Re: HG II Residential Developer LLC and County of Westchester Industrial Development Agency, Amended and Restated PILOT Agreement and Amended NYS Form RP-412-a, "Application for Real Property Tax Exemption"

*Premises: 20 Barker Avenue, City of White Plains
Section 125.67, Block 5, Lot 1..22
(f/k/a p/o Section 125.67, Block 5, Lot 1..2)*

Dear Mr. Tasch:

On behalf of the County of Westchester Industrial Development Agency, I have enclosed for you, the Assessor of the jurisdiction within which the above-referenced project is located, an **amended** NYS Form RP-412-a "Application for Real Property Tax Exemption" with a signed copy of the related Amended and Restated Payment in Lieu of Taxes Agreement for Split Project (Residential Component) (the "Residential PILOT Agreement"), dated as of January 30, 2026, and effective as of November 30, 2022 (the "Effective Date"), by and between the County of Westchester Industrial Development Agency (the "Agency") and HG II Residential Developer LLC (the "Residential Developer").

The Residential PILOT Agreement amends and restates and splits that certain Payment in Lieu of Taxes Agreement (Unit 2), dated as of August 1, 2022, and effective as of the Effective Date, by and between the Agency and S-WD/WP LLC (the "Company") as previously amended by that certain First Amendment to Payment in Lieu of Tax Agreement, dated as of February 7, 2025, by and between the Agency and the Company (collectively, the "Existing PILOT Agreement"). The Agency considers the Residential PILOT Agreement to be retroactive to the dated date of the Existing PILOT Agreement. Further, the Company and the Residential Developer are affiliates, under common control, and as such the Agency does not consider this amendment to be either an assignment, nor a transfer of ownership interest. The Premises, therefore, should be considered exempt from real property taxes as of and retroactive to the Effective Date.

(c) Intentions. The Agency intends to provide for the consummation and completion of the Project in accordance with the provisions of the Project Agreement.

(d) Authorization. The Agency is authorized and has the corporate power and authority under the Act, its by-laws and the laws of the State to enter into this PILOT Agreement and the transactions contemplated hereby and to perform and carry out all the covenants and obligations on its part to be performed under and pursuant to this PILOT Agreement. By proper corporate action on the part of its members and without the need for any other actions or consents, the Agency has duly authorized the execution, delivery and performance of this PILOT Agreement and the consummation of the transactions herein contemplated.

(e) Validity. The Agency is not prohibited from entering into this PILOT Agreement and performing all covenants and obligations on its part to be performed under and pursuant to this PILOT Agreement by the terms, conditions or provisions of the Act, any other law, any order of any court or other agency or agreement to which the Agency is a party or by which the Agency is bound and this PILOT Agreement is the legal, valid and binding obligation of the Agency, enforceable against the Agency in accordance with its terms. There are no actions, suits or proceedings pending, or to the best knowledge of the Agency, threatened against the Agency, relating to or before any court or other agency or governmental authority which would have a material adverse impact on the ability of the Agency to perform its obligations under this PILOT Agreement.

Section 2.2. Representations and Warranties of Company.

The Company represents and warrants as follows:

(a) Power. The Company is a limited liability company duly organized, validly existing and in good standing under the laws of the State of New York, and by proper action has been duly authorized to execute, deliver and perform this PILOT Agreement.

(b) Authorization. The Company is authorized and has the power under the laws of the State of New York to enter into this PILOT Agreement and the transactions contemplated hereby and to perform and carry out all covenants and obligations on its part to be performed under and pursuant to this PILOT Agreement. The Company is not prohibited from entering into this PILOT Agreement and discharging and performing all covenants and obligations on its part to be performed under and pursuant to this PILOT Agreement, and the execution, delivery and performance of this PILOT Agreement, the consummation of the transactions contemplated hereby and the fulfillment of the compliance with the provisions of this PILOT Agreement will not conflict with or violate or constitute a breach of or a default under the terms, conditions or

provisions of the operating agreement of the Company or any law, rule, regulation or order of any court or other agency or authority of government, or any contractual limitation, restriction or indenture, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which the Company is a party or by which it or any of its property is bound, and neither the Company's discharging and performing all covenants and obligations on its part to be performed under and pursuant to this PILOT Agreement will be in conflict with or result in a breach of or constitute (with due notice and/or lapse of time) a default under any of the foregoing, or result in the creation or imposition or any lien of any nature upon any of the property of the Company under the terms of any of the foregoing. This PILOT Agreement is the legal, valid and binding obligation of the Company enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, reorganization, insolvency or other similar laws affecting the enforcement of creditors' rights generally, and by general principles of equity (regardless of whether considered in a proceeding in equity or at law).

