

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$1,650,000 to finance capital project RSP05 – Sprain Ridge Pool Building (“RSP05”). The Bond Act, which was prepared by the law firm Harris Beach, will finance the cost of planning for improvements to the County’s Sprain Ridge Pool Building, including design for replacement of the existing bathhouse building, a new bathhouse building, restrooms, lifeguard station, first aid station and concession building, related site work, landscaping and infrastructure.

The Department of Parks, Recreation & Conservation (“Department”) has advised that the current bathhouse, which dates back to the 1960s, has outlived its useful life and is need of replacement. A new building is required to accommodate the public during the swimming season and for staff year-round. Once completed, the entire pool complex will be completely modernized.

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take eighteen months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, RSP05 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
