TO: BOARD OF LEGISLATORS  
COUNTY OF WESTCHESTER

Your Committee has reviewed “A LOCAL LAW amending Chapters 470 and 472 of the Laws of Westchester County to Allow Senior Citizens and Persons with Disabilities to Reduce Their Income by the Amount of Unreimbursed Medical and Prescription Drug Expenses in Order to Qualify for Tax Exemptions and to Increase the Maximum Eligible Income.”

Your Committee is aware that Chapters 470 and 472 of the Laws of Westchester County provide for real property tax exemptions for seniors and persons with disabilities, respectively, and were adopted pursuant to authority granted by the New York State Real Property Tax Law. Under each of these Chapters, the amount of the exemption is calculated based upon the annual income of the applicant; applicants who make more than the threshold limit contained in those Chapters are not entitled to an exemption.

Your Committee is informed that the County is entitled to exclude certain monies from the income calculation. Pursuant to State law, the County can exclude unreimbursed medical and prescription drug expenses incurred by applicants from their calculated income.

Allowing the exclusion of these expenses will provide property tax relief for our low-income seniors and persons with disabilities, recognizing the increased medical expenses that often come with being in these categories. As recognized by the Georgetown University Health Policy Institute, prescription drug spending increases as people age, with persons

over age 65 paying significantly more annually than younger adults, and those with chronic conditions pay more than the average adult.<sup>1</sup> Permitting the exemption of these expenses from income will allow a greater number of individuals to qualify for exemptions, and to qualify for higher exemptions, which will provide them with much needed tax relief.

Additionally, the State of New York has increased the maximum eligible income for these tax exemptions. This legislation adopts those new, increased limits, raising the maximum eligible income to \$50,000.00, to accommodate the effects of inflation on the value of income over the years since the last time the maximum eligible income was increased by the State.

Your Committee is informed that the proposed legislation does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 14, 2022, which is on file with the Clerk of the Board of Legislators. Your Committee concurs in this conclusion.

In light of all of the foregoing, your Committee recommends the adoption of this Local Law.