(c) Hazardous Materials. The Company has not used Hazardous Materials, asbestos, petroleum or petroleum by-products on, from, or affecting Unit 2 of the Project in any manner which violates Federal, state or local laws, ordinances, rules, regulations, or policies governing the use, storage, treatment, transportation, manufacture, refinement, handling, production or disposal of Hazardous Materials, asbestos, petroleum or petroleum by-products, Unit 2 has been accepted into the NYSDEC Brownfield Cleanup Program and will be remediated in accordance with the rules and regulations of NYSDEC.

(d) Compliance with Environmental Laws. The Company shall not cause or permit the Project or any part thereof to be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Materials, asbestos, petroleum or petroleum by-products, other than gas and/or other fuel used for heating, cooking and other ordinary purposes consistent with a multi-unit residential building, except in compliance with all Environmental Laws, nor shall the Company cause or permit, as a result of any intentional or unintentional act or omission on the part of the Company or any tenant or subtenant, a release of Hazardous Materials, asbestos, petroleum or petroleum by-products, other than gas and/or other fuel used for heating, cooking and other ordinary purposes consistent with a multi-unit residential building, onto the Project Property or onto any other property in violation of any Environmental Laws.

(e) No Actions. To the knowledge of the Company, there are no actions or proceedings pending or threatened against the Company which would have a material effect on the ability of the Company to discharge its obligations hereunder in accordance with the terms hereof.

(f) No Consents Required. Except as otherwise set forth herein, no consent or approval of any third party is required in order for the Company to execute, deliver and perform this PILOT Agreement in accordance with its terms.

ARTICLE III

COVENANTS AND AGREEMENTS

Section 3.1. Tax Exempt Status of Project.

(a) Assessment of the Project Property. Pursuant to Section 874 of the General Municipal Law and Section 412-a of the RPTL, upon acquisition of title to and/or a leasehold interest in the Project Property by the Agency, and continuing for the period during which the Agency maintains title to and/or a leasehold interest in the Project Property (it being understood that the Agency is obligated to transfer title and/or terminate or assign its leasehold interest to the Company pursuant to Section 6.1, below), the Project Property shall be assessed as exempt upon the assessment rolls of the Municipalities prepared subsequent to the acquisition by the Agency of title to and/or a leasehold interest in the Project Property, except for Special Levies (hereinafter defined). The Project Property shall be entitled to such exempt status on the assessment rolls of the Municipalities from the first tentative roll date (January 1) following (i) the Agency's acquisition or lease thereof and (ii) the completion and submission of all necessary filings in accordance with Section 412-a (2) of the RPTL (which filings shall be the obligation of the Company). It is the intent of this PILOT Agreement that the Company shall, at all times during its or the Agency's ownership or leasing of the Project Property, be obligated to pay either PILOT Payments or Real Estate Taxes, and that the foregoing obligations shall not be duplicative of each other or otherwise be additive, except to the extent set forth in Sections 3.1(b) and 3.2(f) below. For example, and without limitation, (i) the Company shall be obligated to pay Real Estate Taxes lawfully levied and/or assessed against the Project Property, including Real Estate Taxes and assessments levied for the current tax year and all subsequent tax years until such time as the Agency's exemption with respect to the Project Property lawfully takes effect on the tax rolls of the Municipalities and until all tax payments calculated with respect to prior tax rolls, not reflecting such exemption, shall have been made, and shall be obligated to pay PILOT Payments at all times thereafter until the Agency's exemption with respect to the project is no longer in effect on the tax rolls, and (ii) after the Agency conveys title to, and/or terminates or assigns its leasehold interest in, the Project Property to a non-exempt entity (including, without limitation, the Company), no further PILOT Payments shall be due. In addition, the last PILOT Payment made or payable prior to the conveyance date may be reduced to reflect the apportionment of Real Estate Taxes as of the date of conveyance or lease termination.

