

(BOND) ACT 85 - 2025

Reference RD017

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the additional amount of \$10,000,000 to finance capital project RD017 – Material Recovery Facility and Transfer Station Rehabilitation ("RD017"). The Bond Act, which was prepared by the law firm Norton Rose Fulbright, will finance a portion of the \$28,760,000 estimated maximum cost of the design, construction management and construction for various improvements to the County's Refuse Disposal District No. 1 ("District") transfer stations and the Materials Recovery Facility in and for the District, including, but not limited to replacement of new compactors and optical sorters, reconstruction of paper bunkers, rehabilitation of tipping floors, reconstruction of the roof with reinforcement for solar panels, and incidental expenses.

The Department of Environmental Facilities ("Department") has advised that financing is required to continue upgrades to the facility and processing systems at the District transfer stations and Material Recovery Facility, for which design is and/or will be undertaken by a consultant, and procurement will be managed in-house. It is estimated that the projects will be completed in 2025.

It should be noted that pursuant to §268 of the New York State County Law, no obligations may be issued under the Bond Act until the County has completed proceedings and determined, after a public hearing, that undertaking the above-described improvements is in the public interest. No expenditure may be made unless the New York State Comptroller ("Comptroller") has consented thereto as required by §268. The Comptroller is currently reviewing the Department's November 4, 2024 request and accordingly, the authorization to be made by the Bond Act is subject to the Comptroller's approval.

It should also be noted that the plan of financing for RD017 includes the issuance of (i) \$18,760,000 bonds previously authorized by your Honorable Board as indicated in the annexed Capital Project Fact sheet, which prior authorization received Comptroller approval, and (ii) \$10,000,000 bonds to be issued pursuant to the proposed Bond Act, which is subject to the Comptroller's approval.

The Planning Department has advised your Committee that based on its review, RD017 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

RD017 Material Recovery Facility and Transfer Station Rehabilitation**

PROJECT/ACTION: Per Capital Project Fact Sheet as approved by the Planning Department on
02-12-2025 (Unique ID: 2836)

With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no environmental review is required for the proposed action, because the project or component of the project for which funding is requested may be classified as a **TYPE II action** pursuant to section(s):

- **617.5(c)(2):** replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part;
- **617.5(c)(31):** purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials.

COMMENTS: None.

ACT NO. 85 - 2025

BOND ACT DATED May 19, 2025.

A BOND ACT AUTHORIZING THE ISSUANCE OF AN ADDITIONAL \$10,000,000 BONDS TO PAY FOR A PORTION OF THE \$28,760,000 ESTIMATED MAXIMUM COST OF THE DESIGN, CONSTRUCTION MANAGEMENT AND CONSTRUCTION FOR VARIOUS IMPROVEMENTS TO DISTRICT TRANSFER STATIONS AND THE MATERIALS RECOVERY FACILITY, IN AND FOR THE COUNTY'S REFUSE DISPOSAL DISTRICT NO. 1.

WHEREAS, pursuant to Act No. 22-2025, dated January 27, 2025, the Board previously authorized the issuance of \$18,760,000 bonds to pay the costs of design, construction management, and construction costs for various improvements to District transfer stations and the Materials Recovery Facility, in and for the County's Refuse Disposal District No. 1; and

WHEREAS, it has now been determined that the estimated maximum cost for said project is now \$28,760,000 (an increase of \$10,000,000); and

WHEREAS, it has now been determined that an additional \$10,000,000 bonds shall be authorized to pay for such increased cost; and

WHEREAS, the capital project hereinafter described has been duly approved in the adopted capital budget for the 2025 fiscal year; and

WHEREAS, the plan for the financing of the estimated maximum cost of such capital project, as hereinafter set forth in this Bond Act, is in conformity with such capital budget; and

WHEREAS, all conditions precedent to the financing of the capital project hereinafter described, including compliance with the provisions of the State Environmental Quality Review Act, to the extent required, have been performed; and

WHEREAS, it is now desired to authorize the financing of the costs of such capital project allocable to the County's Refuse Disposal District No. 1; NOW, THEREFORE,

NOW, THEREFORE,

BE IT ENACTED BY THE COUNTY BOARD OF LEGISLATORS OF THE COUNTY OF WESTCHESTER, NEW YORK (by the affirmative vote of not less than two-thirds of the voting strength of said Board), as follows:

Section 1. There are hereby authorized to be issued \$10,000,000 bonds of the County to finance a portion of the \$28,760,000 estimated maximum cost of the design, construction management and construction for various improvements to District transfer stations and the Materials Recovery Facility, a class of objects or purposes, in and for the County's Refuse Disposal District No. 1, including, but not limited to, incidental expenses in connection therewith, replacement of new compactors and optical sorters, reconstruction of paper bunkers, rehabilitation of tipping floors, reconstruction of the roof with reinforcement for solar panels. To the extent that the details of the aforesaid class of objects or purposes set forth in this act are inconsistent with any details set forth in the current Capital Budget of the County, such Budget shall be deemed and is hereby amended to the extent inconsistent herewith.

