Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act (the "Bond Act") which, if adopted, would authorize the County of Westchester (the "County") to issue bonds in the total aggregate amount of \$300,000 to finance the following two capital projects:

BIT9A – Geographic Information Systems (2015-2019) (BIT9A); and

BIT48 – Computer Aided Dispatch Upgrade – Police, Fire and EMS (BIT48).

The Bond Act, in the total aggregate amount of \$300,000, would finance the purchase of GIS hardware, software and consulting services to support the GIS program, as well as aerial imagery for desktop, internet and mobile based geospatial applications under project BIT9A. It will also fund the purchase of additional modules, hardware, software and implementing services to upgrade and enhance the Computer Aided Dispatch System located at the Emergency Services Communications Center under project BIT48.

Your Honorable Board is advised that the anticipated cost and the anticipated project timeline for each capital project is set forth below:

BOND ACT – DoIT CAPITAL PROJECTS

Cap ID	Project	Anticipated Amount	Time Frame (Months)
BIT9A	Geographic Information Systems (2015-2019)	\$100,000	1/1/24 – 12/31/24
BIT48	Computer Aided Dispatch Upgrade – Police, Fire and EMS	\$200,000	1/1/24 – 12/31/24
Total:		\$300,000	

Please note that the proposed Bond Act authorizes financing for like objects or purposes in connection with multiple capital projects. It is hoped that by combining projects that have the same objects and purposes into a single bond act, the County can dramatically reduce the amount of bond legislation that your Honorable Board would be required to review, thereby expediting the approval process and avoiding backlogs.

The Planning Department has advised that based on its review, the above-referenced capital projects may be classified as a "Type II" actions pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,

George Latimer
County Executive

BIT9A – Geographic Information Systems (2015-2019) (BIT9A); and

BIT48 – Computer Aided Dispatch Upgrade – Police, Fire and EMS (BIT48).

Your Committee is advised that the Bond Act, prepared by the law firm of Hawkins, Delafield & Wood, LLP, would authorize the County to purchase GIS hardware, software and consulting services to support the GIS program, as well as aerial imagery for desktop, internet and mobile based geospatial applications under project BIT9A. It will also fund the purchase of additional modules, hardware, software and implementing services to upgrade and enhance the Computer Aided Dispatch System located at the Emergency Services Communications Center under project BIT48.

Your Honorable Board is advised that the anticipated cost and the anticipated project timeline for each capital project is set forth below:

BOND ACT – DoIT CAPITAL PROJECTS

Cap ID	Project	Anticipated Amount	Time Frame (Months)
BIT9A	Geographic Information Systems (2015-2019)	\$100,000	1/1/24 – 12/31/24
BIT48	Computer Aided Dispatch Upgrade – Police, Fire and EMS	\$200,000	1/1/24 – 12/31/24
Total:		\$300,000	

Your Committee is advised that the proposed Bond Act authorizes financing for like objects or purposes in connection with multiple capital projects. It is hoped that by combining projects that have the same objects and purposes into a single bond act, the County can dramatically reduce the

amount of bond legislation that your Honorable Board would be required to review, thereby expediting the approval process and avoiding backlogs.

The Planning Department has advised your Committee that based on its review, the above-referenced capital projects may be classified as a Type “II” actions pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