(b) Change in Tax Status. To the extent the Project Property or any portion thereof is declared to be subject to taxation or assessment by a final judgment of a court of competent jurisdiction, an amendment to the Act, or other legislative or administrative change, the obligation of the Company to make PILOT Payments hereunder shall, to such extent only, be replaced by the obligation of the Company to pay Real Estate Taxes at the assessment and tax rates then in effect. To the extent that the foregoing declaration of non-exemption is given retroactive effect, any PILOT Payments previously made by the Company during such retroactive period shall be credited against Real Estate Taxes due for such period. Nothing herein contained shall prohibit the Company from contesting the validity or constitutionality of any such amendment, legislative or administrative change or judicial decision.

(c) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law and Section 412-a of the Real Property Tax Law may not entitle the Agency to exemption from Special Levies. The Company shall be obligated to pay any Special Levies with respect to which the Agency is not exempt, in addition to the PILOT Payments provided hereunder.

(d) Counsel Fees. The Company will pay in full the reasonable fees and expenses of the Municipalities', or any of their subdivisions', or the Agency's counsel, promptly upon receipt of the statement therefor, which are incurred after the date hereof and which fees and expenses arise in connection with the enforcement of this PILOT Agreement. If any claim is brought by a third party against the Agency and/or a Municipality with respect to any matter related to this PILOT Agreement, then unless such claim is due to the gross negligence or willful misconduct of the Agency or the Municipality, the Company shall defend and hold harmless the Agency and/or any Municipality against such claim with counsel reasonably acceptable to the Agency and/or any Municipality, as applicable.

(e) Establishment of Taxable Equivalent Assessment. The parties agree that, for each year commencing January 1, 2023, and continuing throughout the term of this PILOT Agreement, in order to enable the Agency to comply with its regulatory and reporting obligations under the law, the assessed value of the Project Property shall be determined annually by the Assessor as if the Project Property were privately owned and subject to no exemption from Real Estate Taxes (the "Taxable Equivalent Assessment"). The City and the Company shall provide to the Agency annually in writing, not later than 30 days after the date upon which the City mails real property tax bills to the owners of taxable property, notice of the Taxable Equivalent Assessment.

(f) Establishment of Fixed PILOT Assessment. The parties agree that for the purposes of determining PILOT Payments due under this Agreement in lieu of Real Estate Taxes otherwise due, the Project Property shall be deemed to be assessed as follows (the "Fixed PILOT Assessment"):

(i) For the current tax year and continuing through December 31, 2042 (in respect of PILOT Payments for the benefit of the County) and through June 30, 2043 (in respect of PILOT Payments for the benefit of the City and the School District), the Fixed PILOT Assessment shall be the Taxable Equivalent Assessment as determined by the Assessor in accordance with Section 3.1(e) above.

(ii) Notwithstanding the Taxable Equivalent Assessment as determined by the Assessor in accordance with Section 3.1(e) above, for each tax year beginning on or after January 1, 2023 (in respect of PILOT Payments for the benefit of the County) and on or after July 1, 2023 (in respect of PILOT Payments for the benefit of the City and the School District), and continuing through December 31, 2042 (in respect of PILOT Payments for the benefit of the County) and June 30, 2043 (in respect of PILOT Payments for the benefit of the City and the School District), the Fixed PILOT Assessment shall be the assessed value set forth opposite said year in attached Schedule B (with the understanding that the Company will be making payments of Real Estate Taxes for the 2043 County tax year and the 2043-2044 City tax year and thereafter in the amounts as if the Agency were not in title on the tax lien date with respect to said tax years and the

Agency's tax exemption were not in effect). The Assessor may amend and correct the Fixed PILOT Assessment set forth on Schedule B when and if:

(1) there is a revaluation or update of all real property in the City required by State law, in which event the Project Property shall be assessed at an amount no greater than the assessment of a property with a fair market value which would have resulted in the Fixed PILOT Assessment set forth in the attached Schedule prior to such revaluation;

(2) the property has been altered by fire, demolition, destruction or similar catastrophe;

(3) there is a material upgrade of the existing quality and class of improvements upon the real property constituting the Project Property in any one calendar year excluding routine costs, maintenance, updates, rehabilitation, retrofits or modernization of equipment, personalty and furnishings after Project Completion, other than increases in the square footage of the improvements on the Residential Project Property which shall be addressed as provided in clause (4) below. In the event of a material improvement of the kind described in the preceding sentence, the Fixed PILOT Assessment shall be increased by an amount equal to the product of the City equalization rate as established by the State and then in effect and the amount expended for such material improvement.

