

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of an act amending the County's current-year capital budget ("Capital Budget Amendment"), as well as adoption of a related bond act (the "Bond Act") in the amount of \$1,000,000 to finance capital project B0128 - Mental Health Clinic, 112 East Post Road, White Plains ("B0128").

Your Committee is advised that the proposed Capital Budget Amendment will amend the County's 2024 capital budget to appropriate \$1,000,000 for this new project.

The Bond Act, which was prepared by the law firm of Hawkins Delafield and Wood, LLP, would fund the cost of design, construction management, and construction associated with the alteration of building interiors and infrastructure to accommodate the County's new Pilot Safety Net Mental Health Clinic at 112 East Post Road, White Plains.

As your Honorable Board is aware, Westchester County operated four mental health clinics, in White Plains, Peekskill, Yonkers and Mount Vernon until 2011 when the County decided to close them and transition clients to non-profit Article 31 mental health clinic providers. In 2022 your Honorable Board recognized a growing need for mental health service access in Westchester County and added funding to the 2023 budget so the County could begin providing direct mental health services again.

Your Committee is advised that the current providers of mental health services in the county are working hard to meet the demand, but are at capacity with waiting lists. The population with complex needs, who are often court involved, require more immediate services.

Your Committee is advised that the Department of Community Mental Health has been working to complete the process to apply for an Article 31 Mental Health Clinic license through the New York State Office of Mental Health which includes conducting a needs assessment; identifying a clinic site and population to be served; submitting clinic floor plans; staffing plans; and fiscal structure. This project is needed in order to rehabilitate the existing County space to create a Pilot Safety Net Mental Health Clinic in White Plains which will accommodate four

licensed mental health clinicians, a clinic director, a part time psychiatrist and part time nurse practitioner, two peer specialists, two staff assistants and a waiting area for clients.

Your Committee is advised that following bonding authorization, design will be scheduled and is anticipated to take four months (4) months to complete and will be performed by in-house staff. It is estimated that construction will take six months (6) months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

In addition, Section 167.131 of the County Charter mandates that a capital budget amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied to the Board of Legislators by a report of the Westchester County Planning Board (the "Planning Board") with respect to the physical planning aspects of the project. Accordingly, the required Planning Board report is herewith attached.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the proposed Capital Budget Amendment and Bond Act.

Your Committee has carefully considered the proposed Capital Budget Amendment, as well as the related Bond Act, and recommends approval of both of the proposed Acts, noting that the Bond Act can only be enacted following adoption of the Capital Budget Amendment.
