

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive wherein he requests that your Honorable Board authorize the County of Westchester to enter into intermunicipal agreements (“IMAs”) with municipalities located within the County in connection with the county-wide bus shelter program.

The IMAs will provide for the continued operation and maintenance of existing bus shelters and the addition of new shelters in the municipalities on an as-needed basis. The shelters are maintained by the County through its licensee Signal Outdoor Advertising, LLC or its designee (“Signal”) pursuant to a license agreement with the County. Signal in turn shall sell advertising space on the shelters. In consideration for allowing the County to erect and maintain bus shelters in public rights-of-way and other authorized areas, participating municipalities will receive fifty percent (50%) of the County’s share of advertising revenue derived from the shelters. The IMAs shall have a five (5) year term commencing July 1, 2021 and terminating on June 30, 2026, which is concurrent with the license agreement with Signal. The participating municipalities will also grant the County any easements or other real property interests necessary for the County to construct, operate and maintain the bus shelters and to have a financeable property interest for the purpose of issuing bonds, if necessary.

The Planning Department has advised that, based on its review, this is a “Type II” action under the State Environmental Quality Review Act (“SEQRA”), and its implementing regulations, 6 NYCRR Part 617, which is an action determined not to have a significant effect on

the environment and therefore does not require further environmental review. Your Committee has reviewed the annexed SEQRA status sheet prepared by the Planning Department and concurs with this conclusion.

It should be noted that approval of the Act authorizing the County to enter into the IMA requires the affirmative vote of a majority of the voting strength of your Honorable Board.

Your Committee believes that the continued operation of the bus shelter program is in the best interest of the County and, therefore, recommends your favorable action on the annexed proposed legislation.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR BUS SHELTER
INTERMUNICIPAL AGREEMENTS**

PROJECT/ACTION: Agreements with local municipalities in the County to provide for the continued operation and maintenance of existing bus shelters and the addition of new shelters, as-needed, in connection with the county-wide bus system. The shelters are erected and maintained by an outside company (pursuant to a license agreement with the County), which sells advertising space on the shelters. In consideration for allowing the County to erect and maintain bus shelters in public rights-of-way and other authorized areas, participating municipalities receive a percentage of the County's share of advertising revenue derived from the shelters. The current set of intermunicipal agreements are due to expire. The proposed authorization will allow the County to enter into new agreements for the continuation of these arrangements for an additional 5 years.

With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no further environmental review is required because the project/action:

- DOES NOT MEET THE DEFINITION OF AN "ACTION" AS DEFINED UNDER SECTION 617.2(b)**
 - MAY BE CLASSIFIED AS TYPE II PURSUANT TO SECTION(S):**
 - **617.5(c)(9):** construction or expansion of a primary or accessory/appurtenant, nonresidential structure or facility involving less than 4,000 square feet of gross floor area and not involving a change in zoning or a use variance and consistent with local land use controls, but not radio communication or microwave transmission facilities.
 - **617.5(c)(26):** routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment.

ACT NO. 152 - 2021

AN ACT authorizing the County of Westchester to enter into intermunicipal agreements with municipalities located within the County in order to provide for a county-wide bus shelter program.

NOW, THEREFORE, BE IT ENACTED by the Board of Legislators of the County of Westchester as follows:

Section 1. The County of Westchester (the “County”) is hereby authorized to enter into intermunicipal agreements (“IMAs”) with municipalities located within the County to provide for a County-wide bus shelter program wherein the County, either acting directly or through its licensee Signal Outdoor Advertising, LLC, its designee or other contractor(s), shall be allowed to erect, operate and maintain bus shelters in public rights-of-way and other authorized areas, in exchange for which participating municipalities will receive fifty percent (50%) of the County’s share of advertising revenue derived from the shelters. The IMA shall have a term of five (5) years commencing July 1, 2021 and terminating on June 30, 2026.

§2. The County is hereby authorized to accept from any participating municipality any easements or other real property interests necessary to construct, operate and maintain the bus shelters and for the County to have a financeable property interest for the purpose of issuing bonds.

§3. The County Executive or his authorized designee is hereby authorized to execute any instruments and to take any action necessary and appropriate to effectuate the purposes hereof.

§4. This Act shall take effect immediately.

INTERMUNICIPAL AGREEMENT

THIS AGREEMENT entered into this ___ day of _____, 20__ by and between

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine-Avenue, White Plains, New York 10601 (the "County"),

and

THE CITY, TOWN OR VILLAGE, a municipal corporation of the State of New York, having an office and place of business at **ADDRESS** (the "Cooperating Municipality").

W I T N E S S E T H:

WHEREAS, the County has entered into a License Agreement with a private franchisee to operate and maintain bus passenger shelters at various locations within the County as well as provide advertising on bus shelters; and

WHEREAS, the Cooperating Municipality is desirous of having the County provide bus passenger shelters within the Cooperating Municipality pursuant to said License Agreement for the comfort and benefit of its citizens.