(4) the amount of net usable space in the Facility shall have been increased after the Project Completion as a result of additional construction thereon, in which event the Fixed PILOT Assessment may be increased to reflect such increase in net usable area (the "Addition") in an amount determined by calculating the gross per square foot assessment for the Facility prior to the Addition and multiplying that amount by the number of net leasable square feet in the Addition.

Any increase or decrease in the Fixed PILOT Assessment made pursuant to the foregoing subparagraphs (1)-(4) of this Section 3.1(f) shall be added to or subtracted from the Fixed PILOT Assessment. Other than as provided in this Section 3.1(f), the Fixed PILOT Assessment shall not otherwise be changed during the term of this Agreement.

(g) Except as otherwise expressly agreed by the County, the City and the School District, the portion of the PILOT Payments allocable to each of the County, the City and the School District shall be the same portions allocable to each Municipality of the Real Estate Taxes that would be taxed against the Project if it were owned by the Company.

Section 3.2. Payment in Lieu of Taxes.

(a) Agreement to Make Payments. The Company agrees to make PILOT Payments for the Project during the term of this PILOT Agreement in amounts equivalent to the amount of Real Estate Taxes that would have been charged against the Project if said Project was not tax exempt and was assessed at the Fixed PILOT Assessment as set forth in Section 3.1(f) of this PILOT Agreement. The Company further agrees that said PILOT Payments shall be paid in the same proportion to the individual Municipalities as Real Estate Taxes would be paid if the

Project Property were not tax exempt. Payments due hereunder shall be paid by the Company to the City, by check made payable to "City of White Plains." Upon receipt of such check by the City, the City shall promptly disburse to the other Municipalities their respective portions of the PILOT Payments as determined by this Section 3.2. The Company shall forward notice to the Agency of the payments made hereunder. The Company acknowledges and agrees that the obligation to make PILOT Payments under this PILOT Agreement is self-executing and absolute and not dependent upon any action or procedure of any other party, including the preparation or transmittal of invoices or bills. The Company shall have an affirmative obligation to secure such invoices or bills that may be necessary to make PILOT Payments under this PILOT Agreement. The time of such payments shall be subject to the provisions of Section 3.2(c). The obligation to make PILOT Payments due under and during the term of this PILOT Agreement shall remain until such payments are made, regardless of any statute of limitations. Any PILOT Payments due under this PILOT Agreement remaining unpaid at the termination of this PILOT Agreement shall remain a continuing obligation of the Company and the obligation to pay such payments shall survive this PILOT Agreement.

(b) Security for Payments in Lieu of Taxes. At the time of the execution and delivery of this PILOT Agreement and the granting of a leasehold interest in the Project to the Agency, the Company and the Agency shall grant a first mortgage lien (the "PILOT Mortgage") to the City in order to secure the obligations of the Company under this PILOT Agreement. The Company hereby covenants and agrees that it will forever warrant and defend the same to the City, and will forever warrant and defend the validity and priority of the lien of the PILOT Mortgage against the claims of all persons and parties whomsoever other than any governmental or quasi-governmental body, agency or other instrumentality which would be entitled to priority over any lien or claim for Real Estate Taxes assertable by the Agency or the City in the absence of a PILOT Agreement.

(c) Time of Payments. The Company agrees to pay to the City, on or before each April 1 (for payments to be made with respect to the County), and on or before each July 1 and January 1 (for payments to be made with respect to the City and the School District), for the term of this Agreement, the applicable amounts due hereunder on such dates. Without limiting the Company's obligation set forth in Section 3.2(a), the City will send bills for the PILOT Payments to the Company at least thirty (30) days prior to such due dates. Bills regarding the PILOT Payments shall be submitted directly to the Company in such form annexed hereto, or if no form is annexed hereto, in such form as the taxing authority(ies) shall reasonably determine. The City shall forward copies of the bills submitted to the Company to the Agency and to the attention of the Commissioner of Finance, at the Finance Department, County of Westchester, 148 Martine Avenue, Room 720, White Plains, New York 10601.

(d) Method of Payment. All payments by the Company hereunder shall be paid by check or any other payment method as the City and the Company shall agree to, payable to the order of the City in then lawful money of the United States of America. A copy of such check or other evidence of payment shall be given to the Agency as notice of the Company's compliance with the payment provisions of this PILOT Agreement.

