment would otherwise be due pursuant to the provisions of this paragraph "SECOND," but the County shall not be restricted from withholding payment for cause found in the course of such audit or because of failure of the Corporation or the PC to cooperate with such audit. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one year following termination of this Agreement.

The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Corporation and/or PC, then Corporation and/or PC shall have the right to terminate this Agreement upon reasonable prior written notice.

The Corporation and the PC shall use the monies paid by the County under this Agreement to pay the Corporation's and the PC's costs for providing the services described in Schedule "A1" of this Agreement (including staff salaries), before such funds are used for any other purpose.
