

(BOND) ACT 267 - 2025

Reference: WCC87 (Unique ID# 3011)

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmission from the County Executive recommending approval by the County of Westchester ("County") of an amended bond act ("Amended Bond Act") which, if adopted, will authorize the County to issue up to \$4,177,000.00 in additional bonds of the County to finance capital project WCC87 – Classroom Building Renovation ("WCC87").

The Amended Bond Act in the total amount of \$4,927,000.00 was prepared by the law firm Harris Beach Murtha and includes \$750,000.00 in previously authorized bonds of the County. The Bond Act would finance the County's approximately 50% share of the cost of the Phase 2 improvements to the classroom building at the Westchester Community College ("College") Campus including renovations, furniture, fixtures, and equipment.

Your Committee is advised that the classroom building, constructed in 1966 and comprising 65,518 square feet of general classroom space and an auditorium, is in need of design upgrades and renovations to bring it up to current industry standards. WCC87 will address the classroom building's mechanical systems, acoustics, lighting, classroom spaces, bathrooms, and corridors. WCC87 will also provide updated space for the School of Business and Professional Careers.

Your Committee is further advised that the total amount appropriated for WCC87 is \$9,853,000.00. This bond request in the amount of \$4,927,000.00 represents the County's 50% share of WCC87. The remaining 50% will be funded by New York State.

Following bonding authorization with the County, design will be scheduled and it is estimated that design will take eighteen months to complete. It is estimated that construction will take thirty months to complete and will begin after award and execution of the construction contracts. It is anticipated that the design work will be completed by a consultant.

It should be noted that your Honorable Board has authorized the County to issue bonds for WCC87 as follows: Bond Act No. 16 - 2025 in the amount of \$750,000.00 to finance the County's approximately 50% share of the cost of the planning for improvements to the classroom building at the College Campus. These bonds have not been sold. Accordingly, it is now requested that Bond

Act No. 16 - 2025 be amended to increase the amount authorized by \$4,177,000.00, for a total authorized amount, as amended, of \$4,927,000.00, to revise the scope of Bond Act No. 16 - 2025 to include work associated with the renovation and construction phase of the project, and to increase the period of probable usefulness of said bonds.

The Planning Department has advised your Committee that based on its review, WCC87 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has carefully considered the Amended Bond Act, and recommends approval of the Amended Bond Act. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act.
