Westchester County Board of Legislators  
800 Michaelian Office Building  
White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act"), which, if adopted by your Honorable Board, will authorize the County of Westchester ("County") to issue additional bonds on behalf of Refuse Disposal District No. 1 (the "District") to finance the following capital project:

**RD021 - Haulage Vehicle and Solid Waste Equipment Phase VI ("RD021")**

The Bond Act, in the total amount of \$2,500,000, would finance the cost of purchase and replacement of District vehicles and equipment for use in all solid waste facilities and operations.

The Department of Environmental Facilities ("Department") has advised that in order to continue to meet its mandate to process all residential curbside recyclables and solid waste collected by District Municipalities and delivery of solid waste to a final disposal site, the District must replace vital facilities equipment that has reached the end of its useful life, including, but not limited to solid waste compactors, solid waste haulage vehicles, recyclables processing equipment, and solid waste containers.

Following bonding authorization, and subsequent consent to incur indebtedness of the State Comptroller, it is anticipated that vehicle purchases will be effectuated within six (6) months therefrom.

It should be noted that your Honorable Board has previously authorized the County to issue bonds for RD021, as indicated in the annexed fact sheet.

The Department, acting in its capacity as the County's Solid Waste Agency ("Agency"), on behalf of the District, has already obtained approval from your Honorable Board for an increase and improvement to District facilities and equipment through separate submission of the 2024 Solid Waste Agency Report and, pursuant to New York State County Law § 268, is seeking consent for such indebtedness from the New York State Comptroller.

It should be noted that obligations authorized by the proposed Bond Act shall neither be issued, nor may any related expenditure be made until the Department has received New York State Comptroller approval.

Based on the importance of this project to the District residents, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kenneth W. Jenkins', with a long horizontal flourish extending to the right.

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act ("Bond Act") which, if adopted, will authorize the County of Westchester ("County") to issue up to \$2,500,000 in bonds on behalf of Refuse Disposal District No. 1 ("District") to finance capital project RD021 - Haulage Vehicle and Solid Waste Equipment Phase VI ("RD021").

Your Committee has been advised that the Bond Act, which was prepared by the law firm Norton Rose Fulbright, is required to finance the cost of purchase and replacement of District vehicles and equipment for use in all solid waste facilities and operations.

The Department has further advised your Committee that in order to continue to meet its mandate to process all residential curbside recyclables and solid waste collected by District Municipalities and delivery of solid waste to a final disposal site, the District must fund the purchase and replacement of vital facilities equipment that has reached the end of its useful life, including, but not limited to solid waste compactors, solid waste haulage vehicles, recyclables processing equipment, and solid waste containers.

Upon receipt by the Department of bonding authorization, and subsequent consent to incur indebtedness of the State Comptroller, it is anticipated that the vehicle purchase(s) will be effectuated within six (6) months therefrom.

It should be noted that your Honorable Board has previously authorized the County to issue bonds for RD021 as indicated in the annexed fact sheet.

The Department, acting in its capacity as the County's Solid Waste Agency ("Agency"), on behalf of the District, has already obtained approval from your Honorable Board for an increase and improvement to District facilities and equipment through separate submission of the 2024 Solid Waste Agency Report and, pursuant to New York State County Law § 268, is seeking consent for such indebtedness from the New York State Comptroller.

It should be noted that obligations authorized by the proposed Bond Act shall neither be issued, nor may any related expenditure be made until the Department has received New York State Comptroller approval.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has carefully considered the Bond Act, and recommends approval of the Bond Act. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act.