NOW, THEREFORE, in consideration of the terms and conditions herein contained, the parties agree as follows:

FIRST: The County is hereby authorized to provide and maintain shelters pursuant to a License Agreement between the County and Signal Outdoor Advertising, LLC, or its successors or assigns (the "County Licensee"), at locations within the Cooperating Municipality, all as shown on Attachment "A" attached hereto and made a part hereof. The Cooperating Municipality further certifies and guarantees that the sites designated on Attachment "A" are legally designated bus stop locations or that the sites will be so designated prior to installation of new bus passenger shelters. If such designation is the responsibility of a governmental agency

other than the Cooperating Municipality, the Cooperating Municipality will use its reasonable efforts to obtain such designation.

Attachment "A" shall consist of:

1. A list of all bus shelters built under the County Bus Shelter Program located in the Cooperating Municipality.
2. A list of all necessary permits and the name of the municipal official who should be contacted. As the bus shelters are going to be provided as a municipal service, all permit fees shall be waived.

Upon mutual agreement between the County and the Cooperating Municipality, additional bus passenger shelters other than those in Attachment "A" may be installed. Any new approved shelters will be installed according to site suitability and passenger usage.

SECOND: The term of this Agreement shall be for five (5) years commencing on July 1, 2021 and expiring on June 30, 2026, which term coincides with the expiration of the License Agreement with Signal Outdoor Advertising, LLC. A copy of the License Agreement is on file with the Westchester County Department of Public Works and Transportation ("WCDPWT") and may be examined by an authorized representative of the Cooperating Municipality upon reasonable notice to the County. This Agreement shall encompass presently existing bus passenger shelters and those constructed pursuant to the License Agreement.

THIRD: The design and installation of any bus passenger shelters to be erected within the Cooperating Municipality shall be similar to, but may vary in details from the design drawings entitled "Westchester County Bus Shelter Detail" and dated December, 2010, copies of which are on file with the Cooperating Municipality and the County (hereinafter the "Design Drawings"). In no event, however, shall the size and illumination of the advertising signs vary from those shown in the Design Drawings without prior approval of the Cooperating Municipality.

Prior to the County's commencement of any work in connection with the design and construction of any new bus passenger shelters, the Cooperating Municipality shall convey to the County and its successors, assigns, invitees, contractors and agents, a non-exclusive easement, in substantially the form attached hereto as Attachment "B" (the "Easement"), in, upon, under and over any property interest of the Cooperating Municipality as depicted on the maps and legal descriptions contained in Schedule "A" to the Easement, attached hereto and made a part hereof for the purpose of creating a financeable property interest allowing the County to bond for the design and construction of any new bus passenger shelters (the "County Bonds"). Said Easement shall be in effect for so long as the County Bonds are outstanding. Upon maturity or redemption of the County Bonds, the County's Easement will automatically terminate.

FOURTH: The revenue received by the County from the County Licensee shall be divided between the County and the Cooperating Municipalities on a 50/50 ratio. The share of the revenue due the Cooperating Municipality will be determined by the ratio of that number of shelters operated by the County Licensee and producing revenue in the Cooperating Municipality to the total County-wide number of shelters operated under the License Agreement during one annual payment period. Payment will be made by the County to the Cooperating Municipality on or around June 15th of each year of this Agreement, beginning on June 15th, 2022.

FIFTH: Pursuant to the aforementioned License Agreement, or other written agreement, the County represents that the County Licensee shall be required to hold harmless and defend the Cooperating Municipality and its employees, officers and agents from all claims, suits and actions arising from the construction and maintenance of the shelters. The County represents that during the term of the aforementioned License Agreement, the Cooperating Municipality shall be named as an additional insured under the insurance certificate provided by the County Licensee.

SIXTH: All advertising to be displayed on the bus passenger shelters will be submitted to the County Commissioner of WCDPWT for approval. The Cooperating Municipality agrees that this approval shall be sufficient approval for the display of such advertising within the

Cooperating Municipality. The County agrees that no political or religious advertising shall be allowed. The County further agrees that no advertising for tobacco products will be allowed, nor shall the County accept any advertising which does not meet reasonable standards of good taste.

SEVENTH: The County shall use reasonable efforts to ensure that the County Licensee shall maintain all shelters in good condition. In accordance with the aforementioned License Agreement, the County Licensee shall clean each shelter on a regular basis, and shall be required to repair any damaged shelter.

EIGHTH: During the term of this Agreement, the Cooperating Municipality shall not enter into bus shelter advertising programs on its own. The Cooperating Municipality shall waive all municipal fees for the bus shelters.

NINTH: If during the term of this Agreement any bus passenger shelter is required to be removed or relocated for any reason at the request of the Cooperating Municipality and upon approval of the County, said approved removal or relocation shall be done only by the County Licensee or the County and/or its contractors.

TENTH: This Agreement and its attachments constitute the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

ELEVENTH: This Agreement shall not be enforceable until signed by both parties and approved by the Office of the County Attorney.

TWELFTH: This Agreement may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Agreement shall be construed and enforced in accordance with the laws of the State of New York.

THIRTEENTH: In the event of any conflict between the terms of this Agreement and those of its attachments, the terms of the Agreement shall control.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement in triplicate.
