

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (the “Bond Act”) in the amount of \$300,000 to finance a portion of capital project RM102 – Marshlands Site Work (“RM102”).

Your Committee is advised that the Bond Act, prepared by the law firm of Hawkins Delafield and Wood, LLP, will fund the cost of design associated with various site improvements at the Marshlands Conservancy in Rye. Work will include resurfacing the entrance drive and parking lots, providing additional parking spaces, pathways and boardwalks, environmental education gathering spaces, drainage, landscaping and other related improvements.

Your Committee is advised that following bonding authorization, design will be scheduled and is anticipated to take twelve (12) months to complete and will be performed by consultants. It is estimated that construction will take twelve (12) months to complete and will begin after award and execution of the construction contracts, subject to your Honorable Board’s further approval of construction funding.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. For the reasons set forth above, your Committee respectfully recommends adoption of the proposed Bond Act.
