

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$750,000 to finance capital project BIT50 - American Management Systems (“AMS”)/Conseillers en Gestion et Informatique (“CGI”) Applications and Linux Real Application Cluster (“RAC”) Upgrade (“BIT50”). The Bond Act, which was prepared by the law firm Harris Beach, will finance the additional cost of the acquisition and installation of servers and related equipment, software and implementation services for the Department of Information Technology (“Department”).

The Department has advised that AMS/ CGI, the vendor for the County’s Financial, HR and Budget Systems informed the County that they are instituting a major renovation of these systems and will no longer support the existing systems. This project will fund the cost of the implementation services and related expenses for CGI/AMS to upgrade the County’s Financial, HR and Budget systems to the new version and the purchase of data processing equipment and database software.

The Department anticipates that the work will be completed by both in-house staff and consultants and will be completed by the end of 2023.

It should be noted that your Honorable Board has previously authorized the County to issue bonds in connection with a prior component of BIT50 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, BIT50 has been classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