(e) Interest and Penalties. If the Company shall fail to make any PILOT Payment required by this PILOT Agreement when due, its obligation to make the payment so in default

shall continue as an obligation of the Company until such payment that is in default shall have been made in full, and the Company shall pay the same together with the applicable late payment penalty, as prescribed by subparagraph (5) of Section 874 of the Act, on the amount due, at the time the PILOT Payment is paid. For each month, or part thereof, that the PILOT Payment is delinquent beyond the first month, interest shall accrue to and be paid by the Company on the total amount due plus the late payment penalty, at the applicable rate prescribed by said provision of the Act, until such payment is made.

(f) Conveyance by the Agency and Termination of the Exemption. Notwithstanding anything to the contrary set forth in Section 3.1(a) above, in the event that the Project Property shall be conveyed by the Agency to the Company (or to an entity designated by the Company) during the term of this PILOT Agreement, either at the request of the Company or as a consequence of a default by the Company under this PILOT Agreement or under one or more of the other Project Documents, then except as otherwise expressly agreed in writing by the Agency (which agreement may, at the sole discretion of the Agency, be conditioned upon the consent of the Municipalities), the obligations of the Company under this PILOT Agreement (including, without limitation, Section 3.2(a) hereof) shall continue for the entire term of this PILOT Agreement; provided, however, that the PILOT Payments due in any year shall be reduced (but not below zero) by the amount of Real Estate Taxes payable in respect of the Project Property for such year.

Section 3.3. Obligations of Agency.

The Agency shall forward to the Company a copy of any bill for PILOT Payments or Real Estate Taxes received from the Municipalities, (other than bills for which the Company is already an addressee).

(a) Requirement that any Conveyance or Project Agreements Require Payment in Lieu of Taxes. So long as the Project shall be entitled to the exemption from Real Estate Taxes contemplated by Section 3.1(a) hereof, the Agency agrees, to the extent permitted by law, that it shall not convey or assign the Project to any person or entity which is not exempt from the payment of Real Estate Taxes, except as otherwise expressly permitted hereunder, or make any other agreement regarding real property taxes and/or the Project which would cause or require the payment of Real Estate Taxes or PILOT Payments to be paid to the City in excess of the amounts set forth in Article III hereof.

(b) Requirement that Mortgages Be Subordinate to Payments. The Agency and the Company agree that the lien of each and every Mortgage on the Project (and all advances made from time to time) given by either of them shall be specifically subordinate to the lien of the PILOT Mortgage unless otherwise agreed by the Agency.

Section 3.4. [Reserved].

Section 3.5. Assignability by the Company.

Notwithstanding anything herein to the contrary, the parties agree that if there is or has been a permitted transfer of all or part of any of the Company's right, title and interest in and to Unit 2 of the Project and an assignment of all or part of the Company's rights in the Project

Agreement to a transferee in accordance with the Project Agreement, and if the transferee has given a Substitution Notice (as herein defined) and if no Event of Default set forth in Section 5.1 hereof has occurred and is continuing (unless such transferee has commenced curing such Event of Default as provided herein), then at such transferee's option, the transferee shall be deemed automatically, and without the need for any further document or instrument, to succeed to the rights of, and be bound by the obligations imposed upon, the Company hereunder with respect to the portion or portions of the Project so transferred, with the same force and effect as if the transferee, and not the Company, had been an original party to this PILOT Agreement. Nevertheless, the Agency agrees to execute and deliver such amendments hereto as may be reasonably requested by the transferee and/or the Company to evidence such succession. For purposes of this Section 3.5, the term "Substitution Notice" shall mean a written notice given by a transferee, in accordance with Section 6.6 hereof, stating that the transferee is a transferee under the Project Agreement, and has agreed to accept the other obligations thereafter imposed on the Company hereunder, subject, in each case, to the limitations on recourse set forth in Article IV hereof.

Without limiting the generality of the foregoing, nothing in this PILOT Agreement shall restrict in any way any transfer of all or part of the Company's right, title and interest in and to the Residential Project to Affiliates (as defined in the Project Agreement) of the current parties to this PILOT Agreement.

Section 3.6. Review of Assessments.