Section 2. It is hereby determined that the estimated maximum cost of the aforesaid class of objects or purposes is \$28,760,000, and that the plan for the financing thereof is by the issuance of (i) \$18,760,000 bonds of said County authorized to be issued pursuant to Act No. 22-2025, dated January 27, 2025 and (ii) \$10,000,000 bonds of said County authorized to be issued pursuant to this Bond Act.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is twenty-five years pursuant to subdivision six of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Commissioner of Finance, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall

be sold in such manner, as may be prescribed by said Commissioner of Finance, consistent with the provisions of the Local Finance Law.

Section 5. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. To the extent not paid from the assessment of properties assessable for this purpose in the County's Refuse Disposal District No. 1, or other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 6. Such bonds shall be in fully registered form and shall be signed in the name of the County by the manual or facsimile signature of the Commissioner of Finance and a facsimile of the corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the County Clerk.

Section 7. The powers and duties of advertising such bonds for sale, conducting the sale and awarding the bonds, are hereby delegated to the Commissioner of Finance, who shall advertise such bonds for sale, conduct the sale, and award the bonds in such manner as said Commissioner of Finance shall deem best for the interests of the County; including, but not limited to, the power to sell said bonds to the New York State Environmental Facilities Corporation; provided, however, that in the exercise of these delegated powers, the Commissioner of Finance shall comply fully with the provisions of the Local Finance Law and any order or rule of the State Comptroller applicable to the sale of municipal bonds. The receipt of the Commissioner of Finance shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 8. The Commissioner of Finance is hereby further delegated the power to authorize the sale and issuance of the bonds authorized pursuant to this Bond Act (a) at a discount

in the manner authorized by paragraphs e and f of Section 57.00 of the Local Finance Law, (b) at private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, including the private sale of bonds at a premium, (c) as capital appreciation bonds or term bonds at public sale or private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, and (d) at a variable rate of interest in the manner authorized by Section 54.90 of the Local Finance Law, including notes issued in anticipation thereof. The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. The power to issue and sell notes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to the Commissioner of Finance. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 10. The Commissioner of Finance is hereby further authorized, at the sole discretion of the Commissioner of Finance, to execute a project financing and loan agreement, and any other agreements with the New York State Department of Environmental Conservation and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the class of objects or purposes described in Section 1 hereof, or a portion thereof, by a bond, and, or note issue of said County in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary

to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said bonds (and if said bonds are to be executed in the name of the County by the facsimile signature of the Commissioner of Finance, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, denominations, maturities and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Commissioner of Finance. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

Section 13. The validity of such bonds and bond anticipation notes may be contested only if:

- (1) Such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- (2) The provisions of law which should be complied with at the date of publication of this Bond Act are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

(3) Such obligations are authorized in violation of the provisions of the Constitution.

Section 14. This Bond Act shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150 - 2. Other than as specified in this Bond Act, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 15. This Bond Act, which shall take effect immediately in accordance with the provisions of Section 33.10 of the Local Finance Law and as provided in Section 107.71 of the Westchester County Charter, shall be published in summary form in the official newspaper of said County for purposes of this Bond Act, together with a notice of the Clerk of the Board of Legislators in substantially the form provided in Section 81.00 of the Local Finance Law.

Section 16. No obligations authorized hereby shall be issued until the County shall complete proceedings under Section 268 of the County Law, and shall have determined, after a public hearing held thereunder, that the undertaking of the improvements to the County's Refuse Disposal District No. 1 contemplated hereby is in the public interest. No expenditure for aforesaid specific object or purpose or purposes shall be made unless the State Comptroller has consented thereto as required by Section 268 of the County Law.

Non County Share									
Total	73,680	37,680	6,750	6,000	10,000				20,000

Project Description

This multi-phased project will include, but not be limited to, the design and construction of a leachate collection system for the haulage vehicle "trailer staging area" at the MRF to address the liquid leachate leaking from the trailers in the first phase. The second phase will provide for leachate collection and/or treatment systems at the White Plains and Mt. Vernon transfer stations as directed by the NYSDEC. The third phase will involve the repair of any structural deficiencies identified in a prior structural inspection program and the roof replacements for the MRF and the four (4) Solid Waste Transfer Stations. Also included will be the repair or replacement of the various HVAC, electrical, mechanical and plumbing systems and equipment at the MRF and Transfer Stations.

Current Year Description

The current year request funds continued transfer stations infrastructure replacement and rehabilitation. The Department will perform upgrades of the MRF and all the transfer stations, including the material sorting and handling equipment and the buildings.
