

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$750,000 to finance capital project BIT54 – Critical Communication Logging System Replacement (2021-2025) (“BIT54”). The Bond Act, which was prepared by the law firm Harris Beach, will finance the cost of acquisition and installation of equipment, software and associated services at various County office buildings for the County Department of Information Technology (“Department”) Critical Communication Logging System

The Department has advised that the County captures and maintains recordings for its Departments of Emergency Services, Public Safety, Social Services and Public Works and Transportation. The County is required to maintain some recordings for as long as twenty-one years. This requires recording on legacy environments to be migrated to the latest technology. The software on which the County’s recording system runs, Microsoft Silverlight, is no longer supported by Microsoft. The company that provided the solution has since been sold to NICE Inc. The Department is in the process of upgrading this system to the current product.

Design is currently being undertaken by in-house staff and consultants and is expected to be completed by the first quarter of 2023. It is estimated that installation will take twenty-four months to complete.

It should be noted that your Honorable Board has previously authorized financing in connection with prior components of BIT54 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, BIT54 has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
