Westchester County Board of Legislators 800 Michaelian Office Building White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is an Act which, if adopted, would authorize the County of Westchester ("County") to amend its current year Capital Budget (the "Capital Budget Amendment"), as well as adopt a related bond act ("Bond Act") to finance the following capital project:

RP056 - Playland Infrastructure, Rides and Site Work ("RP056").

The proposed Capital Budget Amendment will amend the County's 2025 capital budget to create a new appropriation in the amount of \$12,000,000 for project RP056.

The Bond Act, in the amount of \$12,000,000, would fund design, construction and construction management to reconstruct, rehabilitate and make operational various rides, facilities and other associated infrastructure and site work at Playland Park.

Following bonding authorization, design will be scheduled and will take approximately eight (8) months to complete and will be performed by outside consultants. Construction will take approximately twelve (12) months to complete and will commence upon execution and approval of construction contracts.

In addition, Section 167.131 of the County Charter mandates that a capital budget amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied to the Board of Legislators by a report of the Westchester County Planning Board (the "Planning Board") with respect to the physical planning aspects of the project. Accordingly, a copy of the Planning Board report is herewith attached for your Honorable Board's review.

Based on the importance of this project to the County, your Honorable Board's favorable action on the proposed Capital Budget Amendment and Bond Act is most respectfully requested.

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmission from the County Executive recommending approval of an Act amending the County of Westchester's (the "County") 2025 Capital Budget (the "Capital Budget Amendment"), as well as adoption of a related bond act (the "Bond Act") which, if approved, would authorize the County to issue \$12,000,000 in bonds to finance capital project RP056 – Playland Infrastructure, Rides and Site Work ("RP056").

The proposed Capital Budget Amendment will amend the County's 2025 capital budget to create a new appropriation in the amount of \$12,000,000 for project RP056.

The Bond Act, in the amount of \$12,000,000, which was prepared by the law firm of Hawkins Delafield and Wood, LLP, would finance design, construction and construction management to reconstruct, rehabilitate and make operational various rides, facilities and other associated infrastructure and site work at Playland Park.

Following bonding authorization, design will be scheduled and will take approximately eight (8) months to complete and will be performed by outside consultants. Construction will take approximately twelve (12) months to complete and will commence upon execution and approval of construction contracts.

The Planning Department has advised your Committee that based on its review, the abovereferenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

In addition, Section 167.131 of the County Charter mandates that a capital budget amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied to the Board of Legislators by a report of the Westchester County Planning Board (the "Planning Board") with respect to the physical planning aspects of the project. Accordingly, a copy of the Planning Board report is herewith attached for your Honorable Board's review.

4

Your Committee is advised that an affirmative vote of two-thirds of the members of this Honorable Board is required in order to amend the County's Capital Budget, as well as to adopt the related Bond Act.

Your Committee has carefully considered the proposed Capital Budget Amendment as well as the related Bond Act, and recommends approval of both of the proposed Acts, noting that the Bond Act can only be enacted following adoption of the Capital Budget Amendment.
