### MINUTES APPROVAL

#### I. ITEMS FOR DISCUSSION

Discussion on Artificial Intelligence

Guest:

Greg Rosner- CEO, Pitch Kitchen

*Mr. Rosner's presentation on artificial intelligence included information on the different ways that people can optimize its use. Dubbing it as "amplified intelligence," he believes that society can use to their advantage and provided demonstrations through various platforms, such as Hume and ChatGPT 4.0. Hume interacts in a conversation-style form and detects one's feelings or emotions based on a variety of things, such as voice inflections and tone. ChatGPT offers both a free and paid version of the platform with a wide variety of differences in between the limited and expanded versions. Mr. Rosner also spoke about the opportunities available for people to be able to make proper use of artificial intelligence and its impact on daily living. As he concluded his presentation, Mr. Rosner advised to interact with and explore artificial intelligence in order to maximize on its potential.*
