

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act which, if adopted by your Honorable Board, would authorize the County of Westchester ("Westchester County"), acting by and through its Department of Emergency Services ("DES"), to enter into an intermunicipal agreement ("IMA") with the County of Putnam ("Putnam County"), pursuant to which both counties will permit the reciprocal programming of each other's radio communication systems into each other's end user radios, whether mobile, portable or fixed station radios and whether owned by either county or owned by local Fire and EMS agencies ("Subscribers") within their respective counties.

Your Committee has been advised that each county will retain ownership, control and responsibility for its own radio communication system and hold the FCC licenses for its own radio communication system, and neither county shall take any action that causes the other party to be in violation of its FCC license.

Your Committee is further advised that the programming provided for in the IMA is not intended to replace each county's existing radio programming for in-county and day to day operations, and each county shall keep its existing radio communication system.

Your Committee is further advised that each county will agree to sign, and require its local Fire and EMS agencies sign, any license agreement required of the other county to use the other county's radio communication system and agree to the user guidelines, policies and procedures for use of the other county's radio communication system. Any license agreements

for permission to use Westchester County's trunked radio communication system will be subject to the Westchester County receiving approval from the Westchester County Board of Acquisition and Contract.

Your Committee is further advised that the public purpose of the IMA is to improve and enhance interoperability, public safety communications and mutual aid. Reciprocal assistance and mutual aid between the counties and their respective Fire and EMS agencies will be authorized and coordinated through the Westchester County's fire communication center and Putnam County's fire communication center.

Your Committee is further advised that the term of the proposed IMA will commence retroactively on May 1, 2025 and expire five (5) years thereafter, unless sooner terminated as set forth in the IMA.

The Planning Department has advised that the proposed IMA does not meet the definition of an "action" under New York State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning, dated January 14, 2025, which is on file with the Clerk of the Board of Legislators.

Your Committee has been advised that an affirmative vote of a majority of the voting strength of your Honorable Board is required for approval of the attached Act.

Your Committee has carefully considered and recommends approval of the attached Act.