As long as this PILOT Agreement is in effect, the Agency and the Company agree that (i) the Agency shall be deemed to be the owner or lessee of the Residential Project subject to the Project Agreement; (ii) the Agency hereby irrevocably appoints the Company as its agent and attorney-in-fact for the purpose of instituting judicial review of any assessment of the real estate with respect to the Residential Project, including, without limitation, the Taxable Equivalent Assessment, pursuant to this PILOT Agreement and the provisions of Article 7 of the RPTL or any other applicable law as the same may be amended from time to time during the term of this PILOT Agreement, such appointment being coupled with an interest; and (iii) the Company shall have sole authority and power to file grievances and protests, protesting any assessment of the Residential Project. In order to undertake the foregoing, the Agency shall provide any written authorization and/or execute any documents required by statute or the applicable taxing authority or reasonably requested by the Company, so long as not prohibited by applicable law.

The Company shall have the right to contest only (i) any Taxable Equivalent Assessment, or (ii) to the extent permitted by Section 3.1(f)(ii) above, any change in the Fixed PILOT Assessments, or the failure to change same, in a proceeding under Article 7 of the RPTL or any other applicable law as the same may be amended from time to time during the term of this PILOT Agreement. During the pendency of any such assessment contest, the Company shall, and as a condition of instituting such contest, pay and be current regarding all PILOT Payments or Real Estate Taxes assessed or billed against the Project Property.

Upon receipt from the Municipalities of a change in the assessment of any parcel subject to this PILOT Agreement (including, without limitation, the Taxable Equivalent Assessment) pursuant to the applicable portions of the RPTL and this PILOT Agreement, the Agency shall

provide a copy thereof to the Company, in the same manner and at the same time as if the Company was a taxpayer (or within fifteen calendar days thereof). Notwithstanding the foregoing, if the assessment of any real property subject to this PILOT Agreement is reduced as a result of any such grievance, protest or judicial review so that the Company would be entitled to receive a refund or refunds of taxes paid if the Project were not exempt, such reduction shall not result in any change or modification of the PILOT Payments due pursuant to Section 3.2(a) of this PILOT Agreement, and same shall not be recalculated based upon the assessment resulting from such grievance, protest or judicial review, except as expressly set forth in this PILOT Agreement.

ARTICLE IV

LIMITED OBLIGATION OF THE PARTIES

Section 4.1. No Recourse; Limited Obligation of the Agency.

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this PILOT Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent, servant or employee of the Agency in his or her individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this PILOT Agreement, or otherwise based or in respect of this PILOT Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent, servant or employee, as such, of the Agency, the City, the School District, the County or any successor public benefit corporation or political subdivision. It is expressly understood that this PILOT Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this PILOT Agreement under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this PILOT Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State or the County, and neither the State nor the County shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from this PILOT Agreement, the Project Agreement, the Project generally, or sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this PILOT Agreement to the contrary, (i) the Agency shall not be obligated to take any action for the benefit of the Company pursuant to any provision hereof unless the Agency shall have been requested to do so

in writing by the Company and (ii) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity satisfactory to the Agency for protection against all such liability, and for reimbursement of all such fees, expenses and other costs. Nothing in this paragraph shall be construed as requiring the Agency (or the City, School District or County) to receive any such written request or indemnity as a precondition to the exercise by the Agency (or the City, School District or County) of its rights hereunder.

Section 4.2. No Recourse; Limited Obligation of the Company.

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Company contained in this PILOT Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Company and not of any partner, member, officer, agent, servant or employee of the Company in his or its individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this PILOT Agreement, or otherwise based or in respect of thereof, shall be had against any past, present or future partner, member, officer, agent, servant or employee, as such, of the Company or any successor thereto or any person executing this PILOT Agreement on behalf of the Company or any partner in the Company, either directly or through the Company or any successor thereto or any person so executing this PILOT Agreement. It is expressly understood that this PILOT Agreement is an obligation of the Company, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such partner, member, officer, agent, servant or employee of the Company or any partner in the Company or of any successor thereto or any person so executing this PILOT Agreement under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such partner, member, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this PILOT Agreement.

(b) Limited Obligation. The obligations and agreements of the Company contained herein shall not constitute or give rise to an obligation of any partner, member, director, officer or employee in the Company, and no such partner, member, director, officer or employee, shall be liable therein.

ARTICLE V

EVENTS OF DEFAULT

Section 5.1. Events of Default.

