

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a transmittal from the County Executive in which the County Executive states that the Commissioner of Environmental Facilities has advised him that the Village of Briarcliff Manor ("Village") has requested, pursuant to the attached Resolution of the Village, that the Saw Mill Sanitary Sewer District ("District") be modified to return one (1) parcel of property more particularly described by street address and tax map designation as 43 Chappaqua Road, Section 90.17, Block 1, Lot 20 ("Returning Parcel") to the District. The Returning Parcel was previously part of the District but was removed from the District by your Honorable Board in 2001 for the 2002 tax year.

Your Committee is informed that the attached Feasibility Report prepared by the Department of Environmental Facilities dated September 25, 2020 and attached hereto, indicates that the proposed addition of the Returning Parcel represents an increase of 0.000025 (0.0025%) to the Equalized Full Value of the District. Therefore, the addition of the Returning Parcel will not cause significant changes in the tax rate of the District.

According to the Department of Environmental Facilities, the proposal to add the Returning Parcel to the District is feasible because: 1) the matter was requested by the Village; 2) the facilities necessary to connect the Returning Parcel to County facilities (i.e., Gravity Sewers) will be constructed at the total expense of the Village; 3) maintenance of the completed facilities will be the responsibility of the Village and not the District; 4) the Yonkers Joint Wastewater Treatment Facility has a design flow of 120 MGD and the present average daily flow is 84.8 MGD. The daily flow the Returning Parcel will generate after inclusion is 450 GPD. The plant and the County Trunk Sewer have sufficient capacity to accommodate the Returning Parcel; 5) the subject expansion will not result in any significant effect on the tax structure of the District; and 6) the territory proposed to be added to the District is not now in any County sewer district and will be required to pay a surcharge over a ten year period.

Your Committee notes that Section 237.131 of the County Administrative Code authorizes the alteration or change of a sewer district. However, your Honorable Board may only alter or change the district after it has held a public hearing after notice has been given by publication in such manner and for such time as the Board shall direct. Therefore, attached hereto is a Resolution, which, if adopted by your Honorable Board, would set a date and time for the necessary public hearing. Your Committee recommends adoption of said Resolution.

Furthermore, Sections 237.131 and 237.141 of the County Administrative Code confer authority to determine what charges, if any, will be paid by the Returning Parcel. Your Committee has been informed that the Department of Environmental Facilities recommends that an aggregate surcharge of One Thousand Seven Hundred Ninety Dollars (\$1,790.00), or One Hundred Seventy-Nine Dollars (\$179.00) per annum to be paid in each of ten equal annual installments, be assessed against the Returning Parcels. This surcharge reflects capital costs incurred from 2002 through 2020, the years the Returning Parcel did not contribute to the District tax levies. This formula has been used in past legislation for parcels returned to a sanitary sewer district.

The Planning Department has advised that based on its review, the proposed addition of the Returning Parcel constitutes a Type II action under the State Environmental Quality Review Act ("SEQRA"), and its implementing regulations, 6 NYCRR, Part 617.5(c)(13) and (33), and therefore no further environmental review is required. Your Committee has reviewed the attached SEQRA documentation and concurs with this conclusion.

Based on the above facts and the Feasibility Report prepared by the Department of Environmental Facilities, your Committee concurs with the recommendation of the County Executive and recommends that your Honorable Board adopt the annexed Resolution which will set a date and time for the public hearing as required by the Administrative Code in such matters, and, after such hearing, urges your Honorable Board to adopt the annexed Act which accomplishes the addition of the Returning Parcel

to the Saw Mill Sanitary Sewer District. It should be noted that a vote of not less than a majority of the voting strength of the Board of Legislators is required to pass this Act.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR REINSTATEMENT
OF ONE PROPERTY TO SAW MILL SANITARY SEWER DISTRICT
43 CHAPPAQUA ROAD, VILLAGE OF BRIARCLIFF MANOR**

PROJECT/ACTION: The reinstatement of one parcel located in the Village of Briarcliff Manor, 43 Chappaqua Road (Section 90.17, Block 1, Lot 20), to the County's Saw Mill Sanitary Sewer District.

With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no further environmental review is required because the project/action:

- DOES NOT MEET THE DEFINITION OF AN "ACTION" AS DEFINED UNDER SECTION 617.2(b)**
- MAY BE CLASSIFIED AS TYPE II PURSUANT TO SECTIONS:**
- 617.5(c)(13):** extension of utility distribution facilities, including gas, electric, telephone, cable, water and sewer connections to render service in approved subdivisions or in connection with any action on this list.
 - 617.5(c)(26):** routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment.
 - 617.5(c)(33):** adoption of regulations, policies, procedures and local legislative decisions in connection with any action on this list.

COMMENTS: The subject parcel was removed from the County sewer district in 2001, along with many other parcels that were not connected to sanitary sewers, at the request of the Village of Briarcliff Manor. The parcel to be reinstated will be able to access the County sewer system via a connection to an existing local sanitary sewer line near the property. The parcel is approximately 1.5 acres in size and is developed with a single-family residence. The estimated total sewage contribution for the parcel is 450 gallons per day. Sewage from the Saw Mill Sanitary Sewer District is treated at the Yonkers Joint Treatment Facility. Since the Yonkers Joint Treatment Facility has a design flow of 120 million gallons per day (MGD) and the present average flow is 84.8 MGD, the plant has sufficient capacity to accommodate the additional flow.