The terms "Event of Default" or shall mean, whenever they are used in this PILOT Agreement, any failure of the Company to pay any amount due and payable by it pursuant to this PILOT Agreement within ten (10) days after its receipt of notice from the City, or the Agency, that such amount is due and has not been paid (provided due notice of such amounts owing shall

have been given as provided in Section 3.2(c), above), it being understood that an Event of Default shall not have occurred hereunder until such time as the applicable notice and cure periods to the Permitted Mortgagee under Section 5.2 shall have expired.

Section 5.2. Permitted Mortgagee Right to Cure.

Notwithstanding anything to the contrary in this PILOT Agreement, in the case of an Event of Default, if the Agency or City serves a notice of default upon the Company, the Agency or City shall serve a copy of such notice upon the Permitted Mortgagee. In the case of an Event of Default by the Company under this PILOT Agreement, Permitted Mortgagee shall have thirty (30) days for a monetary default and sixty (60) days in the case of any non-monetary default, after notice to Permitted Mortgagee of such default, to cure or cause to be cured the default complained of (and the Agency shall accept such performance by or at the instigation of such Permitted Mortgagee as if the same had been done by the Company), provided that if said non-monetary default can be cured with due diligence, but not within such sixty (60) day period, said time period shall be extended as long as Permitted Mortgagee continues to exercise due diligence to cure said non-monetary default, but in no event shall such extension exceed ninety (90) days.

Section 5.3. Remedies on the Company's Default.

Whenever any Event of Default under Section 5.1 shall have occurred and be continuing with respect to this PILOT Agreement, remedies of the Agency shall be limited to the rights hereunder and under the PILOT Mortgage, and the right to convey the Project Property to the Company as set forth in Section 5.4.

Section 5.4. Remedies of the Agency: Recording of Termination Instrument and Other Documents.

Whenever:

- (i) any Event of Default under Section 5.1 shall have occurred and be continuing with respect to this PILOT Agreement,
- (ii) the lien of the PILOT Mortgage shall not be a first lien, other than with respect to any governmental or quasi-governmental body, agency or other instrumentality which would be entitled to priority over any lien for Real Estate Taxes assertable by the Agency or the Municipalities in the absence of a PILOT Agreement, or
- (iii) the Agency conveys the Project to the Company pursuant to this PILOT Agreement or the Project Agreement,

the Agency may, immediately with respect to (ii) above, and with respect to clauses (i) and (iii) above, upon ten (10) days-notice to the Company, record an assignment of lease, or termination of lease (each a "Termination Instrument") and any other necessary documents in the appropriate County Clerk's office conveying the Agency's leasehold interest in the Project Property and the Project to the Company or its successor or assign and declare any and all amounts due and owing to the Agency hereunder immediately payable.

The recording of such Termination Instrument shall constitute delivery to the Company of title to, or surrender and termination of the Agency's leasehold interest in, the Project. In order to facilitate such transfer of title or surrender of the Agency's leasehold interest, the Company hereby irrevocably appoints severally, the Chairperson or Executive Director of the Agency (or his or her designee) as its agent, such appointment being coupled with an interest, who is authorized to execute and deliver all documents necessary to allow the transfer of fee or leasehold title to the Project from the Agency to the Company, including, without limitation, transfer tax returns.

Section 5.5. Payment of Attorneys' Fees and Expenses.

If the Company should default in performing any of its obligations, covenants and agreements under this PILOT Agreement, and the Agency or any Municipality should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein, the Company agrees that it will, on demand therefor, pay to the Agency, or the City, School District or County as the case may be, the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred in connection with the exercise of the remedies provided for herein.

Section 5.6. Remedies; Waiver and Notice.

(a) Remedy Exclusive. Notwithstanding anything herein to the contrary, the remedies available to the Agency as a result of an Event of Default hereunder are limited to those set forth in Sections 5.3 and 5.4 hereof, and the Agency hereby waives every other remedy now or hereafter existing at law or in equity or by statute in connection with any Event of Default.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency or the City, School District or County to exercise any remedy reserved to it in this PILOT Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this PILOT Agreement.

(d) No Waiver. In the event any provision contained in this PILOT Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this PILOT Agreement shall be established by conduct, custom or course of dealing.

ARTICLE VI

MISCELLANEOUS

Section 6.1. Term of Agreement.

This PILOT Agreement shall become effective and the obligation of the Company and the Agency shall arise absolutely and unconditionally on the Effective Date.