FEASIBILITY REPORT
IN THE MATTER OF

THE ENLARGEMENT FOR A CERTAIN PARCEL

IN THE

SAW MILL SANITARY SEWER DISTRICT

VILLAGE OF BRIARCLIFF MANOR, TOWN OF OSSINING

MP

Vincent F. Kopicki, P.E.
Commissioner
Environmental Facilities

The Village of Briarcliff Manor has petitioned that one (1) property currently not included in the Saw Mill Sanitary Sewer District be returned to the Saw Mill Sanitary Sewer District. This parcel was removed from the County Sewer District in 2001 for the 2002 tax year.

A. The identification of the one (1) property not currently within the boundaries of the Saw Mill Sanitary Sewer District and to be returned is contained in the attached Resolution prepared by the Village Clerk, Village of Briarcliff Manor. Said parcel is not currently in any County Sanitary Sewer District, having been removed from the County Sewer District in 2001 for the 2002 tax year. The identification of the one (1) property is as follows:

- 43 Chappaqua Road, Section 90.17, Block 1, Lot 20

B. Full Equalized Valuations, which are assessed values adjusted for equalization rates, form the basis on which the sewer district tax levies are apportioned by the County Board of Legislators. The following are the full equalized valuations in the 2020 tax levy pertinent to the subject parcel:

Full Value of District

<u>CITIES/TOWNS</u>	<u>ASSESSED VALUE</u>	<u>EQ. PERCENT</u>	<u>FULL VALUE</u>
Greenburgh	\$9,395,388,923	100.00%	\$9,395,388,923
Mt. Pleasant	\$153,898,183	1.40%	\$10,992,727,357
Mt. Pleasant - Briarcliff	\$2,656,795	1.40%	\$189,771,071
New Castle	\$283,698,040	19.05%	\$1,489,228,556
City of Yonkers	\$85,479,727	2.29%	\$3,732,739,170
Ossining - Briarcliff Manor	\$954,117,004	100.00%	\$954,117,004
Ossining	\$107,759,700	100.00%	\$107,759,700

Total \$26,861,731,781

(Village of Briarcliff Manor) Total Value of the
Parcels to be added + 674,900

Total Full Value of District as Amended: \$26,862,406,681

* represents a 0.0025% increase in the FEV of the District

C. The Surcharge Calculation for the parcel which is not now in a County Sewer District and is proposed for inclusion in the Saw Mill Sanitary Sewer District is as follows:

If: e = added area's share in District equity or surcharge amount;

A = added area's f.e.v., 2020 Rolls

D = District f.e.v., 2020 rolls, before proposed additions

and E = District equity in existing facilities or the total of debt service and advances from district levies to pay the capital costs of those facilities for the period of time the parcels were not in any County Sewer District, from 2002 through 2020.

Then:
$$e = \frac{A}{D+A} \times E$$

$$e = \frac{674,900}{26,861,731,781 + 674,900} \times \$71,393,314$$

$$e = \frac{674,900}{26,862,406,681} \times \$71,393,314$$

$$e = .0000251243 \times 71,393,314$$

$$e = \$1,793.25 \text{ (rounded to } \$1,790.00)$$

and:

in each of 10 annual installments, a total surcharge of \$179.00 is to be collected from the added property and credited to the remaining properties of all Municipalities in the District, in each of the ten years.

D. Summary and Recommendations.

The proposed Saw Mill Sanitary Sewer District Addition is feasible because:

1. The matter was requested by the Village of Briarcliff Manor.
2. The facilities necessary to connect the subject property to County facilities (i.e. Gravity Sewers) will be constructed at the total expense of the Village of Briarcliff Manor.
3. Maintenance of the completed facilities will be the responsibility of the Village of Briarcliff Manor but not the Saw Mill Sanitary Sewer District.
4. The Yonkers Joint Wastewater Treatment Facility has a design flow of 120.0 MGD and the present average daily flow is 84.8 MGD. The daily flow the parcels will generate after inclusion is 450 gallons per day. The Plant and the County Trunk Sewer have sufficient capacity to accommodate these parcels.
5. The subject expansion will not result in any significant effect on the tax structure of the district.
6. The Territory proposed to be added to the Saw Mill Sanitary Sewer District is not now in any County Sewer District and will be required to pay a surcharge over a ten year period.

ACT NO. 15 - 2021

AN ACT to Modify the Saw Mill Sanitary Sewer District by the Addition of One (1) parcel of Property Located in the Village of Briarcliff Manor.

BE IT ENACTED by the County Board of Legislators of the County of Westchester as follows:

Section 1. The property known and designated as 43 Chappaqua Road, Section 90.17, Block 1, Lot 20 (“Returning Parcel”) on the assessment map of the Village of Briarcliff Manor is hereby added to the Saw Mill Sanitary Sewer District (the “District”).

§ 2. Pursuant to the provisions of Chapter 237 of the Laws of Westchester County, the Board levies and assesses against the Returning Parcel the aggregate sum of One Thousand Seven Hundred Ninety Dollars (\$1,790.00), which amount shall be payable in ten equal annual installments of One Hundred Seventy-Nine Dollars (\$179.00), and shall be credited to the remaining portion of the District.

§ 3. This Act and the District and assessment areas as so altered, changed, modified, reduced and/or enlarged hereby, shall become effective immediately and the assessment rolls filed after the next taxable status date shall show County sewer district assessments and taxes on the basis of such revised District, and taxes levied on such rolls shall be based thereon, but any sewer district tax or assessment levied on any valid assessment rolls in effect prior to the next taxable status date, on any parcel affected by the revisions made by this Act shall continue valid as such or as a tax lien, until paid and the amount paid shall be credited to the sewer district in which such parcel was assessed on the role on which said tax is levied.

§ 4. The County Executive or his authorized designee be and hereby is authorized and empowered to execute instruments and to take all action necessary and appropriate to accomplish the purposes hereof.

§ 5. This Act shall take effect immediately.
